Contemporary Plays by Women of Color Roberta Uno, 2005-06-28 Contemporary Plays by Women of Color is a ground-breaking anthology of eighteen new and recent works by African American, Asian American, Latina American, and Native American playwrights. This compelling collection includes works by award-winning and well-known playwrights such as Anna Deavere Smith, Cherrie Moraga, Pearl Cleage, Marga Gomez, and Spiderwoman, as well as many exciting newcomers. Contemporary Plays by Women of Color is the first anthology to display such an abundance of talent from such a wide range of today's women playwrights. The plays tackle a variety of topics from the playful to the painful and represent numerous different approaches to playmaking. The volume also includes an invaluable appendix of published plays by women of color, biographical notes on each writer, the production history of each play. Contemporary Plays by Women of Color is a unique resource for practitioners, students, and lovers of theatre and an inspiring addition to any bookshelf.

A Calculus of Color Robert Kuhn McGregor, 2015-04-14 In 1947, as the integration of Major League Baseball began, the once-daring American League had grown reactionary, unwilling to confront postwar challenges: population shifts, labor issues, and above all, racial integration. The league had matured in the Jim Crow era when northern cities responded to the Great Migration by restricting black access to housing, transportation,

accommodations and entertainment while blacks created their own institutions including baseball s Negro Leagues As the political climate changed and some major league teams realized the necessity of integration the American League proved painfully reluctant With the exception of the Cleveland Indians integration was slow and often ineffective This book examines the integration of baseball widely viewed as a triumph through the experiences of the American League and finds only a limited shift in racial values The teams accepted few black players and made no effort to alter management structures and organized baseball remained an institution governed by tradition bound owners *Frances Ellen Watkins Harper's Civil War and Reconstruction* Eric Gardner, Professor and Chair Department of English Eric Gardner, 2025-10 Frances Ellen Watkins Harper fought for abolition women s suffrage Black suffrage civil rights and temperance throughout the second half of the nineteenth century all while lecturing across the nation and writing powerful novels poems essays and sketches Still though Harper was well known during her lifetime many twentieth century critics dismissed or ignored her Building from pioneering archival work Frances Ellen Watkins Harper s *Civil War and Reconstruction* gives the fullest account available of how this major African American author activist claimed the book s nation shaking title moments as her own The book focuses especially on Harper s vision of what Reconstruction could be not only what needed to be built back after the Civil War but what needed to be wiped away and what needed to be created anew to enact a more perfect union *Life on the Color Line* Gregory Howard Williams, 1996-02-01 Heartbreaking and uplifting a searing book about race and prejudice in America brims with insights that only someone who has lived on both sides of the racial divide could gain Cleveland Plain Dealer A triumph of storytelling as well as a triumph of spirit Alex Kotlowitz award winning author of *There Are No Children Here* As a child in 1950s segregated Virginia Gregory Howard Williams grew up believing he was white But when the family business failed and his parents marriage fell apart Williams discovered that his dark skinned father who had been passing as Italian American was half black The family split up and Greg his younger brother and their father moved to Muncie Indiana where the young boys learned the truth about their heritage Overnight Greg Williams became black In this extraordinary and powerful memoir Williams recounts his remarkable journey along the color line and illuminates the contrasts between the black and white worlds one of privilege opportunity and comfort the other of deprivation repression and struggle He tells of the hostility and prejudice he encountered all too often from both blacks and whites and the surprising moments of encouragement and acceptance he found from each *Life on the Color Line* is a uniquely important book It is a wonderfully inspiring testament of purpose perseverance and human triumph Winner of the Los Angeles Times Book Prize *The Black Women Oral History Project*. Troping the Body Gwendolyn Audrey Foster,2000 Troping the Body Gender Etiquette and Performance is an interdisciplinary study of etiquette texts conduct literature and advice books and films GwendolynAudrey Foster analyzes the work of such women authors as Emily Post Christine de Pizan Hannah Webster Foster Emily Bront Frances E W Harper and Martha Stewart as well as such women filmmakers as Lois Weber and Kasi Lemmons Specifically Foster notes I was interested in the possibility of locating power and agency in the voices of popular etiquette writers Her investigation led her to analyze etiquette and conduct literature from the Middle Ages to the present Within this wide scope she redefines the boundaries of conduct literature through a theoretical examination of the gendered body as it is positioned in conduct books etiquette texts poetry fiction and film Drawing on Bakhtin Gates Foucault and the new school of performative feminism to develop an interdisciplinary approach to conduct literature and literature as conduct Foster brings a unique perspective to the analysis of ways in which the body has been gendered raced and constructed in terms of class and sexuality Even though women writers have been actively writing conduct and etiquette texts since the

medieval period few critical examinations of such literature exist in the fields of cultural studies and literary criticism Thus Foster s study fills a gap and does so uniquely in the existing literature In examining these voices of authority over the body Foster identifies the dialogic in the texts of this discipline that both supports and disrupts the hegemonic discourse of a gendered social order
