[Our Precious Bond](#) Marlene F Cheng, 2017-10-19 Identical twin sisters, right from early childhood, have to face complex situations that threaten to sever their tight bond. Nonetheless, by stark determination and by supporting each other in quite unconventional ways, Venice becomes a defense lawyer and Geneva an emergency room doctor. However, secret loves, depression, alcoholism, and schizophrenia lurk sinisterly, threatening to beat them down. This book is their story. It has many great joyful moments and many excruciatingly painful and sad ones. But overall, it is a triumph of love. The book does not sensationalize mental illness. It makes a great effort to bring awareness authentically to the disease and how it affects the person, their families, and other loved ones, and the community.

[Found, Lost and Forever](#) Marlene F. Cheng, 2015-05-08 Love in all its colours brushes the painting that is this small book, love of land, of place, of tribe, and bold coloured love that dares to venture beyond any restrictions of body or mind or society. With the courage to face adversity and the passion to seek Love, Beauty, and Truth, the culturally diverse players paint art.
