Remy Diederich, 2011-11 Do you find that you are your own worst enemy Are you your biggest critic Do others believe in you but you find yourself filled with doubt Why is that You are not alone in this Many of us do the same thing Why do we so often sabotage the success we long for The answer in a word is shame Shame plays a vital role in our lives and is often overlooked Shame can come from many things such as addiction and the hurts of our past How we deal with those issues can be the difference between healing and rising from the ashes as a more confident and powerful person to being stuck in the same old rut What do you want to do Are you reading to start dealing with the pain and find real healing This book is not a feel good story but a roll up your sleeves down and dirty look at the pain of shame F Remy Diederich helps you connect the dots to your self defeating behavior and then gives you practical how to advice about how a true understanding of God's love can free you to live the life you've always wanted If you have been searching for a way to find Christian counseling or addiction treatment or just repairing the damage that has been done by living with the lies and hurts of your past **Healing the Hurts of Your Past** is a powerful first step to freedom **From "Worster" to the Process of Healing** Milton Burgess, 2018-12-07 From **Worster** to the Process of Healing is a journey through the life of individuals who have found themselves in a state of brokenness that has risen in all human beings because of the fall in the Garden of Eden The fall has manifested itself in all areas of life which oftentimes gives rise to dysfunction in the lives of many families This book seeks to look at the lives of some prominent characters in biblical history and trace their

journey and to see the many serious acts they made as a result of their sinful nature What is so interesting is that their actions affected not only their lives but also the lives of many generations As we journey through the process of wounded lives this book looks at various clinicians and their approaches to bring healing to wounded persons What we may find interesting is that the community of faith has a vital role to play in the healing of the wounded and broken individual This book does not seek to be the final source of one's solutions to health but seeks to be hopefully a source that one may gain further insight into the process of healing or wellness
