## **Russian Thinkers:**

*Russian Thinkers* Isaiah Berlin, 2013-03-07 Few if any English language critics have written as perceptively as Isaiah Berlin about Russian thought and culture *Russian Thinkers* is his unique meditation on the impact that Russia's outstanding writers and philosophers had on its culture In addition to Tolstoy's philosophy of history which he addresses in his most famous essay *The Hedgehog and the Fox* Berlin considers the social and political circumstances that produced such men as Herzen Bakunin Turgenev Belinsky and others of the Russian intelligentsia who made up as Berlin describes the largest single Russian contribution to social change in the world **Russian Thinkers** Isaiah Berlin, Henry Hardy, 1979 The theme that links these essays written over thirty years is the phenomenon of the Russian intelligentsia which Isaiah Berlin describes as the largest single Russian contribution to social change in the world *Anton Chekhov Through the Eyes of Russian Thinkers* Olga Tabachnikova, 2012 The collection is comprised of twelve scholarly essays written by leading Chekhov specialists from around the world each analysing an interpretation of Chekhov by one of three Russian thinkers of the Silver Age of Russian culture Vasilii Rozanov Dmitrii Merezhkovskii and Lev Shestov It thus examines the hitherto under researched relationship between the origins and the results of the cultural phase that came to be known as the Silver Age and focuses specifically on the complex connections between Chekhov's legacy and the Russian culture of that period

**Russian Thinkers** Sir Isaiah Berlin, 2003 **Russian Thinkers** Andrei Vladimirovich Anikin, 1988 *Three Russian "Glocalist" Intellectuals in Europe* Renata Gravina, 2025-09-23 The book is intended for scholars and Eastern Europe lovers The general purpose of the collection is to examine the relevant connections between three different Russian intellectuals border thinkers active in the European political life during the first part of the last century Vladimir Zabughin Aleksandr Kojve and Jean Gottmann from a Glocalist methodological perspective The philologist Zabughin the philosopher Kojve and the geographer Gottmann are representatives of an imperial Russian intellectualism who escaped from the motherland They had all the opportunity to contribute to what is called the emigr kult the Culture of Emigration From 1905 and even more so from 1917 the White Russia Belaja Rossiia represented a multifaceted phenomenon of opposition to Bolshevism outside the borders of the motherland Their common belief was a Glocalist perspective something corresponding to an ideal of communities within virtual ideological economic theological or spiritual intra or trans territorial Glocalism interprets reality through the connection between major geopolitical scenarios and the trajectories of national or community subjects that have redrawn borders identities and models of power *Toward Another Shore* Aileen Kelly, Reader in the Department of Slavonic Studies Aileen M Kelly, 1998-01-01 In this thought provoking book an internationally acclaimed scholar writes about the passion for ideology among nineteenth and twentieth century Russian intellectuals and about the development of sophisticated critiques of ideology by a continuing minority of Russian thinkers inspired by libertarian humanism Aileen Kelly sets the conflict between utopian and anti utopian traditions in Russian thought within the context of the shift in European

thought away from faith in universal systems and grand narratives of progress toward an acceptance of the role of chance and contingency in nature and history In the current age as we face the dilemma of how to prevent the erosion of faith in absolutes and final solutions from ending in moral nihilism we have much to learn from the struggles failures and insights of Russian thinkers Kelly says Her essays some of them tours de force that have appeared before as well as substantial new studies of Turgenev Herzen and the Signposts debate illuminate the insights of Russian intellectuals into the social and political consequences of ideas of such seminal Western thinkers as Schopenhauer Nietzsche and Darwin Russian Literature and Thought Series      **William James in Russian Culture** Joan Delaney Grossman,Ruth Rischin,2003-01-01 Editors Joan Grossman and Ruth Rischin pose to their contributors an intriguing question What happens when the ideas of a thinker like William James who despite his originality was deeply rooted in American traditions are refracted through a culture that draws on a heritage profoundly different from his own Including studies of reception and interpretation of James s major works and analyses of the impact of his own philosophy on certain Russian writers and thinkers William James in Russian Culture reveals striking parallels among and divergences between the intellectual and the spiritual realms      Russian Modernization Markku Kivinen,Brendan G. Humphreys,2020-11-29 Building on an original interpretation of social theory and an interdisciplinary approach this book creates a new paradigm in the Russian studies Taking a fresh view of Russia s multiple experiences of modernization it seeks to explain the Putin era in a completely new way This book explores the paradoxical and contradictory aspects of Russia analyzing the energy dependent economy and hybrid political regime but also religion welfare and culture and their often complex interrelations Written by a community of both Western and Russian scholars this book re affirms the value of social science when confronting a society that has undergone enormous and costly systematic changes The Russian elites see modernization narrowly as economic and technological competitiveness The contributors to this volume see contemporary Russia facing a series of antinomies which are macro level dilemmas that cannot be abolished either by philosophical mediation or by immediate political decisions As such they are the tension fields that constitute choices for various competing agencies This book will be of interest to scholars and students of Russian studies transition studies sociology social policy political science energy policy cultural studies and stratification studies Professionals involved in energy ecology and security policy will also find this publication a rich source      Russian Thought After Communism: The Rediscovery of a Philosophical Heritage James P. Scanlan,2016-09-16 An examination of Russia s philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole      **History Russian Philosophy V1 V.** Zenkovsy,2014-07-10 This Volume I of a History of Russian Philosophy originally published in 1953 based on the authors lectures to the Theological Institute in Paris They also explore Russian philosophic thought and how they relate to the theoretical constructions of Russian life      **Russian Worldview** Semyon Ludwigovich Frank,2024-03-30 Wealth without

 This is Not a Russian View of the World      The “Russian Idea” in International Relations Andrei P. Tsygankov, 2023-06-16  
 The Russian Idea in International Relations identifies different approaches within Russian Civilizational tradition Russia's nationally distinctive way of thinking by situating them within IR literature and connecting them to practices of the country's international relations Civilizational ideas in IR theory express states cultural identification and stress religious traditions social customs and economic and political values This book defines Russian civilizational ideas by two criteria the values they stress and their global ambitions The author identifies leading voices among those positioning Russia as an exceptional and globally significant system of values and traces their arguments across several centuries of the country's development In addition the author explains how and why Russian civilizational ideas rise fall and are replaced by alternative ideas The book identifies three schools of Russian civilizational thinking about international relations Slavophiles Communists and Eurasianists Each school focuses on Russia's distinctive spiritual social and geographic roots respectively Each one is internally divided between those claiming Russia's exceptionalism potentially resulting in regional autarchy or imperial expansion and those advocating the Russian Idea as global in its appeal Those favoring the latter perspective have stressed Russia's unique capacity for understanding different cultures and guarding the world against extremes of nationalism and hegemony in international relations This book will be of interest to students and scholars of Russian foreign policy Russia Western relations IR theory diplomatic studies political science and European history including the history of ideas      **The Palgrave Handbook of Russian Thought** Marina F. Bykova, Michael N. Forster, Lina Steiner, 2021-05-22  
 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country's history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country's changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration      Faith and Science in Russian Religious Thought Teresa Obolevitch, 2019-05-09  
 Faith and Science in Russian Religious Thought provides a comprehensive analysis of the relationship between science and faith in Russian religious thought Teresa Obolevitch offers a synthetic approach on the development of

the problem throughout the whole history of Russian thought starting from the medieval period and arriving in contemporary times She considers the relationship between science and religion in the eighteenth century the so called academic philosophy of the 19th and 20th century the thought of Peter Chaadaev the Slavophiles and in the most influential literature figures such as Fedor Dostoevsky and Lev Tolstoy The volume also analyses two channels of the formation of philosophy in the context of the relationship between theology and science in Russia The first is connected with the attempt to rationalize the truths of faith and is exemplified by Vladimir Soloviev and Nikolai Lossky the second with the apophatic tradition is presented by Pavel Florensky and Semen Frank The book then describes the relation to scientific knowledge in the thought of Lev Shestov Nikolai Berdyaev Sergius Bulgakov and Alexei Losev as well as the original project of Russian Cosmism on the examples of Nikolai Fedorov Konstantin Tsiolkovsky and Vladimir Vernadsky Obolevitch presents the current state of the discussion on this topic by paying attention to the Neoplatonic synthesis of Fr Georges Florovsky and his followers and offers the brief comparative analysis of the relationship between science and religion from the Western and Russian perspectives

*The End of Russian Philosophy* A. DeBlasio, Alyssa DeBlasio, 2014-11-27 *The End of Russian Philosophy* describes and evaluates the troubled state of Russian philosophical thought in the post Soviet decades The book suggests that in order to revive philosophy as a universal professional discipline in Russia it may be necessary for Russian philosophy to first do away with the messianic traditions of the 19th century

**Russian Philosophy, Volume 1** James M. Edie, 2025-03-14 Russian philosophy begins through the impregnation of the ancient Byzantine tradition of Old Russia by the Western thought of the French Enlightenment and then by German Romanticism The first original Russian philosopher Gregory Skovoroda the Russian Socrates was followed by the early philosophy of history and culture Alexander Radishchev and Peter Chasadayev The fateful break of Russian philosophers into two opposed camps of the Slavophiles was accomplished by the middle of the nineteenth century

**A History of Russian Economic Thought** Vincent Barnett, 2013-03-07 The collapse of the Union of Soviet Socialist Republic at the end of the 1980 s was conceived as a victory for capitalist democracy Here Vincent Barnett provides the first comprehensive account of the historical development of Russian and Soviet economic thought across the nineteenth and twentieth centuries and considers its future in the twenty first century Utilizing an extensive range of historical sources Barnett examines the different strands of thought including classical neoclassical historical socialist liberal and Marxian schools He traces their influence and the impact their ideas had on shaping policies An excellent addition to the Routledge History of Economic Thought series this book covers pre 1870 Tsarist economics the late Tsarist period the impact of the war Bolshevik economics Stalinist economics Russian economics after 1940 Incorporating a detailed timeline of the most significant Russian economists work and analyzing the effects of historical discontinuities on the institutional structure of Russian economics as a discipline Barnett delivers an essential text for postgraduates and professionals interested in economic history and the evolution of Russian economic thought

*A History of Russian Thought* William

Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history. Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today. This history examines important intellectual and cultural currents: the Enlightenment, nationalism, nihilism, and religious revival, and key themes: conceptions of the West and East, the common people, and attitudes to capitalism and natural science in Russian intellectual history. Concentrating on the Golden Age of Russian thought in the mid nineteenth century, the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras. With brief biographical details of over fifty key thinkers and an extensive bibliography, this book provides a fresh, comprehensive overview of Russian intellectual history.
