Seek My Face William A. William A. Barry, 1994 In this book Father William Barry an experienced spiritual guide has given names to some of the desires people bring to prayer All of them in some way have to do with relationship People say I want to know God better or I want to be certain God loves me In short chapters that follow a sequential pattern Barry explores fifteen such desires

Seven Last Words for Seven Weeks Mary Sweeney, 2007 Beginning with the week of Ash Wednesday this book invites the busy Christian to set aside time each day for prayer and reflection on the last words of Jesus **Praying the Truth** William A. Barry, 2012-01-01 In **Praying the Truth** Deepening Your Friendship with God through Honest Prayer William A Barry SJ helps us deepen our friendship with God by examining how to approach God at any time and with any problem in complete honesty Fr Barry reflects on how secrecy can hurt families the Church and ourselves and how what we are keeping secret can get in the way of our connection with God He acknowledges that we may fear God's reaction when revealing our most intimate truths but just like with friendships we risk not developing our relationship with God if we are dishonest about who we are and how we feel God's Passionate Desire William A. Barry, 2011-09-29 Fr William Barry SJ believes that God wants an intimate relationship with each one of us and that the deepest desire of our own hearts is to have an intimate relationship with God Yet while we pursue this desire for a relationship with God we also resist it which can lead to a painful stagnancy

How can we move forward In God's Passionate Desire Fr Barry serves as our spiritual director leading us on a series of brief retreats to help us understand the foundations of our relationship with God what threatens it and how we can continuously move forward into a closer and more meaningful relationship with God In his warm conversational style Barry offers meditations poses questions and gently encourages us to respond to God's immeasurable love by following what is truly in each of our hearts a longing for a relationship with God What Matters Most and Why Jim Manney, 2022-11-08 Makes a five hundred year old wisdom tradition accessible to contemporary readers seeking daily guidance on life and how to live it How can I find meaning and joy How can I think clearly What's valuable in life and what's irrelevant How do we manage anger What can we do about envy laziness resentment How do I know what matters most What do I really want These are the questions that lie at the heart of Ignatian spirituality the five hundred year old wisdom tradition that has shown leaders seekers and doers the way to live a better life The daily readings in this book emphasize answers to pressing questions about

satisfaction in work and relationships St Ignatius and his friends believed that God is found in all things and love is best expressed in deeds rather than words The Ignatian way is profoundly practical It guides us through the great challenge of life finding God and finding our place in God s work to save and heal the world **Director's Guide to Place Me with Your**

William A. Barry,2009-03-01 Live in the love of a God who desires a relationship with you Throughout A Friendship Like No Other renowned spiritual director William A Barry SJ explores the premise that God wants to relate to us as a close friend Barry has contemplated this idea radical for many Christians throughout his lifetime and he explains that it actually traces back to the developing revelation of God contained in the Bible A Friendship Like No Other offers three well supported and practical sections prayerful exercises to help lead you to the conviction that God wants your friendship a close look at objections to this idea and reflections on experiencing the presence of God and discerning those experiences Brief personal meditations are woven throughout Grounded in biblical tradition and with a clear focus on Ignatian spirituality this book offers a fresh heart changing approach to living joyfully in the freedom of the divine embrace *Affirming the Touch of God*

Howard,2000-08-02 Both Ignatius of Loyola and Jonathan Edwards wrote about the theme of Christian discernment Evan B Howard clarifies patterns of Christian discernment common to both Roman Catholics and Protestants Yet his study extends analysis further through a synthesis of cognitive psychology and religious philosophy Howard provides greater specification of the roles of affectivity in discernment This will allow spiritual advisors to better guide men and women into an effective discernment process Psychologists philosophers and students of religion will find this book highly valuable
