Notebooks Selections From The A M Klein Papers:

Notebooks: Selections from the A.M. Klein Papers A. M. Klein, Leonardo Vinci, This eBook version of Notebooks presents the full text of this literary classic **Notebooks** A.M. Klein, 1995-12-15 Much of A M Klein s finest prose is to be found in the mass of uncompleted work that he abandoned at the time of his breakdown and that became accessible only when his papers were deposited in the National Archives Notebooks offers a generous selection of this work revealing previously unsuspected facets of Klein s character and artistry The fiction criticism and memoirs collected here focus on Klein s exploration of the role of the artist The works illuminate crucial periods of his career especially the early 1940s when he was transforming himself into a modernist and the early 1950s when he was struggling to overcome the misgivings about his art that were to lead to his final breakdown The semi autobiographical text which Klein referred to as Raw Material and the unfinished novel of prison life entitled Stranger and Afraid cast a new light on Klein s often frustrating relationship with the Montreal Jewish community In Marginalia he discusses poetic form and technique and makes observations on the nature of poetry thereby providing insights into his own concerns as a writer In The Golem a profoundly ambiguous treatment of the act of creation a self portrait emerges of a storyteller who has lost faith in the power and value of his story The volume includes a critical introduction that places the material in the context of Klein s other works as well as textual and explanatory notes **Collected Works of A.M. Klein: Notebooks : selections from the A.M. Klein papers** Abraham

Moses Klein, 1982 A.M. Klein The Letters A.M. Klein, 2011-12-10 In the final volume of the Collected Works of A M Klein Elizabeth Popham completes the process of restoring the public voice of one of Canada s most respected authors A M Klein The Letters is the first compilation of a significant body of Klein s correspondence Using his communications to construct a compelling narrative Popham traces Klein s career from his apprenticeship to great critical success and his tragically premature silence The content of Klein s letters gives new resonance to his works most notably to his critically acclaimed novel The Second Scroll 1951 and his Governor General Award winning The Rocking Chair and Other Poems 1948 In his exchanges with publishers and scholars Klein glosses his own writing and argues for the integrity of his poetic vision Samplings of his correspondence with Seagram s Distilleries clarify Klein s controversial role as ghost writer and PR consultant for Sam Bronfman A valuable resource for understanding Canadian literary modernism diasporic Judaism and the culture of Montreal A M Klein The Letters is a remarkable portrait of an important Canadian literary figure of the twentieth century **Failure's Opposite** Norman Ravvin, Sherry Simon, 2011-05-20 Failure s Opposite presents a fresh perspective on Klein s reception and legacy exploring why he has remained a compelling figure for critics and readers His experimentalism drew upon strong traditions and fluency in several languages English French Yiddish and Hebrew allowing him to develop a multilingual modernist Jewish voice that is a touchstone for understanding Canada s multicultural identity His struggle with the emotional and historical dimensions of diaspora is of considerable importance throughout his work and is investigated

through the lenses of translation voice and his relationship to other Jewish writers Contributors also re evaluate Klein s connection to Montreal and the original ways in which he captured the atmosphere of his jargoning city Failure s Opposite reflects the many ways A M Klein is being remade in the twenty first century both as a bridge to the past and a model for contemporary critical and creative work in Canadian literature Selected Poems Abraham Moses Klein,1997-01-01 Whether or not he finally achieved his own high aims it was in his own words something merely to entertain them The result was a body of work immensely rich and varied in tone language and culture resonance New Readings of Yiddish Montreal - Traduire le Montréal yiddish Pierre Anctil,Norman Ravvin,Sherry Simon,2007-06-30 The texts collected in this volume unveil the practice and the methods of the translators and scholars who contributed to the reemergence of Yiddish in contemporary Canada Each of the personalities discussed enlarged the historical position and interpreted various aspects of the Yiddish language in Montreal that until recently remained obscure or inaccessible Published in English The Modern Jewish Canon Ruth R. Wisse,2001-01-19 What makes a great Jewish book What makes a book Jewish in the first place Ruth R Wisse one of the leading scholars in the field of Jewish literature sets out to answer these questions in The Modern Jewish Canon Wisse takes us on an exhilarating journey through language and culture penetrating the complexities of Jewish life as they are expressed in the greatest Jewish novels of the twentieth century from Isaac Babel to Isaac Bashevis Singer from Elie Wiesel to Cynthia Ozick The modern Jewish canon Wisse proposes comprises those books that convey an experience of Jewish actuality those in which the authors or characters know and let the reader know that they are Jews for better or worse Wisse is not content merely to evaluate the great books of Jewish literature she also links the works together to present a new kind of Jewish history as it has been told through the literature of the past hundred years She tells the story of a multilingual multinational people one that has experienced an often turbulent relationship with Hebrew the liturgical and scriptural language and Yiddish the commonplace vernacular tongue as well as with the numerous languages spoken by Jews around the world Wisse insists that language informs the essential meaning of a Jewish work creating and ratifying political and religious alliances historical and cultural circumstance and methods of interpretation Drawing from a broad sweep of twentieth century Jewish fiction Wisse reintroduces us to the deeper side of much beloved books that remain touchstones of Jewish identity Through her eyes we reencounter old friends including Tevye the Dairyman from Sholem Aleichem s landmark Yiddish stories the character on whom Fiddler on the Roof is based Joseph K of Kafka s The Trial who without having done anything wrong was famously arrested one fine morning Anne Frank whose poignant diary has shaped the way we think about the Holocaust Nathan Zuckerman the enigmatic narrator of numerous Philip Roth novels Destined to be a classic in its own right one that reshapes the way we think about some of the classic works of the modern age The Modern Jewish Canon is a book for every Jewish reader and for every reader of great fiction A.M. Klein Zailig Pollock,1994-12-21 Modernism offered Klein freedom for personal exploration and artistic expression but the rootlessness implicit in modernism

Translation Studies as a research based discipline he laid down precisely that intellectual challenge not just to describe translation but to explain it through reference to wider relations That call offers at once a common base an open and multidirectional ambition and many good reasons for unambiguous tribute The authors brought together in this volume include key players in Translation Studies who have responded to Toury s challenge in one way or another Their diverse contributions address issues such as the sociology of translators contemporary changes in intercultural relations the fundamental problem of defining translations the nature of explanation and case studies including pseudotranslation in Renaissance Italy Sherlock Holmes in Turkey and the coffee and sugar economy in Brazil All acknowledge Translation Studies as a research based space for conceptual coherence and creativity all seek to explain as well as describe In this sense we believe that Toury s call has been answered beyond expectations
