Pictorial History Of Gone With The Wind:

The Complete Gone With the Wind Trivia Book Pauline Bartel, 2014-06-09 A Must Have for Gone With the Wind Fans From Margaret Mitchell's tattered manuscript to the film's seventy fifth anniversary this book is a behind the scenes chronicle of *Gone With the Wind* the book the movie and the phenomenon that continues today Related in loving detail are inside stories of the writing and publishing of the novel the Hollywood frenzy of transforming the book into film including casting headaches on set tensions and jinxed scenes the premiere and the Academy Awards This updated edition also contains the scoop on the publication of two GWTW sequels the disastrous debut of the Scarlett television miniseries the post GWTW lives of cast members such as the news of Gable's secret lovechild the restoration of three original costumes in time for GWTW's seventy fifth anniversary and much much more The reader friendly format fact packed features profiles quizzes and photographs will delight any GWTW fan and make this the one book that no Windie can do without *Fan's Guide to Gone With The Wind eBook Bundle* Taylor Trade Publishing, 2014-12-03 For fans of *Gone With the Wind* on the 75th anniversary of the classic film this three volume eBook Collection pulls together two bestselling biographies one of author Margaret Mitchell and one of film star Vivien Leigh and combines them with *The Complete Gone with the Wind Trivia Book* to give readers a deep insight into the lives of those who created this timeless masterpiece **Pictorial History of Gone with the Wind** Gerald Gardner, Harriet Modell Gardner, 1980 **Gone With the Wind** Gerald Gardner, 1980 **Gone with the Wind on Film** Cynthia Marylee Molt, 1990 This is the definitive collection of data about all aspects of this film the ten sections focus on characters in the novel the players and their own histories costuming every major garment worn major set furnishings the filming schedule etc Also bibliographies discographies filmographies of the actors and actresses and collectibles An appendix lists available still photographs **"Gone with the Wind," He Said** Michael I. Darter, 2014 This book documents the search for my MIA brother Eugene F Darter who just after meeting his baby brother on a pillow flew off to Nazi occupied Europe and vanished on his first bombing mission over Germany My investigation began with a random Internet search on his fifty seventh birthday on January 3 2000 that quickly resulted in the miraculous discovery of one of his crewmates who found him badly shot and collapsed in a pool of blood in their shattered and burning B 17 Along the path of discovery were some amazing miracles including discovering his surviving crew and their families what happened to his two other MIA crewmates pieces of his bomber on the beach a few days before a long planned memorial and most importantly eyewitnesses who saw crew members captured by the Nazis on a Dutch island However the greatest discovery was an eyewitness who saw an American airman come down through the fog and splash down into the sea crying for help but then carried away by the fierce wind farther out into the freezing sea beyond reach *Gone with the Wind* was his description of the shocking event unfolding in the stormy sea just in front of him This book will be of particular interest to many families who have MIAs that number more than eighty three thousand in America's wars There is so much information available today on

the Internet in databases individual researchers in the US and abroad and in the National Archives for searching for your beloved MIA There is also a great deal of assistance from the US government who has many teams in the field every day searching finding identifying and bringing home our hero MIAs

Moving Image Cataloging Martha M. Yee, 2007-10-30 Libraries archives and museums hold a wide variety of moving images all of which

require the same level of attention to issues of organization and access as their print counterparts. Consequently, the people who create collection level records and metadata for these resources need to be equally conversant in the principles of cataloging. Martha Yee covers both descriptive AACR2R, AMIM, and FIAF rules and subject cataloging with a focus on LCSH. In the process, the reader is encouraged to think critically and to be prepared to make decisions in ambiguous situations where solutions to problems are not always obvious or clearly dictated by specific rules.
