Walk in Her Sandals Kelly M. Wahlquist, 2016-10-10 Pray in a new and creative way this Lent by joining the women of WINE Women In the New Evangelization on a journey through Christ's passion, death and resurrection. What if you could have been a witness to the events of the last days of Jesus' life walking with him as he entered Jerusalem, observing his crucifixion and embracing him on Easter? Walk in Her Sandals edited by popular Catholic author and speaker Kelly M. Wahlquist takes you deeper into your relationship with Jesus by helping you relate to him in a profoundly intimate way. Looking at six universal gifts of women through the eyes of women in the gospels, the book guides you on a prayerful and creative journey through the days of Holy Week, Easter and Pentecost. As you imagine the experience of the women who met Jesus, you will discover how each of them expressed one of six distinctive feminine gifts identified in the writings of St. John Paul II. Through the eyes of an imagined woman who watched Jesus' entry into Jerusalem, you will understand how she conveyed the gift of receptivity. Through the hands of Veronica who reached out to wipe the face of Jesus, you will discover how sensitivity is present and can grow in your own life. These gifts, along with generosity, prayer, maternity and the Holy Spirit, come to life through the vivid portrayal of women who walked with Jesus. Their imagined stories are complemented by the real accounts of contemporary women who share their own stories of receiving and cultivating these gifts. Walk in Her Sandals is a collaborative effort edited by Wahlquist with contributions from twelve leading Catholic women writers, all of whom are associated with the organization she founded, WINE Women In the New Evangelization. The contributors will help you break open the scripture, reflect upon it and apply it to your own life and share those insights in a small group setting through the use of questions and challenges. Each chapter unfolds in eight movements. A Moment to Ponder Wahlquist sets the stage for the theme of that chapter. Entering the Scripture Sarah Christmyer, codeveloper of The Great Adventure Catholic Bible Study, reveals the riches of the scripture that corresponds with the day, both in the biblical narrative and in the liturgical year. Walk in Her Sandals Stephanie Landsem, author of the biblical fiction series The Living Water, draws you into the story and allows you to experience what it may have been like for women who lived and walked with Jesus. Unwrapping the Gift Catholic author, speaker and faith formation leader Pat Gohn shows how each woman demonstrates a particular feminine gift and invites you to nurture that gift in yourself and understand anew the beauty of your dignity and vocation. Reflect on the Meaning Writers including CatholicMom.com founder Lisa M. Hendey and popular media personality Teresa Tomeo offer insight, encouragement and inspiration for your own journey through their personal stories. Lectio and Meditatio A prayerful reading of the scripture and a guided meditation to draw you more deeply into an intimate relationship with Jesus. Questions for Group Discussion Carol Younger, senior fellow at the St. Paul Center for Biblical Theology, offers a helpful tool to share your experience with other women. Walking in the New Evangelization Wahlquist offers two ways to contribute to the New Evangelization: first by growing in your contemplative spiritual life and then by giving you practical suggestions to enhance your active spiritual life. Walk in Her Sandals will allow you to enter more fully into life in Christ by praying over his

passion death and resurrection It will help you experience a conversion of heart and recognize your own giftedness

With Fresh Eyes Karen Wingate, 2021-10-26 What miracles do we miss when we close our eyes to the wonder of everyday moments In this busy jaded world of ours we often take for granted what we see every day We may set aside time to spend with God in a quiet room but we struggle to see his hand in a traffic jam or while walking the dog But for Karen Wingate sight itself is something extraordinary and what our eyes can reveal is even more astounding Karen lived most of her life with severely limited sight due to a cluster of disorders

stemming from a genetic defect But through the chance outcome of a surgery she regained sight in one eye that doubled her visual acuity and allowed her to see things she had never seen before And as she discovered a more detailed world for the first time she also began to see God in every new discovery from the prosaic numbers of a bathroom scale to the glory of sunsets With Fresh Eyes invites readers to not only celebrate the gift of their own sight but also reawaken the wonder of what they observe in creation great and small and how God is working in everyday moments In each of her sixty meditations Karen s humor and whimsy draw a connection between physical sight and spiritual understanding that will leave readers with a renewed joy and delight in what is good and beautiful and will reassure them that God still works in the lives of his people
