Homosexuality on the Small Screen Sebastian Buckle,2018-08-30 Television provides a unique account of the development of a homosexual identity across the western world emerging as it did when ideas around sex and sexuality were themselves only just beginning to be publicly discussed From the very earliest surviving drama featuring homosexuality in 1959 Homosexuality on the Small Screen explores each decade s programming in turn looking at homosexual themes storylines and characters situating them historically and relating them to the broader events in British history By doing so it examines the interactions between the medium and the reality of gay lives showing how television mirrored the changes taking place in British society For those with a homosexual or emerging homosexual sexual orientation they were seminal in early personal and social development For heterosexual viewers these images were equally important in exploring a sexual other which otherwise remained hidden from them They included positive storylines which helped improve public ideas about homosexuality but also stereotypical images which propagated negative attitudes in the public consciousness Homosexuality on the Small Screen charts this fascinating journey and television s role in the construction of a gay identity Book Prices: Used and Rare, 1994 Edward N. of normalisation and the essentialist paradigms which have so far dominated the examination of the construction of sexuality in television series As such this book addresses the role performed by television in the construction of meanings which surround gender issues and non heteronormative sexualities This is a timely exercise because gender studies and studies of sexual dissidence are fairly recent fields in Spanish and Catalan academia and television has been largely disregarded especially as far as the analysis of characters and storylines is concerned As a result this book represents a major contribution to these fields in the Spanish and Catalan contexts *Oral Interpretation* Timothy Gura, Benjamin Powell, 2018-08-06 In its 13th Edition the iconic Oral Interpretation continues to prepare students to analyze and perform literature through an accessible step by step process New selections join classic favorites and chapters devoted to specific genres narrative poetry group performance and more explore the unique challenges of each form Now tighter and more focused than its predecessors this edition highlights movements in contemporary culture especially the contributions of social media to current communication New writings offer advice and strategies for maximizing body and voice in performance and enhanced devices guide novices in performance preparation Gay Male Fiction Since Stonewall Les Brookes, 2008-09-22 Arguing that gay fiction is torn between assimilative and radical impulses this study focuses on fiction by White Holleran Leavitt Cunningham Hollinghurst Cooper Mars Jones and others positing the existence of two distinct strands of gay fiction where opposing impulses are at work within individual texts Who's Who in Contemporary Gay and Lesbian History Vol.2 Robert Aldrich, Garry Wotherspoon, 2005-07-25 Who's Who in Contemporary Gay and Lesbian History From World War II to the Present Day provides a comprehensive modern biographical survey of homosexuality in the Western world Among those included are Controversial political activists Peter Tatchell Guy Hocquenghem Harvey Milk Pop icons David Bowie k d lang Boy George Groundbreaking artists writers and filmmakers Pier Paolo Pasolini Derek Jarman David Hockney Intellectuals who have shaped and changed the modern understanding of sexuality Michel Foucault Simone de Beauvoir Alfred Kinsey Over 500 entries clear informative and enjoyable to read build up a superbly thorough overview of gay and lesbian life in our time Making Masterpiece Rebecca Eaton, 2014-11-25 An anecdote filled memoir Rebecca Eaton looks back on 25 fascinating years at Masterpiece Theatre and Mystery USA Today When Rebecca Eaton became the producer of Masterpiece Theatre in 1985 she hadn't actually seen many of the episodes Nor did she even like mystery novels though she would be required to choose stories for Mystery But the lifelong Anglophile seized her chance to make a mark in the budding public television system Twenty eight years later Masterpiece is one of television's hottest shows and Eaton is responsible for its triumphant transition from the quill pen era into the digital age Filled with anecdotes about and the occasional interview with the unforgettable hosts the inspired creators and the many talented actors she's worked with over the years Making Masterpiece is a compulsively readable treat for any fan of these beloved and iconic programs *So You Want To Be A Journalist?* Bruce Grundy, Martin Hirst, Janine Little, Mark Hayes, Greg Treadwell, 2012-09-17 Explores the world
