Selected And New Poems 1950 198:

Contemporary American Poetry Lloyd M. Davis, 1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 **Becoming Poetry** Jay Rogoff, 2023-11-15 Winner of the Lewis P Simpson Award In *Becoming Poetry* Jay Rogoff closely inspects the work of two dozen poets his forebears and his contemporaries to reveal how their poetry achieves its impact upon readers His essays drawn from more than twenty years of literary criticism explore how the staying power of a poet's work and the likelihood of its enjoying a lasting identification with its creator depend on the skilled manipulation of poetic technique Considering how poetry can manifest a vividly conceived world of feeling and sensation Rogoff maintains that we understand and evaluate poets by the sum of their most persuasive inventive strategies including their attention to form The poet finally constructs a uniquely imagined universe and thus in the minds of readers becomes the poetry A model of practical criticism intended for enthusiasts at all levels *Becoming Poetry* demystifies how poetry operates on its audience to create a virtual affective experience of lasting power and value **The National Union Catalog,**

Pre-1956 Imprints , 1974 Hereditas Frederic Will, 2014-07-03 Is Ancient Greece still meaningful to the twenty first century world The vitality of the classical tradition which has been a long enduring and important element in our culture is the concern of the seven scholars who in this book present their answers to this question In various ways their essays support editor Frederic Will's statement that the complex and mature group of awarenesses embodied in the classical tradition still help to maintain the continuity of human culture thus sharing in the unbroken process of developing a Western civilization These awarenesses are not self-perpetuating but must be sustained by the guardians of tradition schools literary creators and critics libraries and scholars In this book particular attention is devoted to the literary creators In discussing the impact of Greek myth Greek literature and Greek philosophy on modern writers the present essayists try to determine how alive Greek classical culture is today how meaningful it is and how it can be perpetuated Through their presentations in these seven essays the contributors prove that the tradition does not suffer from lack of able guardians These studies in the interpretation of literature and thought afford stimulating evidence that the classical tradition is still alive in our modern age

The Other Sylvia Plath Tracy Brain, 2014-07-22 Despite being widely studied on both undergraduate and postgraduate courses the writing of Sylvia Plath has been relatively neglected in relation to the attention given to her life and what drove her to suicide Tracy Brain aims to remedy this by introducing completely new approaches to Plath's writing taking the studies away from the familiar concentration to reveal that Plath as a writer was concerned with a much wider range of important cultural and political topics Unlike most of the existing literary criticism it shifts the focus away from biographical readings and encompasses the full range of Plath's poetry prose journals and letters using a variety of critical methods

Sandra Lee Kleppe, Angela Sorby, 2022-08-23 This edited collection offers educators at all levels a range of practical and theoretical approaches to teaching poetry in the context of environmental sustainability The contributors are keenly aware of the urgency facing the planet s ecosystems ecosystems which include all of us and this volume makes the case that teaching poetry is not a luxury Each of the book s three sections works from a specific angle and register Part I focuses on pragmatic approaches to classroom activities and curricular choices Part II considers policies and politics including the role of the UN s Education for Sustainable Development ESD program and Part III takes a widescreen view exploring the philosophical issues that arise when poems are integrated into sustainability curricula This book exemplifies how poetry empowers readers to think imaginatively about how to sustain and why to sustain our world its resources and its beauty Annotating Modernism

Amanda Golden, 2020-05-04 Making extensive use of archival materials by Sylvia Plath John Berryman and Anne Sexton Amanda Golden reframes the relationship between modernism and midcentury poetry While Golden situates her book among other materialist histories of modernism she moves beyond the examination of published works to address poets annotations in their personal copies of modernist texts A consideration of the dynamics of literary influence Annotating Modernism analyzes the teaching strategies of midcentury poets and the ways they read modernists like T S Eliot James Joyce Ezra Pound Virginia Woolf and W B Yeats Situated within a larger rethinking of modernism Golden s study illustrates the role of midcentury poets in shaping modernist discourse **Stubborn Poetries** Peter Quartermain, 2013-06-25 Stubborn Poetries is a study of poets whose work because of its difficulty or simple resistance to conventional explication remains more or less firmly outside the canon Book jacket **East European Accessions Index** , 1954 Standard Catalog for High School Libraries H.W. fiction pamphlets etc which are included in the 1st ed and its supplement 1926 29 *Fate of the Flesh* Daniel Juan Gil, 2021-01-05 In the seventeenth century the ancient hope for the physical resurrection of the body and its flesh began an unexpected second life as critical theory challenging the notion of an autonomous self and driving early modern avant garde poetry As an emerging empirical scientific world view and a rising Cartesian dualist ontology transformed the ancient hope for the resurrection of the flesh into the fantasy of a soul or mind living on separately from any body literature complicated the terms of the debate Such poets as Donne Herbert Vaughan and Jonson picked up the discarded idea of the resurrection of the flesh and bent it from an apocalyptic future into the here and now to imagine the self already infused with the strange vibrant materiality of the resurrection body Fate of the Flesh explores what happens when seventeenth century poets posit a resurrection body within the historical person These poets see the resurrection body as the precondition for the social person

s identities and forms of agency and yet as deeply other to all such identities and agencies an alien within the self that both enables and undercuts life as a social person This perspective leads seventeenth century poets to a compelling awareness of the unsettling materiality within the heart of the self and allows them to re imagine agency selfhood and the natural world in its light By developing a poetics that seeks a deranging materiality within the self these poets anticipate twentieth century avant garde poetics They frame their poems neither as simple representation nor as beautiful objects but as a form of social praxis that creates new communities of readers and writers assembled around a new experience of self as body mediated by poetry **Monthly Bulletin of the Public Library of the District of Columbia** District of Columbia. American Jewish History Norman H. Finkelstein,2010-01-01 This JPS Guide chronicles the extraordinary history of American Jewry Finkelstein tells the dramatic 350 year story of the people and events that shaped the lives of today s American Jews Divided into six time periods American Jewish History describes Jewish life from the time of the early settlers to the period of massive immigration that flooded the cities to the incredible growth of Jews in positions of influence in business politics and the arts This is a story of a people who affected not only the lives of Jews in the U S today but also the course of American history itself There are over 70 black and white photographs maps and charts and more than 120 feature boxes and biographies throughout as well as timelines notes a bibliography and index Finkelstein has made the saga of American Jewry much more than a compilation of historical facts This is wonderfully stimulating journey a worthwhile adventure for readers of all ages

Open Admissions Danica Savonick,2024-07-05 In Open Admissions Danica Savonick traces the largely untold story of the teaching experience of Toni Cade Bambara June Jordan Audre Lorde and Adrienne Rich at the City University of New York cuny in the late 1960s and early 1970s This period during which cuny guaranteed tuition free admission to every city high school graduate was one of the most controversial in US educational history Analyzing their archival teaching materials syllabi lesson plans and assignments alongside their published work Savonick reveals how these renowned writers were also transformative educators who developed creative methods of teaching their students to navigate and change the world In fact many of their methods such as student led courses collaborative public projects and the publication of student writing anticipated the kinds of student centered and antiracist pedagogies that have become popular in recent years In addition to recovering the pedagogical legacy of these writers Savonick shows how teaching in cuny s free and open classrooms fundamentally altered their writing and with it the course of American literature and feminist criticism

Wreading Jed Rasula,2022-03-29 Jed Rasula is a preeminent scholar of avant garde poetics noted for his erudition intellectual range and critical independence He s also a gifted writer his recent books have won praise for their entertaining clear prose in addition to their scholarship He is also an alumnus of UAP s distinguished Modern and Contemporary Poetics series which published his Syncopations fifteen years ago Rasula returns to the MCP series with Wreading A collection of essays interviews and occasional writings that reflects the breadth and diversity of his curiosity One of the referees likened

Wreathing to a victory lap but one that sets its own further record in the taking This is a collection of highlights from Rasula s shorter critical pieces but also a carefully assembled and revised intellectual autobiography Wreathing consists of two parts an assortment of Rasula s solo criticism and selected interviews and conversations with other critics and scholars Evelyn Reilly Leonard Schwartz Tony Tost Mike Chasar Joel Bettridge and Ming Qian Ma The collection opens with a trio of essays that complicate the idea of a poet By interrogating the selection of poets for anthologies in the 20th century Rasula identifies a host of forgotten poets once prominent but now forgotten Another essay on the state of the poetry anthology reveals how much influence literary gatekeepers have and what a reimagination of the anthology form could make possible In subsequent chapters Rasula finds surprising overlap between Dada and Ralph Waldo Emerson charts the deep links between image and poetic inspiration and reckons with Ron Silliman s The Alphabet a UAP classic In the book s second half Rasula engages in detailed conversations with a roster of fellow critics Their exchanges confront ecopoetics the corporate university the sheer volume of contemporary poetry and more This substantial set of dialogues gives readers a glimpse inside a master critic s deeply informed critical practice and lists his intellectual touchstones The balance between essay and interview achieves a distillation of Rasula s long established idea of wreathing In his original use the term denotes how any act of criticism inherently adds to the body of writing that it purports to read how Rasula couldn t help but participate in his favorite poems In this latest form Wreathing captures a critical perception that sparks insight and imagination no matter what it sees
