James H. Barrett, Sarah Jane Gibbon

Lords Of Holderness 1086 1260 A Study In Feudal Society:

The Lords of Holderness 1086-1260 Barbara English, 1979 *The Lord of Holderness 1086-1260* Barbara English, 1979

The Haskins Society Journal 32: 2020. Studies in Medieval History Laura L. Gathagan, Charles C. Rozier, William

North, 2021-12-17 Essays illuminate a wide range of topics from the Middle Ages from the seals of an empress to priests wives and the undead This volume of the Haskins Society Journal demonstrates the Society's continued engagement with historical and interdisciplinary research from the early to the central Middle Ages on a broad range of topics including militarism piety the miraculous and the monstrous Chapters explore material culture through a mythic eleventh century papal banner and the seals and coins of the Empress Matilda offer new insights into Carolingian hagiography and into the undead in the *Historia rerum Anglicarum* Further chapters feature new evidence on the role of priests wives the tensions of multiple lordships shifting identities in the Irish Sea world and the didactic use of royal anger A fresh examination of Aelred of Rievaulx's *Relatio de Standardo* and a re assessment of Flemish documentary practice continue the Haskins Society's commitment to primary source analysis Two essays on the thirteenth century including links between Crusade spirituality and lay penitential strategies and an investigation into the economic costs of waging war round out the volume Contributors DAN ARMSTRONG DAVID S BACHRACH DANIEL M BACHRACH JILLIAN M BJERKE HANNAH BOSTON MARIAH COOPER FIONA J GRIFFITHS JESSE M HARRINGTON JEAN FRAN OIS NIEUS ALICE RIO CHARITY URBANSKI PATRICK WADDEN MEGHAN WOOLLEY LU ZUO *COLONY & FRONTIER IN MEDIEVAL IRELAND* T. B. Barry, Frame, Katharine Simms, 1995-01-01 These essays explore aspects of the English colony in medieval Ireland and its relations with the Gaelic host society They deal both with the foundation and expansion of the English lordship in the twelfth and early thirteenth centuries and with the problems and adjustments that accompanied its contraction in the later middle ages Attention is paid both to the government and society of the colony itself and to the interactions between settler and native **Feudal**

Assessments and the Political Community under Henry II and His Sons Thomas K. Keefe, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1983 *Maritime Societies of the Viking and Medieval World* James H. Barrett, Sarah Jane Gibbon, 2016-11-25 This book is a study of communities that drew their identity and livelihood from their relationships with water during a pivotal time in the creation of the social economic and political landscapes of northern Europe It focuses on the Baltic North and Irish Seas in the Viking Age ad 1050 1200 with a few later examples such as the Scottish Lordship of the Isles included to help illuminate less well documented earlier centuries Individual chapters introduce maritime worlds ranging from the Isle of Man to Gotland while also touching on the relationships between estate centres towns landing places and the sea in the more

terrestrially oriented societies that surrounded northern Europe's main spheres of maritime interaction. It is predominately an archaeological project but draws no arbitrary lines between the fields of historical archaeology, history and literature. The volume explores the complex relationships between long range interconnections and distinctive regional identities that are characteristic of maritime societies seeking to understand communities that were brought into being by their relationships with the sea and who set waves in motion that altered distant shores. The Fourteenth-century Sheriff Richard Gorski, 2003

A study of the careers of over 1200 sheriffs appointed in England during the fourteenth century. **The Foundation of Nostell Priory, 1109-1153** Judith A. Frost, 2007 **Rulership and Rebellion in the Anglo-Norman World,**

c.1066-c.1216 Paul Dalton, David Luscombe, 2016-03-09 The importance of the themes of rulership and rebellion in the history of the Anglo-Norman world between 1066 and the early thirteenth century is incontrovertible. The power, government and influence of kings, queens and other lords pervaded and dominated society and was frequently challenged and resisted. But while biographies of rulers, studies of the institutions and operation of central, local and seigniorial government and works on particular political struggles abound, many major aspects of rulership and rebellion remain to be explored or further elucidated. This volume, written by leading scholars in the field and dedicated to the pioneering work of Professor Edmund King, will make an original, important and timely contribution to our knowledge and understanding of Anglo-Norman history.

Power and Border Lordship in Medieval France Kathleen Thompson, 2002 The emergence of the northern French county of the Perche and the rise of the Rotrou family from obscure origins to princely power 11-13c. *Politics and Society in Mid Thirteenth-Century England* Peter Coss, 2024-09-03 Despite the multidirectional nature of modern research, the interpretation of the political history of thirteenth-century England has remained locked into a traditional framework bequeathed by the mid-twentieth-century historian R. F. Treharne and embellished by the emphases and accentuations of his present-day successors. Characterised by its conception of community, its constitutionalism, its ready identification of a national enterprise and its predilection for idealism and progressive thinking, this framework remains close to the Whig interpretation of English history. It is reinforced by the continuation of reverence for the baronial leader Simon de Montfort. In contrast, Peter Coss offers here an alternative approach to the period which is anchored in social mores and cultural values. More emphasis is placed upon the interests, ambitions and needs of contemporaries upon social networks of various kinds and upon how interests both clashed and cohered as people strove to improve or preserve their situations. This was a crisis born of political instability but in the context of institutional, administrative and legal growth; that is to say, at a particular point in the evolution of the state. Drawing on a wide range of sources, the book reconsiders the generation of the crisis, the factors which influenced its course and its partial resolution. In short, it explores the anatomy and physiology of a troubled realm. *The Household Knights of King John* S. D. Church, 1999-07-22 If the medieval king was the helmsman of the ship of state, the royal household was the ship's engine. It comprised men from most ranks of society, from the great magnates of the

realm to simple servants who looked after the day to day needs of the king and his court English government in both peace and war was conducted through the royal household amongst whom the most important men were the king's knights socially elite militarily pre eminent and indispensable for the workings of English medieval government It is with these men during the reign of King John that this work is concerned

Lordship and Locality in the Long Twelfth Century Hannah Boston, 2024 A new perspective on lordship in England between the Norman Conquest and Magna Carta Multiple lordship that is holding land or owing allegiance to more than one lord simultaneously was long regarded under the western European feudal model as a potentially dangerous aberration and a sign of decline in the structure of lordship Through an analysis of the minor lords of Leicestershire Derbyshire and Staffordshire during the long twelfth century this study demonstrates conversely that multiple lordship was at least as common as single lordship in this period and regarded as a normal practice and explores how these minor lords used the flexibility of lordship structures to construct localised centres of authority in the landscape and become important actors in their own right Lordship was moreover only one of several forces which minor lords had to navigate Regional society in this period was profoundly shaped by overlapping ties of lordship kinship and locality each of which could have a fundamental impact on relationships and behaviour These issues are studied within and across lords honours around religious houses and urban areas and in a close case study of the abbey of Burton upon Trent This book thus contextualises lordship within a wider landscape of power and influence

The Northern Danelaw D.M. Hadley, 2001-01-01 Investigating the changing nature of lordship and peasant statuses the transformation of estate structures the emergence of villages and the development of the parish system D M Hadley also explains the peculiarities of the northern Danelaw and reassesses the impact of the Scandinavian settlements on its society and culture A detailed local study is combined with a consideration of wider issues concerning Anglo Saxon England and long and short term changes unrelated to successive conquests

Lordship, Knighthood and Locality Peter R. Coss, 1991-09-19 A study of the evolution of the knightly class in Coventry and Warwickshire

The Great Famine William Chester Jordan, 1997-12-15 The horrors of the Great Famine 1315-1322 one of the severest catastrophes ever to strike northern Europe lived on for centuries in the minds of Europeans who recalled tales of widespread hunger class warfare epidemic disease frighteningly high mortality and unspeakable crimes Until now no one has offered a perspective of what daily life was actually like throughout the entire region devastated by this crisis nor has anyone probed far into its causes Here the distinguished historian William Jordan provides the first comprehensive inquiry into the Famine from Ireland to western Poland from Scandinavia to central France and western Germany He produces a rich cultural history of medieval community life drawing his evidence from such sources as meteorological and agricultural records accounts kept by monasteries providing for the needy and documentation of military campaigns Whereas there has been a tendency to describe the food shortages as a result of simply bad weather or else poor economic planning Jordan sets the stage so that we see the complex interplay of social and environmental factors

that caused this particular disaster and allowed it to continue for so long Jordan begins with a description of medieval northern Europe at its demographic peak around 1300 by which time the region had achieved a sophisticated level of economic integration He then looks at problems that when combined with years of inundating rains and brutal winters gnawed away at economic stability From animal diseases and harvest failures to volatile prices class antagonism and distribution breakdowns brought on by constant war northern Europeans felt helplessly besieged by acts of an angry God although a cessation of war and a more equitable distribution of resources might have lessened the severity of the food shortages Throughout Jordan interweaves vivid historical detail with a sharp analysis of why certain responses to the famine failed He ultimately shows that while the northern European economy did recover quickly the Great Famine ushered in a period of social instability that had serious repercussions for generations to come

Flanders and the Anglo-Norman World, 1066-1216 Eljas Oksanen, 2012-09-13 The union of Normandy and England in 1066 recast the political map of western Europe and marked the beginning of a new era in the region's international history This book is a groundbreaking investigation of the relations and exchanges between the county of Flanders and the Anglo Norman realm Among other important themes it examines Anglo Flemish diplomatic treaties and fiefs international aristocratic culture the growth of overseas commerce immigration into England and the construction of new social and national identities The century and a half between the conquest of England by the duke of Normandy and the conquest of Normandy by the king of France witnessed major revolutions in European society politics and culture This study explores the history of England northern France and southern Low Countries in relation to each other during this period giving fresh perspectives to the historical development of north western Europe in the Central Middle Ages

The Proceedings Against the Templars in the British Isles, 2018-04-20 In October 1307 all the brothers of the military religious Order of the Temple in France were arrested on the instructions of King Philip IV and charged with heresy In November Pope Clement V instructed King Edward II of England to do likewise This volume provides the first full translation of the four surviving texts of the trial proceedings that followed in Britain and Ireland complementing the edition published in volume 1 The trial of the Templars was the first major heresy trial in the British Isles and the proceedings reveal the Episcopate's attempts to deal with this unprecedented situation the varying procedures followed in different countries and how testimonies were recorded and summarised for the Church Councils which eventually decided the fate of the Order of the Temple The testimonies given during the trial contain a wealth of information about religious beliefs among the lay population of the British Isles both the Templars and outsiders who gave evidence during the trial national and international mobility of lay religious the social function of the order of the Temple in the British Isles and its relations with society at large and the organisation and operations of the Order of the Temple at a local national and international level Detailed introductions to each volume describe the manuscripts and how the material was compiled and arranged and discuss the course of the proceedings and the value of the evidence they contain

Appendices in this volume also list the names of all the Templars mentioned during the proceedings Templar houses and the locations of the proceedings in London **The Warene (Hyde) Chronicle** Elisabeth M. C. Van Houts,Rosalind Love,2013-04-25 The chronicle covers the period from 1035 up to the account of the White Ship disaster in November 1120 with special reference to the earls of Warene in Normandy Page xiii Domesday Studies James Clarke Holt,1987 An enduring contribution to historical scholarship AMERICAN HISTORICAL REVIEW Seventeen papers with maps and diagrams Subjects include the portrayal of land settlement in Domesday continental parallels numismatics place and personal names topography and the greater Domesday tenants in chief

Lords Of Holderness 1086 1260 A Study In Feudal Society Introduction

In today's digital age, the availability of Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lords Of Holderness 1086 1260 A Study In Feudal Society versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lords Of Holderness 1086 1260 A Study In Feudal Society books and manuals for download and embark on your journey of knowledge?

FAQs About Lords Of Holderness 1086 1260 A Study In Feudal Society Books

1. Where can I buy Lords Of Holderness 1086 1260 A Study In Feudal Society books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
