Proctor,1898 **Terror Down Under** Daniel Best,2023-07-27 In 1948 the Australian government banned the production importation and exhibition of horror films in a move to appease religious communities and entertainment watchdogs Drawing upon previously unseen government documents private letters and contemporary newspaper accounts this book is the first to extensively cover the history of censorship and the early production of horror movies in Australia Beginning its examination in the late 19th century the book documents the earliest horror films like Georges Melies The Haunted Castle 1896 and how Australians enjoyed such films before the ban The book then explains how certain imports like 1954 s Creature from the Black Lagoon were able to circumvent the ban while others were not It also reveals how Australian television though similarly impacted by government censorship was occasionally able to broadcast films technically banned from cinematic release The work concludes with a look at the first Australian horror films produced after the ban was formally lifted in 1969 like Terry Bourke s Night of Fear 1973 **Abbott and Costello on the Home Front** Scott Allen Nollen,2009-06-08 As two of the most popular entertainers of the mid century film industry comic greats Bud Abbott and Lou Costello offered an essential balm to the American public following the sorrows of the Great Depression and during the trauma of World War II This is the first book to focus in detail on the immensely popular wartime films of Abbott and Costello discussing the production content and reception of 18 films within the context of wartime events on the home front and abroad The films covered include the service comedies Buck Privates In the Navy and Keep Em Flying more mainstream comic relief films such as Pardon My Sarong and Who Done It and post war experiments such as Little Giant and The Time of Their Lives More than 120 stills and lobby cards from the author s personal collection illustrate the text including many showing outtakes or deleted scenes The Mummy's Ransom Fred Hunter,2025-09-23 The Mummy s Ransom by Fred Hunter A controversial exhibit of Chinchorro mummies is about to open in Chicago at Dolores Tower the latest building by the equally controversial local developer Louie Dolores The mummies dating from 2000 to 7000 BC are incredibly fragile making their transportation and display very risky Even worse the pending exhibition is being protested by a group who regard the exploitation of the mummies to be desecration of their ancient dead leading to both tension and excitement over the coming opening Lucky for Chicago Police Detective Jeremy Ransom none of this has anything to do with him He figures as long as he can keep his

friend the elderly Miss Emily Charters away from the opening then there won't be a murder and he won't have to get involved. But first there are reports that a mummy is moving around the exhibit at night then there are death threats against the developer and when one night alone in the exhibit Louie Dolores is attacked by one of the mummies Ransom is assigned to find out what's going on. With the sharp wits and intelligence of Emily at his beck and call Ransom has to sort out the truth in what could be his strangest assignment ever before the volatile situation turns fatal.

The Horror Spoofs of Abbott and Costello Jeffrey S. Miller, 2004-03-22 While Bud Abbott and Lou Costello are more famously known for their straight comedy routines they did make a number of films in which horror played a crucial role. The first part of this critical reference examines the Abbott and Costello Meet the Monsters spoof films *Frankenstein*, *The Invisible Man*, *Dr Jekyll and Mr Hyde* and *The Mummy*. The second section deals with Abbott and Costello's films with horror elements that do not follow this formula: *Hold That Ghost*, *The Time of Their Lives* and *Abbott and Costello Meet the Killer Boris Karloff*. The plot of each film is examined in detail with special attention paid to the comedians' styles of comedy, the effect of the horror scenes and the place of the film in the Abbott and Costello canon. The reactions of critics then and now and the influences the films have had on the horror and comedy genres and on pop culture are also discussed. A lengthy introduction provides background on the lives of Bud Abbott and Lou Costello and the development of Universal Studios as the premier horror factory.
