Lost Twin:

The Missing Twin Rita Herron, 2011-06-01 Detective Caleb Walker had taken on some tough cases for Guardian Angel Investigations but when Madelyn Andrews came to him claiming that her five year old daughter was able to communicate with her twin sister who d never made it home from the hospital Caleb was skeptical One glimpse at the beautiful single mother though and he couldn t walk away Now as he looked into what had really happened when Madelyn went into labor suspicious details were uncovered Details that prompted Madelyn to cling to him as pain consumed her And the deeper he dug the more invested Caleb became in their tiny family in their safety when danger penetrated their lives and in their salvation when he promised to bring a little girl home The Lost Twin D.W. Harper, 2015-02-01 The saga continues as twins Kayla and Layla deal with the unexpected suicide of their mother Alice Her many years of lies and deception have torn apart their once devoted family and she has left behind the twins to deal with her trail of destruction It is a long and difficult year for the girls Their efforts to unburden their family and mend the outfall of distrust prove futile and they soon find themselves struggling with their devotion towards one another As the special twin bond between the sisters is ripped apart Layla feels compelled to do something desperate to stop that from happening *The Twin Enigma* Vivienne Lewin, 2018-05-08 The book offers a unique in depth understanding of the twin relationship and the way in which twin development is affected by our attitudes to twins and our enduring fascination with them It explores our historical fascination with this subject and the origins of this excitement how our perceptions of twins reflect our own longing for a perfect soul mate and the effect this personal projection has on the development in twins It is a book written with the general reader in mind rather than experts Twins share a deep psychic bond that forms the core of their twinship but they are never identical Many factors will affect their development including the early mutual resonances and sensate experiences between them and parental and societal attitudes in raising them **Twins** Fred Goodwin, 2000-02 Twin and Triplet Psychology Audrey C. Sandbank, 1999 Provides professionals with clear concise information from a range of professional settings on the special needs of multiples **The living twin** Peter Bourquin, Carmen Cortés, 2024-06-11 Did you know that many people who are born as a single child began life accompanied by a brother or sister that died during pregnancy and vanished leaving no trace whatsoever And did you know that the frequency which this occurs is amazingly high It s a well known fact verified by science for some decades now that a 10% of babies who are born started their life as a part of a twin pregnancy and then lost their sibling during the first months of gestation This phenomenon had remained purely statistical until quite recently Only in the last few years has psychology started to become interested in the effects that this experience may have on the surviving twin Wha might the consequences be of spending the first weeks or months of one s life with a twin in utero but then to suffer their loss and be born alone How can person process and assimilate this primary experience when frequently it is ignored and relegated to the unconscious levels of our self The answers to these and other questions constitute the core of

this book which also includes around fifty testimonies that enable us to listen firsthand to the multiple manifestations that result from the experience of being a lone twin **Hidden Twins** Olivia Lousada,2018-03-26 This book finds itself being part of the rising tide of interest and investigation into the nature of relationship experience for siblings same sex twins and opposite sex twins It illuminates adult opposite sex twinship that has been undervalued and even hidden **Entwined Lives** Nancy Segal,2000-04-01 Twins are nature s living laboratories Through them we are able to uncover new information concerning the genetic and environmental factors affecting who we are Studies using identical and fraternal twins hold the keys to understanding our intellectual abilities personality traits social attitudes and behavior In Entwined Lives Dr Nancy Segal brings together cutting edge information with illustrative case histories of twins and their families In addition to the fascinating stories of identical twins reared apart and reunited as adults Dr Segal provides insights into the unusual language patterns of twins how twin studies affect legal decisions the role of fertility treatments in twin and twinlike conceptions and more This groundbreaking book explores the ways in which twins enhance our knowledge of human behavioral and physical development while shedding new light on the nature nurture debate and on the burgeoning field of evolutionary psychology

WOOD YOU BELIEVE FR. JIM COGLEY,2014-04-22 What we don t know can still deeply affect us This book contains groundbreaking material that expands the horizons of self awareness For many people it has implications that are enormous and far reaching It is a medical fact that more than one in eight people began their journey into life not on their own They had a wombtwin or were part of a multiple pregnancy It is a medical fact that for every set of twins born at least one in five were triplets There is ever increasing evidence that the memory of this early loss can be carried through life as a form of psychological trauma that has previously been unrecognized and usuallymisdiagnosed The symptoms of having experienced loss in the womb or shortly after include A sadness and sense of loss that persists A loneliness that eats into the bones A difficulty with close relationships A burden of guilt that is irrational A black hole that nothing can fill A tendency towards isolation A creativity that is stunted A difficulty with letting go A search that is endless A depressive mentality A restlessness of spirit A poor sense of self Whether the twin loss took place during the first few months in the latter stages of the pregnancy during or after birth the symptoms seem to vary very little Could this be you or someone that you know If so this book could shed light on the mysterious world of what it s like to be a wombtwin survivor and point the way towards healing and recovery Here are the stories of so many who discovered the key to the mystery that had plagued them all their lives Written in language that is easily understood the steps towards identification and resolution are clearly outlined Here is a book that could truly change your life It could be the most important book you will ever read

Loss and What it Taught Me About Living Tracey Corbett-Lynch,Ralph Riegel,2022-10-06 Murder cancer Covid 19 an asthma attack and heart attacks

Tracey Corbett Lynch has encountered loss in all its guises and has had to learn how to cope with life at its most difficult and overwhelming In *Loss and What It Taught Me About Living* Tracey describes these tragic losses their impact on her and how she learnt to live alongside them with strength and grace She recounts how she coped when it all seemed too much to bear and looks at how we can emerge from suffering forever changed by loss but filled with optimism No two grief journeys are the same but as Tracey discovered some of the stations along the route are Her moving and uplifting story will offer comfort practical advice and a ray of hope to anyone suffering their own loss whatever that might be *Diary of a Lone Twin* David Loftus,2019-09-05 A heart rending memoir of love loss and the unique relationship twins share More than thirty years ago David Loftus s cherished identical twin John passed away Ever since a day hasn t passed without David feeling the loss In 1987 after recovering from a brain tumour John contracted meningitis and found himself back in hospital for treatment David as always was by his side They were opening their twenty fourth birthday presents when a fatally miscalculated routine injection forced John into a coma He died within two weeks Over the past year David has spent an hour every day remembering John and recording his story by hand *Diary of a Lone Twin* is the product of that daily ritual a powerful and deeply personal account that covers everything from enchanting and charmingly evoked childhood vignettes to the acute loneliness and raw pain that followed John s death In sharing this beautifully written diary award winning and internationally acclaimed photographer David Loftus provides a rare insight for anyone who wishes to understand the bond between identical twins and the unique bereavement of a lone twin that few people will ever experience *The Twin in the Transference* Vivienne Lewin,2018-05-16 The universal phantasy of having a twin originates in our earliest relational experiences This book is about twins and twinning processes The existence of an actual twin alive or dead may be experienced as an embodiment of the phantasy of having a twin with developmental consequences Twinning processes in twins lead to the creation of an internal twin relationship that is enduring The twin relationship may be at the narcissistic end of the spectrum leading to an enmeshed twinship or it may be a more mature object relationship All twin relationships will be manifest in the transference relationship with the analyst The twin transference has been largely neglected in the psychoanalytic literature to the detriment of our understanding of dynamic processes in twin patients In this book case material is used to explore the nature of the twin transference relationship and the necessity of analysing the twin transference as well as maternal and paternal transference relationships *Sociobiological Perspectives on Human Development* Kevin B. MacDonald,2012-12-06 Examines the importance of evolutionary biology for key issues in human development Illustrates the power of socio biological approaches in understanding developmental phenomena and their importance in generating new empirically verifiable predictions *Expecting Twins, Triplets, and More* Rachel McClintock Franklin, M.D.,2005-04-01 Expecting two or more With humor hope and practical wisdom Dr Rachel Franklin helps you to better understand the unique circumstances of multiple pregnancy and birth From the time you hear the news to the time

you take home your bundles of joy Expecting Twins Triplets and More will be an invaluable resource on what to expect how to cope and how to enjoy the journey This reassuring reference includes information on Telling family friends and coworkers the news Choosing a doctor Exercising and eating well Coping strategies trimester by trimester Preparing for labor and delivery Understanding potential complications and their solutions Navigating the NICU Neonatal Intensive Care Unit Celebrating the births and bringing home the babies Expecting Twins Triplets and More is like having a friend who also happens to be a doctor share her experience and expertise to help you best take care of yourself and your babies at this very special time

Looking Within Deborah Blizzard, 2007-08-03 An ethnographic study of fetoscopy that considers both the broader cultural context of this high risk obstetrical procedure and the patient's individual experience In *Looking Within* Deborah Blizzard examines the high risk in utero surgery known as fetoscopy considering it as both cutting edge medical technology and as a sociocultural construction of patients their social networks and medical providers She looks at the way individual experiences shape these procedures and how fetoscopy affects individuals both patients and providers on a personal emotional level Based on an eleven month ethnographic study of the fetoscopy practice at a community based hospital and further interviews with former patients *Looking Within* offers a vivid picture of the sometimes conflicted often desperate and always emotional lives of those undergoing fetoscopy and challenges current assumptions about normal and appropriate pregnancy experiences To convey the complex reality of fetoscopy Blizzard draws from the experiences of the real patients she interviewed for the book to present the fictional case of Melinda and Joe taking them through the entire process from diagnosis to decision to outcome She then discusses the emergence of fetoscopy as an accepted form of high risk obstetrical care how fetoscopy programs are established at hospitals and why otherwise healthy women consent to surgery Blizzard examines the use of fetoscopy in single fetus and in twin pregnancies looking at how religion culture society and medical science inform any understanding of who or what is in utero a baby a tumor a mass She also discusses definitions of loss and success and the narratives patients and their social networks construct to make sense of them *Looking Within* will help physicians and nurses improve the development and delivery of fetoscopy procedures help patients understand this new technology and help scholars evaluate fetoscopy's bioethical social and cultural implications

Laws of Inheritance Elizabeth Brodersen, 2015-08-14 Instilled in interdisciplinary cross cultural perspectives of mythical socio economic literary pedagogic and psychoanalytic representations two archetypal creative inheritance laws interact as twins Eros fusion containment safety and Thanatos division separation risk Hypothesising these twin laws as matrilineal Eros and patrilineal Thanatos this book explores why cross cultural forms including gender traits are not fixed but are instead influenced by earlier flexible matrilineal forms Through a study of twins on macro and micro levels Elizabeth Brodersen argues that a psychological twin dilemma is implicit in inheritance laws and offers a unique forum to show how each law competes for primacy as the first and other Chapters begin by looking at twins in creation myths and the historical

background to the laws of inheritance as well as literary representations The book then moves on to the developmental structures imbued in twin research and educational systems to explore how past cultural forms have been re defined to fit a modern landscape and the subsequent movement away from the importance of patrilineal primogeniture Laws of Inheritance will be of key value to academics researchers and postgraduate students in the fields of psychoanalysis psychotherapy archetypal theory cross cultural depth psychology cultural anthropology sociology gender studies and twin research The book will also be of interest to practicing psychoanalysts and psychotherapists
