

SECULAR LIVES, SACRED HEARTS

Secular Lives, Sacred Hearts contends that the traditional sociological view of secular Britain is misleading. The Church would understand its contemporary ministry and mission better, Alan Billings suggests, if it thought of the nation as 'culturally Christian'.

He encourages clergy and laity alike to take seriously those occasions when ministry is sought – such as baptisms, weddings and funerals – and to ponder what it is that 'cultural Christians' are looking for. Offering some clues based on small-scale research done in his own community, he argues for a recovery of the idea of the parish church as a sacred building, a focus of meaning and service for all within its boundaries.

Praise for the author's previous book, *Dying and Grieving: A Guide to Pastoral Ministry*:

'The important achievement of this book is to establish this cultural context [the changes in British society over the past 50 years] as the necessary ground for the good pastoral guidance it then offers.'

Church Times

'... a welcome addition to the field of pastoral care in the context of death, dying and funerals... I thoroughly recommend it.'

Secular Lives Sacred Hearts:

SECULAR LIVES, SACRED HEARTS: THE ROLE OF THE CHURCH IN A TIME OF NO RELIGION. ALAN. BILLINGS, 2004

Secular Lives, Sacred Hearts Alan Billings, 2004 *Secular Lives Sacred Hearts* contends that the traditional sociological account of secular Britain is misleading and that we should learn to think in terms of the nation being culturally Christian. The church should therefore take seriously those occasions when ministry is sought such as baptisms weddings and funerals and try to puzzle out what it is that people are seeking. Offering some clues based on small scale research done in his own parish the author argues for a recovery of the idea of the local church as a parish church concerned for all within its boundaries.

A Short History of Secularism Graeme Smith, 2007-11-28 What does it mean to call Western society secular? What is secularism? And how should we understand the concept of secularism in international relations particularly the clash between radical Islam and the West? The Latin term from which the word secular is derived *saeculum* means generation or age and came to mean that which belongs to this life to the here and now in this world. It is widely used as a shorthand for the ideology which shapes contemporary society without reference to the divine. However according to Graeme Smith secularism represents a great deal more. He offers a radical reappraisal of the notion of secularism and its history beginning with the Greeks and proceeding to modernity and the contemporary period. The assumption that the West is becoming increasingly secular is often unquestioned. By contrast Dr Smith discerns a different kind of society one informed by a historical legacy which makes sense only when it is appreciated that it is religious. Secularism was born of Christianity. Daringly and very originally Smith argues that it is impossible to understand the idea of the secular without appreciating that at root it is Christian. *A Short History of Secularism* will fundamentally reshape discussions of western culture religion and politics. It will have strong appeal to students of religion political philosophy and the history of ideas.

Truth that Never Dies Nigel G Wright, 2015-03-26 The Dr G R Beasley Murray Memorial Lectures were delivered annually between 2002 and 2012 with the aim of extending the legacy of this significant New Testament scholar and church leader into the twenty first century. Themes addressed include baptism ministry preaching mission and theological faithfulness. Having first been delivered at the annual Assembly of the Baptist Union of Great Britain the lectures in this volume are now made available to a wider audience and will be of interest to church leaders across the denominations and across the world and not least to those who stand in Beasley Murray's own Baptist tradition. George Beasley Murray died in 2000. The lectures cover a wide range of topics from baptism to missions from Evangelical identity to preaching. The lecturers are Paul Beasley Murray former Principal of Spurgeon's College David Coffey former President of the Baptist Union and of the Baptist World Alliance John E Colwell Pastor of Budleigh Salterton Baptist Church Anthony R Cross Emeritus Director of the Centre for Baptist History and Heritage Oxford Ruth M B Gouldbourne former Tutor in Church History at Bristol Baptist College Stephen R Holmes Senior Lecturer at the University of St Andrews Mark Hopkins Associate Professor of Church History Theological College of

Making God Possible Alan Billings, 2011-09-22 What are clergy for In this lively and provocative volume Alan Billings argues that they serve the mission and ministry of the Church which is to make God possible In each new era how to carry out this mission effectively will vary as the Church seeks to respond to changes in society and culture but it is likely to involve clergy in a refocusing of their ministry Part 1 of Making God Possible looks at recent cultural shifts and the challenges they present to Christianity in the twenty first century Part 2 explores some of the models of ministry which have been found in the Church in the past and which continue to exercise an influence classical the parson evangelical the minister catholic the priest and utility the social activist and personal therapist The author skilfully draws out those things of lasting importance and value in each model that might contribute towards the renewal of the ordained ministry today

Worship that Cares Mark Earey, 2013-01-03 An introduction to the principles and skills of pastoral liturgy Inter denominational this text can be used across different Christian traditions in both formal and informal contexts and to meet traditional and non traditional pastoral needs

Approaches to Monasticism in the Context of Christian Responses to Modern Culture Kevin Maddy, 2022-06-20 Approaches to Monasticism in the Context of Christian Responses to Modern Culture is a study of how the values and practices of monasticism are being shaped by the shift to a cultural understanding of Christianity in modern times The values and practices of traditional monasticism are contrasted with those of various expressions of new monasticism against the background of a multicultural and fluid social environment in an effort to find some reciprocal illumination The study aims to describe monasticism in terms of authenticity and lived religion Kevin Maddy was educated at Cambridge University and has recently completed a PhD at Radboud University Nijmegen He currently works in Canterbury as an Anglican parish priest and is a probationary member of the Society of the Resurrection

A Rite on the Edge Sarah Lawrence, 2019 When it comes to baptism there is a profound disconnect between what churches and clergy understand it to mean and the understanding of those non churchgoing families seeking the rite for their children Clergy and regular churchgoers feel that the church is being used and abused by families seeking a baptism when they perceive them to be looking for just an excuse for a party On the other hand families seeking a christening in their local churches are baffled by the lack of enthusiasm and encouragement they find when they approach their local church Using a new interdisciplinary approach to practical theology A Rite on the Edge reflects theologically on the findings of research conducted by Sarah Lawrence into baptism in the Church of England and in English culture more widely using insights and research methods from corpus linguistics It offers a profound challenge for those struggling to comprehend how outsiders understand baptism More fundamentally it asks how the Church of England can remain present and available for all at a time of heightened tensions and confused expectations about who the church is for

The Sociology of Religion Grace Davie, 2007-05-09 Grace Davie is one of the best analysts of religion in contemporary sociology This book caps a distinguished record of studies of religion first of Britain then of Europe then globally This is a magisterial work which should be read by anyone interested in the place of religion in the modern world Peter L Berger Boston University This book offers both an expert survey of contemporary sociology of religion and the personal reflections of one of the leading scholars in the field Grace Davie is a good model for students and their teachers she is clear engaging and fair minded but unafraid to express a point of view David Voas University of Manchester Grace Davie has written a book about what is currently happening in the sociology of religion which is clear accessible devoid of jargon and authoritative Though addressed to the educated reader it also provides an ideal text for students If you want expert guidance about what is going on in the sociology of religion and to have useful indications about what is going on in religion on the global scene this book does the job extremely well

Theology Why is religion still important Can we be fully modern and fully religious The Sociology of

Religion works at two levels First it sets out the agenda covering the key questions in the sociology of religion today At the same time it interrogates this agenda asking if the sociology of religion as we currently know it is fit for purpose If not what is to be done This book describes the origins of the sociology of religion demystifies secularization as a process and a theory relates religion to modern social theory unpacks the meaning of religion in relation to modernity and globalization grasps the methodological challenges in the field provides a comparative perspective for religions in the west introduces questions of minorities and margins sets out a critical agenda for debate and research In a single volume Grace Davie captures the nature and forms of modern religion the current debates in the field and the prospects for future development **Creating Space**

Sacha Pearce, Jan Collis, 2022-03-15 *Creating Space* models the way in which practice development emerges from reflecting on the human story and reveals to healthcare the Church and the community the unique role of the chaplain s experiences as a resource to others **Thinking Again About Marriage**

John Bradbury, Susannah Cornwall, 2016-02-28 What is involved in the practice of thinking theologically about marriage Key writers and thinkers offer an informed considered and constructive guide to a number of central questions including Mike Highton on marriage gender and Christian doctrine Charlotte Metheun on what we can learn from the history of marriage Ben Fulford on thinking about marriage with scripture Julie Gittoes on the liturgical theology of marriage John Bradbury on marriage as vocation Brett Gray on reproduction and the body s grace Susannah Cornwall on being faithful to our sexuate bodies Rachel Muers on developing a contemporary theology of marriage and much more Reflecting a broad theological and ecclesiological spectrum within the Christian tradition *Thinking Again About Marriage* offers a vital resource for critical thinking and reflective practice *Church Planting in Europe*

Evert Van de Poll, Joanne Appleton, 2015-05-28 Church leaders and those who endeavor to plant new churches in Europe today face tremendous challenges not least because the church itself is considered by many to be outdated irrelevant or even an abusive sect Drawing on a wealth of experience *Church Planting in Europe* helps to answer the question of how churches can become more relevant to the societies in which they exist From biblical and missiological reflections to case studies and practical examples the book gives insights into many of the key issues that church planters and those concerned with missionary renewal of existing churches are grappling with Special attention is paid to the sociocultural and religious characteristics of Europe which is marked by secularization new forms of spirituality and a unique Christian heritage asking what are typical barriers and bridges for the communication of the gospel The contributors represent a wide variety of backgrounds and contexts across Europe and this is reflected in the breadth of topics covered The chapters were presented during the Mission in Europe Symposium in Belgium July 2014 and the highlights of the discussions afterwards are also included The result is a valuable resource for church leaders mission practitioners and theologians alike

Everyday Public Worship Susan H. Jones, 2019-04-30 Public worship is core to the Church s identity public worship nurtures and shapes the faithful public worship plays a central role in forming new disciples public worship is the shop

window through which those on the outside may see the Church at work public worship in the form of baptisms weddings and funerals may reach out into the wider community in acts of service and mission Everyday Public Worship has been designed to engage with the ordinary experience and ordinary theology of Christian disciples as they work to develop and deepen their discipleship learning In so doing it links the reader s everyday experience with the key influences that have shaped the Church s understanding of public worship with the Scriptures with Christian doctrine with Church history and with the landmarks in Christian liturgy The book explores the themes raised by a serious and thoughtful consideration of public worship by engaging in conversation with three Christian disciples who came from very different backgrounds and who have very different experiences of and expectations for public worship *The Dove, the Fig-Leaf and the Sword* Alan Billings, 2014-05-15

Why does the pacifist movement of the first few centuries so quickly become an organization that supports emperors and finds reasons for fighting What leads the Church to formulate just war principles only to abandon them when in pursuit of heretics and infidels What impact did two world wars have on Christian thinking Why have the churches in more recent years and a more secular age apparently taken a more cautious approach to war These are the sort of questions this absorbing book sets out to answer It makes a unique and intriguing contribution to the literature published to mark the centenary of the outbreak of the Great War in August 2014 *Lost Church* Alan Billings, 2013-01-17 In trying to understand the relationship of the British people to religion specifically Christianity we tend to say that people believe or do not attend or do not The argument of *Lost Church* is that the majority of people do not really fit either of these categories Rather they belong in the sense that they feel some affinity to Christianity and the Church they are not hostile to its ministers they do not find churches alien places to be and they turn to the Church and its clergy on specific occasions But they do not want to attend regularly and their beliefs may be incoherent or even nonexistent and often flicker on and off like a badly wired lamp This absorbing and encouraging volume is a call to lay Christians and clergy to take stock of what is happening and to recover an understanding of the Church that will not alienate those who belong but rather enable ministry to them to continue
