Seignorial Administration in England N. Denholm-Young, 1963 *Seignorial Administration in England* Noël Denholm-Young, 1937 **Seignorial Administration in England** N. Denholm-Young, 1963 Accounting History Newsletter, 1980-1989 and Accounting History, 1989-1994 Garry D. Carnegie, P. W. Wolnizer, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **The English Nobility in the Late Middle Ages** Chris Given-Wilson, 2002-11 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **Punishing the dead?** R. A. Houston, 2010-08-05 What can we learn from suicide that most personal and often inscrutable of acts This strikingly original work shows how from treatment of suicides in historic Britain unique insights can be gained into the development of both social and political relationships and cultural attitudes in a period of profound change Drawing ideas from a range of disciplines including law philosophy the social sciences and literary studies as well as history the book comprehensively analyses how successful and attempted suicide was viewed by the living and how they dealt with its aftermath using a wide variety of legal fiscal and literary sources By investigating the distinctive institutional environments and mental worlds of early modern England and Scotland it explains why suicide was treated as a crime subject to financial and corporal punishments and it questions modern assumptions about the apparent enlightenment of attitudes in the eighteenth century The book is divided into two parts Part one examines the role of lordship in managing social and economic relationships following suicide and illuminates the importance of distinctive punishments inflicted on suicides bodies for understanding historic communities The second part of the book places suicide in its cultural context analysing the attitudes of early modern people to those who killed themselves It explores religious beliefs and the place of the devil as well as secular and medical understandings of suicide s causes in sources that include provincial newspapers Informed by continental as well as British research Punishing the Dead explicitly compares England and Scotland making this a completely British history It also offers intriguing evidence for the importance of cultural regions and local vernaculars that transcend national boundaries **The Balliol Dynasty** Amanda Beam, 2008-05-19 This study examines the political ambitions and influences of the Balliol dynasty in the thirteenth and fourteenth centuries in Scotland England and France The generally accepted opinion in previous historiography was that John II king of Scots from 1292 to 1296 and Edward Balliol d 1364 were politically weak men and unsuccessful kings In a reassessment of the patriarch of the family John I d 1268 the Balliols are revealed as committed English lords and loyal servants of the kings of England underlining how the family has been unfairly judged for centuries by both chroniclers and historians who have assessed them as Scottish kings rather than as English lords Despite the forfeiture of the Balliol estates in England and Scotland in 1296 John II and Edward retained close relationships with the successive English kings and used these connections to fuel their political ambitions Their kingships illustrate their desires to recover some influence in English politics which the family had enjoyed in the mid

thirteenth century This re evaluation of the Balliols highlights their relationship with the English crown

The Bigod Earls of Norfolk in the Thirteenth Century Marc Morris, 2005 Study of one of the most influential aristocratic families of medieval England The Bigods were one of the most powerful and important families in thirteenth century England They are chiefly remembered for their dramatic interventions in high politics Roger III Bigod c 1209 70 famously led the march on Westminster Hall in 1258 against Henry III while Roger IV Bigod 1245 1306 confronted Edward I in 1297 in similar fashion This book is the first full scale study of these two earls and explores in depth the reasons that led each of them to take the extreme step of confronting his king It is only in part however a political study In seeking to understand the motives that lay behind their public actions the book scrutinizes the earls private affairs It establishes for the first time the precise extent of their landed estate the size of their incomes and the membership and quality of their affinities It also examines their relationships with friends and relatives their building works and even their personalities Extensive use is made throughout of unpublished manuscript sources in particular the hundreds of ministers accounts that have survived from the administration of Roger IV Bigod and the charters given by both earls which are calendared and translated in an appendix

Annual Bibliography of English Language and Literature, *A Hertfordshire Domesday of Westminster Abbey* Derek Vincent Stern, 2000 This pioneering contribution to the economic history of medieval England focuses on the Hertfordshire demesne farm of Kinsbourne later Herpendenbury and questions whether the farm's periods of economic success and failure were due to human factors or to the forces of nature Originally written as a doctoral thesis in 1978 the history has now been edited and published as a memorial to its author who died in 1993 The detailed study is based on the meticulous analysis of numerous primary sources which the author concludes suggest that the weather had little impact on the efficiency or otherwise of the manor's management accountancy or exploitation of the market A lengthy introduction places the work within the context of meteorological debate and regional history

Medieval law in context Anthony Musson, 2020-01-03 Examines how medieval people at all social levels thought about law justice and politics as well as their role in society Provides a clear structured view of judicial developments and experience of litigation in the thirteenth and fourteenth centuries Offers a new perspective on both law and politics by focusing on the medium of legal consciousness and legal culture Makes the specialised area of law accessible for the general reader interested in the medieval period

The Commercialisation of English Society, 1000-1500 R. H. Britnell, 1996 The commercialisation of English society offers a major new interpretation of social and economic change in England over five centuries By 1500 English livelihoods depended more upon money and commercial transactions than ever before the institutional framework of markets had been transformed and urban development was more pronounced These changes were not however caused by any unilinear development of population output or money supply This pioneering study examines both institutional and economic transformation and the social changes that resulted and stresses the limited importance of formal trading institutions for the development of local trade Commercial transition is

throughout analysed from a broader perspective that looks at the changing power relations within medieval society which might loosely be described as feudal and considers how these relations were affected by such commercial development

Annual Bibliography of English Language Literature , **The Cambridge Economic History of Europe from the Decline of the Roman Empire: Volume 1, Agrarian Life of the Middle Ages** Sir John Harold Clapham, M. M.

Postan, Eileen Power, 1941 Volume I of The Cambridge Economic History of Europe is a survey of agrarian life in Roman and Byzantine Europe *The Routledge Companion to Accounting History* John Richard Edwards, Stephen P. Walker, 2009-05-07

The Routledge Companion to Accounting History shows how the seemingly innocuous practice of accounting has pervaded human existence in fascinating ways at numerous times and places from ancient civilisations to the modern day and from the personal to the political Placing the history of accounting in context with other fields of study the collection gives invaluable insights to subjects such as the rise of capitalism the control of labour gender and family relationships racial exploitation the functioning of the state and the pursuit of military conflict An engaging and comprehensive overview also examining geographical differences this Companion is split into key sections which explore changing technologies used to represent financial and other data historical development of accounting theory and practice accounting institutions and those who perform accounting accountancy and the economy accounting society and culture the role of accounting in the government protection and financing of states including chapters on the important role played by accountancy in religious organizations a review of how the discipline is portrayed in fine art and popular culture and analysis of sharp practice and corporate scandals The Routledge Companion to Accounting History has a breadth of coverage that is unmatched in this growing area of study Bringing together leading writers in the field this is an essential reference work for any student of accounting business and management and history England's Jewish Solution Robin R. Mundill, 1998 A detailed study of Jewish settlement and of seven different Jewish communities in England 1262-90

William Marshal David Crouch, 2014-05-22 Ruthless opportunist astute courtier manipulative politician and brutal efficient soldier this is William Marshal as portrayed by David Crouch in his widely acclaimed biography of the Marshal With the new translation of the contemporary epic poem *Histoire de Guillaume de Mareschal* and newly discovered documents David Crouch has substantively reworked and expanded his original volume Now fully illustrated this second edition represents a complete reappraisal of the career and character of this remarkable man and provides a riveting account of the realities of aristocratic life in the age of chivalry **The Shaping of a**

Community Beat A. Kümin, 2016-12-05 This book offers a new perspective to the current debate about popular religious attitudes in Tudor England laying particular emphasis on the social and secular dimensions of parish life The argument focuses on the role of the laity and especially on the office of churchwarden It assesses the rising levels of parish income the importance of the social context for fund raising strategies and the growing expenditure on priests voluntary activities and administrative duties The final part discusses the Reformation related reduction in religious options and the intensifying

trend towards oligarchical parish regimes and official local government responsibilities Wherever possible the English situation is put into sharper focus by comparisons with local ecclesiastical life on the Continent and appendices provide a detailed financial analysis for a large number of parishes **Challenges to Authority and the Recognition of Rights** Catharine MacMillan, Charlotte Smith, 2018-08-16 A unique volume demonstrating how law changes by reason of challenges to authority which seek the recognition of rights **The Middle English Book** Michael Johnston, 2023 A new account of Middle English book production and circulation that analyzes 202 literary manuscripts from late medieval England 1350 1500 to show how the production of documents underscored the wide availability of literary copying

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
