Lord Of The Animals:

Lord of the Animals Fiona French, 2008 In a beautifully illustrated retelling of a Native American creation myth Coyote convenes a council of the animals to discuss his ideas for a superior being who will rule over all creation Reprint **Animals in Heaven- Fantasy or Reality** Arch Stanton, 2006-06-02 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God s purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn t care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life

could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com

Funk,2014-06-30 Have you ever wondered what happens to your beloved pet when he or she dies Will you ever be able to see him or her again in heaven Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever This haunted me for decades until I finally got up enough courage to seek out the truth for myself I went to the word of God to conduct my own research This book is the result of my quest to find the truth about how God really sees animals and His plan for them I was astounded by the wealth of information that God shares in the Holy Bible regarding animals The answers are there hidden in His word All anyone needs to do is look **Anthropological Series** Field Museum of Natural History,1927 [Animal World](#) ,1924
