Fernsehen: Europäische Perspektiven Elizabeth Prommer, Susanne Eichner, 2014-10-01 Für den vorliegenden zweisprachigen Band deutsch englisch haben sich Wissenschaftlerinnen und Wissenschaftler aus acht europäischen Ländern mit den Produktionskontexten der Entwicklung von neuen Genres und einer neuen Fernsehästhetik aber auch mit Publikumperspektiven beschäftigt um so eine Vielfalt an europäischen Perspektiven auf das alte und gleichzeitig neue Medium Fernsehen zu bieten Vor dem Hintergrund von Digitalisierung Globalisierung Second und Multi Screen Umgebungen und der steigenden zeitlichen und räumlichen Verfügbarkeit der bewegten Bilder schreibt sich das Fernsehen mit seinen multiplen Facetten kontinuierlich weiter Es reflektiert dabei aktuelle gesellschaftliche Entwicklungen und verleiht diese ein Das Fernsehen mit seiner populären Anziehungskraft ist dabei sowohl nationales als auch transnationales Phänomen Dies ist Anlass sich mit dem Medium Fernsehen aus einer aktuellen und europäischen Perspektive zu beschäftigen **The Handbook of European Communication History** Klaus Arnold, Paschal Preston, Susanne Kinnebrock, 2019-10-15 A groundbreaking handbook that takes a cross national approach to the media history of Europe of the past 100 years The Handbook of European Communication History is a definitive and authoritative handbook that fills a gap in the literature to provide a coherent and chronological history of mass media public communication and journalism in Europe from 1900 to the late 20th century With contributions from teams of scholars and members of the European Communication Research and Education Association the Handbook explores media innovations major changes and developments in the media systems that affected public communication as well as societies and culture The contributors also examine the general trends of communication history and review debates related to media development To ensure a transnational approach to the topic the

majority of chapters are written not by a single author but by international teams formed around one or more lead authors. The Handbook goes beyond national perspectives and provides a basis for more cross national treatments of historical developments in the field of mediated communication. Indeed this important Handbook Offers fresh insights on the development of media alongside key differences between countries regions or media systems over the past century. Takes a fresh cross national approach to European media history. Contains contributions from leading international scholars in this rapidly evolving area of study. Explores the major innovations key developments differing trends and the important debates concerning the media in the European setting. Written for students and academics of communication and media studies as well as media professionals. The Handbook of European Communication History covers European media from 1900 with the emergence of the popular press to the professionalization of journalists and the first wave of multimedia with the advent of film and radio broadcasting through the rapid growth of the Internet and digital media since the late 20th century.

The End of Television? Elihu Katz, Paddy Scannell, 2009-09-17 Is television dead? The classic television era of the 1950s and 1960s characterized by limited choices of programs broadcast on over the air channels to families as if they were seated around a hearth and to a nation as if gathered around a campfire has indeed ended. That early stage of sharedness and scarcity gave way to the television of plenty when satellite and cable and competition reigned choice was suddenly expanded and every room in the home had its own television set. And now television offers infinite choices where we can view what we like when we like where we like on a variety of screens telephones and Web sites. Some researchers assert that television is not dead but has merely moved from a collectivist to an individualist phase. Throughout the drastic evolution of this media thousands of studies have examined the short term effects of television such as the evaluation of persuasion campaigns. Yet there is scant research on the overreaching sociological impacts of television and its centrality to Western culture over the past 60 years. This compelling volume of *The ANNALS* is the first collection of rigorous articles devoted to studying ways in which television has impacted our values ideologies institutions social structure and culture. Focusing on classic television these leading experts in media studies delve into the effects on social institutions namely family and politics and its effects on values and everyday behavior. These seminal articles lay the groundwork for innovative studies of the numerous ways that television has impacted democracy social integration nation and family trust and suspiciousness materialism and identity social and physical. Students and researchers will find a wealth of inspiration for new research projects. It is a must have resource for social scientists interested in media studies.

An Introduction to Television Studies Jonathan Bignell, 2013. *An Introduction to Television Studies* is a comprehensive introduction to the field.
