Walters,1999 A model of spiritual transformation based on Mary s message at Medjugorje that is expressed in the language of conception birth and maternity Althouth Medjugorje is the starting point here it is not the only point This is not a book about apparitions or miracle but about Mary s message We will try to appeal to lovers of Marian spirituality as well as the wackos who love the sensational aspects of Medjugorje Will have a title change [Research in the Social Scientific Study of Religion, Volume 10](#) ,2021-11-15 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research **Research in the Social Scientific Study of Religion.v.10** Joanne Marie Greer,David O. Shawn Landres,2006 Scholars from a variety of disciplines explore the intersections of violence memory and sacred space Their Kingdom Come Robert Hutchison,2014-09-02 Robert Hutchison s *Their Kingdom Come* is an explosive expose of one of the most powerful and secretive sects operating within the Roman Catholic Church Opus Dei This book reveals that Opus Dei Has become the Catholic Church s paramount financial power Influences its members through a combination of secret rites and insistence on absolute obedience Uses a strategy of discretion to cloud its real intentions Aims to prepare Christendom for the next crusade against Islam *Queen of Prophets* Dudley Plunkett,1992-02-01 The Communist bloc has collapsed Factional strife is on the rise The West faces an uncertain future What is the message of Mary the Mother of Jesus for these times To find an answer Dudley Plunkett explores the mystery of Mary s recent apparitions in Medjugorje Since 1981 millions from around thde world have traveled to the tiny Yugoslavian mountain village believing Mary to be appearing there to a group of teenagers Plunkett after his own pilgrimage there has come to bleve it as well Many book have reported on the apparitions *Queen of Prophets* pushes the discussion forward How can these apparitions be understood in light of the Bible and of the Christian traditions of the East and the West What do the messages of Mary her pleas for peace prayer and simplicity mean to a rapidly changing world With great clarity Plunkett builds a bridge between the consoling and challenging message of the apparitions and the concerns of everyday life This is a book for these times Apparitions of the Madonna at Oliveto Citra Paolo Apolito,1998 At Oliveto Citra in the province of Salerno on May 24 1985 a group of children said they saw the Madonna In subsequent weeks hundreds of persons made similar declarations beginning an extraordinary phenomenon of collective visions that is not yet over In Cielo in Terra Costruzioni Simboliche di un Apparizione Mariana 1993 translated for the first time here by William A Christian Jr Paolo Apolito completes the inquiry begun in a previous work about how the world of apparitions is constructed and considers the problem of what constitutes this world The author shows how the visionary reality is constructed through the interaction of local symbolic creativity Catholic tradition ecclesiastical authority and the charisma of the seers *Apparitions of the Madonna at Oliveto Citra* describes the conditions under which people who claimed to be seers gained access to the public and to the media what local elites intervened to filter this process what pilgrims brought to the visions and how the content of the visions converged on the great themes of Marian apocalypics Book Jacket **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences *Biblical Inspiration and the Authority of Scripture* Carlos R. Bovell,2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if

so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **Research in the Social Scientific Study of Religion** ,1999 **The Writers Directory** ,2013 The Virgin of El Barrio Kristy Nabhan-Warren,2005-05-01 In 1998 a Mexican American woman named Estela Ruiz began seeing visions of the Virgin Mary in south Phoenix The apparitions and messages spurred the creation of Mary s Ministries a Catholic evangelizing group and its sister organization ESPIRITU which focuses on community based initiatives and social justice for Latinos as Based on ten years of participant observation and in depth interviews The Virgin of El Barrio traces the spiritual transformation of Ruiz the development of the community that has sprung up around her and the international expansion of their message Their organizations blend popular and official Catholicism as well as evangelical Protestant styles of praise and worship shedding light on Catholic responses to the tensions between popular and official piety and the needs of Mexican Americans *Books in Print* ,1991 **Books on Croatia and Croatians** British Library,1996 **Paperbound Books in Print** ,1991 *The Limits of Pilgrimage Place* T.K Rousseau,2021-07-28 Through case studies of three pilgrimage sites related to the Virgin Mary this book explores how pilgrimage places in today s globalized world do not exist as contained spaces but have porous boundaries both physically and conceptually Taking an interdisciplinary approach that draws on art history and heritage studies the book considers the cathedral of Chartres France Medjugorje in Bosnia and Herzegovina and the House of Mary near Ephesus Turkey In all three sites the place of pilgrimage accommodates multiple different purposes and groups of people intermingling devotional and commercial aspects different memory narratives and heterogeneous audiences By mapping these porous boundaries the book calls into question how we define pilgrimage place and shows how pilgrimage sites are not set apart from the everyday world but intimately connected with wider cultural political and material dynamics This study will be relevant to scholars engaging with issues of pilgrimage cultural heritage and art across religious studies art history anthropology and sociology
