Lord Peter Views the Body Dorothy L. Sayers, 2012-07-31 A dozen whodunits to challenge the ingenious British aristocrat and sleuth from one of the greatest mystery story writers. *Los Angeles Times*. Some aristocrats spend their lives shooting, but Lord Peter Wimsey is a hunter of a different kind: a bloodhound with a nose for murder. Before he became Britain's most famous detective, Lord Peter contented himself with solving the crimes he came across by chance. In this volume of short stories, he confronts a stolen stomach, a man with copper fingers, and a deadly adventure at Ali Baba's cave among other conundrums. These mysteries tax not just his intellect but his humor, knowledge of metallurgy, and taste for fine wines. It's not easy being a gentleman sleuth, but Lord Peter is the man for the job. *Lord Peter Views the Body* is the 4th book in the Lord Peter Wimsey Mysteries, but you may enjoy the series by reading the books in any order. This ebook features an illustrated biography of Dorothy L. Sayers, including rare images from the Marion E. Wade Center at Wheaton College. *Lord Peter Views the Body*

Whatever the occasion, the aristocratic detective uses his razor-sharp mind and unerring instincts to unmask the guilty and go to the aid of their victims. Lord Peter Views the Body Dorothy Leigh Sayers,2013-01-01 The Egotists Club is one of the most genial places in London It is a place to which you may go when you want to tell that odd dream you had last night or to announce what a good dentist you have discovered You can write letters there if you like and have the temperament of a Jane Austen for there is no silence room and it would be a breach of club manners to appear busy or absorbed when another member addresses you You must not mention golf or fish however and if the Hon Freddy Arbuthnot's motion is carried at the next committee meeting and opinion so far appears very favourable you will not be allowed to mention wireless either As Lord Peter Wimsey said when the matter was mooted the other day in the smoking room those are things you can talk about anywhere Otherwise the club is not specially exclusive Nobody is ineligible per se except strong silent men Nominees are however required to pass certain tests whose nature is sufficiently indicated by the fact that a certain distinguished explorer came to grief through accepting and smoking a powerful Trichinopoly cigar as an accompaniment to a 63 port On the other hand dear old Sir Roger

Bunt the coster millionaire who won the 20 000 ballot offered by the Sunday Shriek and used it to found his immense catering business in the Midlands was highly commended and unanimously elected after declaring frankly that beer and a pipe were all he really cared for in that way As Lord Peter said again Nobody minds coarseness but one must draw the line at cruelty On this particular evening Masterman the cubist poet had brought a guest with him a man named Varden Varden had started life as a professional athlete but a strained heart had obliged him to cut short a brilliant career and turn his handsome face and remarkably beautiful body to account in the service of the cinema screen He had come to London from Los Angeles to stimulate publicity for his great new film Marathon and turned out to be quite a pleasant unspoiled person greatly to the relief of the club since Masterman s guests were apt to be something of a toss up There were only eight men including Varden in the brown room that evening This with its panelled walls shaded lamps and heavy blue curtains was perhaps the cosiest and pleasantest of the small smoking rooms of which the club possessed half a dozen or so The conversation had begun quite casually by Armstrong s relating a curious little incident which he had witnessed that afternoon at the Temple Station and Bayes had gone on to say that that was nothing to the really very odd thing which had happened to him personally in a thick fog one night in the Euston Road
