Not Religion But Love Practising A Radical Spirituality Of Compassion:

Not Religion but Love Dave Andrews, 2012-02-01 In his acclaimed book *Christi Anarchy* Dave Andrews explored the ugly ruins of Christian history and outlined the radical vision of Jesus for personal and community renewal In *Not Religion but Love* he shows how that vision can become a reality With poignant real life stories drawn from his Brisbane backyard Dave Andrews gives us a practical guide to working out Jesus agenda for love and justice in our own lives and neighborhoods Complete with group exercises and an ample collection of extra resources for study *Not Religion but Love* is a book to read at your own risk it might change your life

Not Religion, But Love Dave Andrews, 2006-01-01

To Right Every Wrong Dave Andrews, 2021-01-21 Dave Andrews's latest book *To Right Every Wrong* is the last in the Dave Andrews Legacy Series It is a funny sad brutally honest retrospective reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice The reflections in this book subtitled *The Making and Unmaking of One Improbable Minor Prophet* come in three parts the personal the prophetic and the paradoxical The personal part explores Andrews's experience of the radical compassionate spirituality that he shares with wife Angie and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people The prophetic part explores Andrews's embrace of the strange crazy improbable call he felt to be a prophet which he has sought to flesh out in classic prophetic roles as an interrogator a protester a practitioner and an inspirator in contemporary prophetic contexts characterized by poverty and violence The paradoxical part explores Andrews's making and unmaking as a minor prophet critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care

The Logic of Intersubjectivity Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren's inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren's actual philosophy of religion What is argued in this book is that McLaren's philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religious ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer's identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren's philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren's line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

Christian Anarchism Alexandre Christoyannopoulos, 2022-02-17 Christian anarchism has been around for at least as long as secular anarchism Leo Tolstoy is its most famous proponent but there are

many others such as Jacques Ellul Vernard Eller Dave Andrews or the people associated with the Catholic Worker movement They offer a compelling critique of the state the church and the economy based on the New Testament

Dalit Theology and Christian Anarchism Revd Dr Keith Hebden,2013-06-28 A second generation of emerging Dalit theology texts is re shaping the way we think of Indian theology and liberation theology This book is a vital part of that conversation Taking post colonial criticism to its logical end of criticism of statism Keith Hebden looks at the way the emergence of India as a nation state shapes political and religious ideas He takes a critical look at these Gods of the modern age and asks how Christians from marginalised communities might resist the temptation to be co opted into the statist ideologies and competition for power He does this by drawing on historical trends Christian anarchist voices and the religious experiences of indigenous Indians Hebden s ability to bring together such different and challenging perspectives opens up radical new thinking in Dalit theology inviting the Indian Church to resist the Hindu fundamentalists labelling of the Church as foreign by embracing and celebrating the anarchic foreignness of a Dalit Christian future

New Perspectives on Anarchism Nathan J. Jun,Shane Wahl,2010-01-01 The study of anarchism as a philosophical political and social movement has burgeoned both in the academy and in the global activist community in recent years Taking advantage of this boom in anarchist scholarship Nathan J Jun and Shane Wahl have compiled twenty six cutting edge essays on this timely topic in *New Perspectives on Anarchism*

Embracing the Passion Nigel Pimlott,2015-03-02 A timely and topical resource that looks into the areas of Christian youth work faith and politics Nigel Pimlott aims to inform engage empower and resource Christian youth workers and those studying youth work so that they have a better understanding about the relationship between their work their faith and politics

The British National Bibliography Arthur James Wells,2001

Gathering Those Driven Away Wendy Farley,2011-09-12 This book is a powerful expression of Jesus Christ given in the midst of the brokenness and hostilities of this world as experienced by those who are marginalized and persecuted in contemporary society Drawing on broader sources in the Christian tradition Farley maintains the power of Jesus of Nazareth as the expression of the Divine Eros in Wisdom to break powers of sin and provide a vision of life which is an alternative Empire to present ways and where love reigns as norm

The Psychology of Compassion and Cruelty Thomas G. Plante Ph.D.,2015-03-03 This thoughtful book brings together some of the best psychological and spiritual thinkers to ponder evidence based reflections about the development and nurturance of compassion In an effort to alter behavior scientists have conducted research to better understand the factors that contribute to both caring and cruel behavior among individuals and groups This uplifting volume reviews evidence collected from experts across disciplines and explains how certain psychological spiritual and religious factors spur compassion and deter cruelty The work extols the importance of religion and psychology as tools for better understanding and influencing behavior With deep reflection combined with research based insights the book considers the various avenues for creating kinder human beings Expert contributors examine empirical evidence to learn if engagement in

particular activities results in benevolent behavior while chapters present the many ways in which kindness touches all aspects of life from racial harmony to child rearing to work environments Topics include exploring the healing effects of prayers and meditation integrating compassion into higher education and parenting with greater mindfulness and care

Убить в себе государство. Как бунтари, философы и мечтатели придумали русский анархизм Николай Герасимов, 2025-03-17 *The Oxford Handbook of Psychology and Spirituality* Lisa J. Miller, 2024 This updated edition of *The Oxford Handbook of Psychology and Spirituality* codifies the leading empirical evidence in the support and application of postmaterial psychological science Lisa J Miller has gathered together a group of ground breaking scholars to showcase their work of many decades that has come further to fruition in the past ten years with the collective momentum of a Spiritual Renaissance in Psychological Science With new and updated chapters from leading scholars in psychology medicine physics and biology the Handbook is an interdisciplinary reference for a rapidly emerging approach to contemporary science Highlighting fresh ideas and supporting science this overarching work provides both a foundation and a roadmap for what is truly a new ideological age *Martin Buber and Eastern Wisdom Teachings* Hune Margulies, 2022-02-28 This book is an in depth conversation between philosophies of Dialogue particularly as espoused by Martin Buber and teachings from the wisdom traditions of the East particularly Zen Buddhism and its Pure Land School It argues that God is the between of I and Thou Writings from Sufism Hasidism Hinduism and other spiritual traditions are excerpted as well as they all draw their teachings from similar primordial moments of deep poetic insight Dialogical philosophy articulates the principle of relationship which is discussed throughout the book in its various contexts and different modalities *American Book Publishing Record*, 2003 **Blessed at the Broken Places** J. Marshall Jenkins PhD, 2016-09-20 Discover how Jesus s blessings convert emotional suffering from a source of shame to a resource for faith Long description When you hurt what does it mean for your faith Too often church culture and religious individuals suggest that emotional pain shows lack of faith or sin against a punitive God How ironic Jesus suffered loneliness misunderstanding persecution and death to meet us at the lowest places and lift us to hope and life with his resurrection Reframing apparent defeat as the first step in a life of purpose this book shows how Jesus s blessings the Beatitudes address the paradox of living through suffering on the way to joy When you feel depressed or anxious unworthy or ashamed this book helps you recognize Jesus as a fellow struggler who meets you in your suffering offering and embodying life and hope It will help you hear Jesus s blessing you when you feel least worthy of blessing This vital resource features engaging spiritual practices and group discussion questions ideal for use by individuals on their own in counseling or in groups Christians and seekers in emotional pain as well as counselors clergy spiritual directors Stephen ministers and family members will gain needed insight and guidance for the spiritual journey through suffering **God is Green** Bob Shore-Goss, 2016-10-28 At this time of climate crisis here is a practical Christian ecospirituality It emerges from the pastoral and theological experience of Reverend Robert Shore Goss who worked with his

congregation by making the earth a member of the church by greening worship and by helping the church building and operations attain a carbon neutral footprint Shore Goss explores an ecospirituality grounded in incarnational compassion Practicing incarnational compassion means following the lived praxis of Jesus and the commission of the risen Christ as Gardener Jesus becomes the green face of God Restrictive Christian spiritualities that exclude the earth as an original blessing of God must expand This expansion leads to the realization that the incarnation of Christ has deep roots in the earth and the fleshly or biological tissue of life This book aims to foster ecological conversation in churches and outlines the following practices for congregations meditating on nature inviting sermons on green topics covenanting with the earth and retrieving the natural elements of the sacraments These practices help us recover ourselves as fleshly members of the earth and the network of life If we fall in love with God s creation says Shore Goss we will fight against climate change

Healing With Jesus Adam Davis,Ai,2025-01-15 Understanding Jesus in today s context requires a deep dive into how His teachings resonate within the complexities of contemporary life In an age marked by rapid technological advancement social upheaval and a relentless pursuit of mental wellness the figure of Jesus emerges not merely as a historical icon but as a living guide whose wisdom transcends time His messages of love compassion and forgiveness offer profound insights that can help us navigate our daily challenges fostering a sense of connection and purpose in a fragmented world

Compassionate Love and Ebony Grace Kortright Davis,2012-03-22 Why is the Golden Rule so central in almost every culture and religion What is it that drives human beings to do good to others Are altruism compassion and forgiveness natural forms of human behavior or do they have to be learned and practiced in the neural context of our primal instincts for survival and self defense These are some of the questions that lie behind the study of Compassionate Love amongst people of color Davis explores the patterns and contours of other love which he defines as a selfless regard for the well being of others He also examines the basis for distinctive modes of compassionate behavior enriched by ebony grace a theological attribution for people of African descent This text focuses especially on the historical cultural and religious heritage that inspires and empowers such attitudes in spite of constant encounters with systemic negation social alienation and unrelenting racism How is it that Black families in the home school and church still support sustain and succeed in the practice of unyielding love in compassion That is the magic and mystery within contemporary Black cultural norms and moral values This text is a powerful attempt to contribute to the debate on Christian altruism
