Melville's Reading:

Melville's Reading Merton M. Sealts, 1966 *Melville's Reading* Merton M. Sealts, 1952 **Melville's Reading** Merton M. Sealts, 1948 The Poems of Herman Melville Herman Melville, 1976 In this revised edition Douglas Robillard updates the scholarship on his poetry through the introduction and notes It contains entire texts of *Battle Pieces* John Marr and *Other Sailors* and *Timeoleon* Selected cantos from *Clarel* are reprinted with accompanying notes and commentary

Reading Melville's *Pierre*; Or, The Ambiguities Brian Higgins, Hershel Parker, 2007-05 This engaging new study uses biographical evidence to explore *Pierre* the puzzling novel that Herman Melville wrote immediately after the publication of *Moby Dick* Parker and Higgins reveal that Melville drastically altered the end of the novel after a troubling meeting with his publisher and editor about the perceived failure of *Moby Dick* Melville re wrote *Pierre* s protagonist as a writer and used the novel to attack the publishing industry Parker and Higgins exploration into *Pierre* shows that this is a deeply flawed novel but an intriguing and revealing glimpse into the mind of an American literary giant **Melville & Women** Elizabeth A.

Schultz, Haskell S. Springer, 2006 Throughout his life Melville lived surrounded by women and he wove women s experiences into most of his literary work early and late The 12 essays in this collection extend the interest in Melville and women evident in recent scholarship biography art and drama **Melville** Hershel Parker, 2008 Revealed here is an unknown Melville the autodidact who made himself a poet and who brilliantly constructed a personal aesthetic credo Dispelling baseless claims that Melville had a quarrel with fiction after *Moby Dick* or *Pierre* and that he did not in 1860 complete a book he called *Poems* Parker offers new evidence of the full trajectory of Melville s career in all its glory and frustration **BOOK JACKET**

Melville's Wisdom Damien B. Schlarb, 2021-06-18 In *Melville s Wisdom Religion Skepticism Literature in Nineteenth Century America* Damien B Schlarb explores the manner in which Herman Melville responds to the spiritual crisis of modernity by using the language of the biblical Old Testament wisdom books to moderate contemporary discourses on religion skepticism and literature Schlarb argues that attending to Melville s engagement with the wisdom books *Job* *Proverbs* and *Ecclesiastes* can help us understand a paradox at the heart of American modernity the simultaneous displacement and affirmation of biblical language and religious culture Monumental Melville Edgar A. Dryden, 2004 *Monumental Melville* emphasizes the significance of the literary to Melville and the need for close reading in understanding his work By revealing and celebrating the form that makes Melville s poetry unique and a logical development from the fiction *Monumental Melville* makes a vital contribution to the new scholarly recognition of its value and importance The Cambridge Companion to Herman Melville Robert S. Levine, 1998-05-13 Specially commissioned essays provide a critical introduction to one of the most significant writers of nineteenth century America A New Companion to Herman Melville Wyn Kelley, Christopher Ohge, 2022-08-16 Discover a fascinating new set of perspectives on the life and work of Herman Melville *A New Companion to Herman Melville* delivers an insightful examination of Melville for the twenty first century

Melville's Intervisionary Network John Haydock,2016-10-18 The romances of Herman Melville author of Moby Dick and Billy Budd Sailor are usually examined from some setting almost exclusively American European or other planetary contexts are subordinated to local considerations But while this isolated approach plays well in an arena constructed on American exclusiveness it does not express the reality of the literary processes swirling around Melville in the middle of the nineteenth century A series of expanding literary and technological networks was active that made his writing part of a global complex Honor de Balzac popular French writer and creator of realism in the novel was also in the web of these same networks both preceding and at the height of Melville's creativity Because they engaged in similar intentions there developed an almost inevitable attraction that brought their works together Until recently however Balzac has not been recognized as a significant influence on Melville during his most creative period Over the last decade scholars began to explore literary networks by new methodologies and the criticism developed out of these strategies pertains usually to modernist postcolonial contemporary situations Remarkably however the intertextuality of Melville with Balzac is quite exactly a casebook study in transcultural comparativism Looking at Melville's innovative environment reveals meaningful results where the networks take on significant roles equivalent to what have been traditionally classed as genetic contacts Intervisionary Network explores a range of these connections and reveals that Melville was dependent on Balzac and his universal vision in much of his prose writing **A Companion to Herman Melville** Wyn Kelley,2015-08-17 In a series of 35 original essays this companion demonstrates the relevance of Melville's works in the twenty first century Presents 35 original essays by scholars from around the world representing a range of different approaches to Melville Considers Melville in a global context and looks at the impact of global economies and technologies on the way people read Melville Takes account of the latest and most sophisticated scholarship including postcolonial and feminist perspectives Locates Melville in his cultural milieu revising our views of his politics on race gender and democracy Reveals Melville as a more contemporary writer than his critics have sometimes assumed
