Red Sky Lament:

Red Sky Lament Edward Wright, 2010-06-24 Los Angeles late 1940s all over Hollywood the U S government is ordering people to appear before the House Un American Activities Committee as part of the crusade to uncover Communist influence in the movies John Ray Horn has little use for politics but as a former B movie cowboy star who fell into prison and disgrace he knows a few things about outsiders He agrees to help Owen Bruder a brilliantly talented but notoriously difficult screenwriter accused of having belonged to the Communist Party If Horn can discover Bruder s secret accuser they might have a chance to clear his name But no one is willing to talk People are scared in a Hollywood run by fear and suspicion where a whisper is all it takes to smear an innocent man As Horn s search leads him to powerful figures in Hollywood his investigation takes a sudden and deadly turn And he finds that more people will die before all the secrets are laid bare

KISMET RONNIE SARKIN, 2014-09-12 Sarkin s unique 3 in 1 debut novel offers readers the experience to read about two lovers in a refreshing way The stories not only alternate chapter to chapter from Fey and Adam in the 1200s and Kevan and ine in the 1700s they are also juxtaposed split narratives It s 1238 in Carran County Clare Ireland and April is burnt at the stake for being a pagan priestess Her little daughter Fey watches from the crowd now an orphan Fate would have it that Fey is adopted by the Reddan family whose son Adam falls deeply in love with her Adam s desire to protect and cherish Fey is threatened by the arrival in Carran of her estranged cousin Sylvan Adam is extremely concerned Will Sylvan lead Fey down the same dangerous path that ended her mother s life Is this her Kismet her destiny Five centuries later Fey and Adam incarnate together as Kevan and ine again in Ireland which is now occupied by the English Kevan becomes embroiled in the rebellion and is all consumed with their fight to evict their oppressors He ignores the danger he is in leaving ine worried about what their destiny will hold A story where misunderstandings are repeated violence perpetuated and undying love threads it s way across centuries Lessons to be learned questioning our all too often superficial perception of life with insights into living during those historical times For deeper meanings including insights

Sigurd's Lament Benjamin John Peters,2017-07-14 In literature the advice often given is to show and not tell In academia it is the opposite tell and do not show *Sigurd s Lament* is a text that asks the question can scholarship show rather than tell On the surface it is the collected work of a mid twentieth century scholar Hawthorne Basil Peters who has curated the life s work of his father the translation of a Welsh epic into the alliterative meter of the English Revival The poem is produced in full but so too is the historic introduction commentary and academic apparatus Peters for the first time shares with the world his father s wonderful translation and his previously unpublished academic ideas In a text rife with distention however Peters draws the reader s attention to the unexpected flexibility of language and asks only one thing in return drink deeply For *Sigurd s Lament* is a text of the most serious play It is ambiguous and obfuscating and riddled with footnotes that have lurking within them like goblins in the weeds future tales of past narratives **Damnation Falls** Edward Wright,2025-04-16
Randall Wilkes his big city journalism career in ruins has returned after twenty years to Pilgrim s Rest the Tennessee hill town where he grew up He has taken on a lucrative but low prestige writing job for Sonny McMahan a former governor and Randall s boyhood friend whose own career is under a shadow and who needs a ghost written autobiography to ease his way back into politics Randall encounters Faye McMahan Sonny s mother who is addled with age imagining that her dead husband is alive and worrying that her son might be in danger Hours later amid a violent autumn storm Randall finds Faye

murdered hanging by the neck from a bridge over the town landmark called Damnation Falls Within days a second murder even more grisly than the first targets another member of the McMahan clan And the bones of a third long buried murder victim a young woman emerge from the earth Randall has ties to all the victims and the murders force him to acknowledge debts that go back decades Drawing on his investigative skills and his roots in the region he sets out to discover who is behind the killings His search takes him from the flatlands of the Mississippi delta to the Great Smoky Mountains in the east Tennessee is a state that was split by the Civil War where history still lies close to the surface and tales of murder and betrayal have weighed heavily on the town of Pilgrim s Rest Before all the answers are in more people will die an old score will be settled and the dead will finally tell their stories
