Bull, 2017-04-18 John Bull redundant and depressed sees a jacket in a charity shop window which unbeknown to him has an historical relic in the lining He is drawn to the jacket but he doesn't know why Forces from the 15th century have chosen him to return the relic to them and are manipulating his every move They chose him for good reason Back through several previous lives he had proved himself to be resourceful brave and capable The forces have developed a way of transporting someone in time John finds himself inexplicably interested in regression His friend Sam tells him that he is mad to be regressed but he does it anyway Instead of going back to the 15th century where the forces are waiting for him he is redirected to his other lovers lives He has to drop into his old body in each life until finally the process is perfected and he finds himself sitting at a table with one of the greatest men in history He falls in love with his granddaughter and makes her pregnant after a raunchy night of sex with her

Lost in Time Vance Munraff, 2013-10-08 The zombie apocalypse has already happened Or has it Little Mikey Freeman the strange and disturbingly silent young loner can see dead people and speak to them Or at least they speak to him Or do they As a troubled pre teen was he actually transformed into a blood thirsty creature of the night by the seductive vampire pedophile babysitter from next door Did our tragic anti hero grow up to become a shameless and unapologetic psycho killer Or is it all just so much psychotic rubbish barely contained within in his own troubled head Just one big fatalistic phantasmagoria the guilty collective conscious of a doomed race conjured up by a lonesome prophet Like our strange young Moody Freeman are we all just hopelessly Lost in Time

Lost in Time Dan Arthur Busby, 2019-07-24 By 2040 the US corrections system had found an unbeatable way to save money Simply send them out of the present world send them to a very ancient past world Time travel technology had blossomed but was exclusively used by the government Men like Jimmy Dantly had been highly educated in the field and worked for the government doing research and maintenance For Jimmy everything was turning up roses until a freak accident at work turned his world upside down A coworker was killed and the evidence pointed to Jimmy though he was innocent He felt certain he would be exonerated but the investigation and subsequent trial seemed to prove his guilt The final blow from a southern California judge sent him reeling The judge sentenced him to be sent to the Cretaceous period of history the most active time for dinosaurs Jimmy could do nothing other than cooperate As he walked through the doors of the transport chamber he shook his head knowing he himself had helped build them Suddenly he was thrust into a completely different world He was fortunate to hook up with a fellow prisoner Rick had survived a year there and teamed up with Jimmy for better odds of staying alive The two witnessed the arrival of a third inmate Glen Glen and Jimmy were each

given high powered rifles by a sympathetic transporter attendant Each man had specific skills that helped the group survive Step by step they formulated and executed plans first for safety and then for escape from the primitive and violent world they lived in This story shows what the human spirit can endure and how ingenious the mind can be It reaches the depth of terror and the height of elation These men combined their strengths to reach impossible goals overcoming odds against them with their wit Lost in Time Steven Banks,2007 When SpongeBob and Patrick take part in a tournament during a visit to
