Reconciliation in Remembrance of Jesus Christ Hacik Gazer,Markus Iff,Werner Klän,Dorothea Sattler,2023-07-15 Since the Lima Declarations of Convergence in 1982 no other document in the international ecumenical movement has dealt with Eucharistic communion at the celebration of the Lord s Supper in remembrance of the Holy Sacrifice of Jesus Christ On the occasion of the 11th Assembly of the World Council of Churches in 2022 in Karlsruhe ecumenically minded Protestant Free

Church Old Catholic Roman Catholic and Orthodox theologians from Germany have taken up this topic afresh They provide insights into the current state of ecumenical conversations present the various traditions of confessional worship and offer practical suggestions for an ecumenically sensitive liturgical practice The German Ecumenical Study Committee D STA contributes a joint statement on the subject Memories of the 3rd Ecumenical Kirchentag Church Congress 2021 in Frankfurt am Main are revived The decision to go to the Lord s Table together trusting in the presence of Jesus Christ in the celebration of Holy Communion Eucharist and Holy Sacrifice can be justified theologically but continues to raise controversy On the Sunday of the Assembly in Karlsruhe September 4 2022 a rich range of liturgies will commemorate the life of Jesus his death for us and the sending of God s Spirit Together all churches testify that The love of Christ moves reconciles and unites the world

Gift and Promise Peter Schmiechen, 2016-12-09 What would happen if the liturgy for the Lord s Supper started with the images in the New Testament rather than the divisions of our past It would be like going through an open door into a new world There we would find a new Passover celebration a new covenant and remembrance and proclamation of Jesus death and resurrection all in the context of the kingdom of God It would be an evangelical Lord s Supper This is a high risk operation given the reliance by many on transactional sacrifice and the tendency to reduce the Supper to a sacrament of penance for individuals Ideas rejected by Luther and Calvin now reappear even among Protestants The goal cannot be reached by subtracting a few things and adding references to eschatology and joy The good news is that many churches have already taken steps to reform their liturgies To support that process here is a clear and consistent evangelical perspective based on the theology and biblical considerations that have formed our faith and practice The Churchman, 1888

The Eucharist as Offering of Firstfruits Lawrence Francis Ligoeki, 2017-06-04 One of the difficulties for Protestant Evangelical Pentecostal and other Christians is how to understand the Eucharist as sacrifice offering and oblation A return to ancient Jewish and Christian sources has uncovered the category of the offering of firstfruits This is found in a lesser degree among Second Temple Judaism and to a greater degree in early Christian literature beginning with the New Testament itself This has brought renewed interest in understanding the Eucharist not only in the context of the Feast of Passover but also in light of the Feast of Pentecost and the offering of firstfruits and within the context of the Zebach t d that is the sacrifice of praise and thanksgiving This has strong implications for a theological liturgical spiritual and practical awakening in understanding the Eucharist as Sacrifice In the Eucharist the Church offers the firstfruits of creation Christ and also herself to the Father in the Holy Spirit Each member is called to actively participate in the Eucharistic sacrifice through which they themselves become a Holy and Living sacrifice for the life of the world This has implications for a renewed Eucharistic spirituality and worship the New Evangelization and new works of mercy

Holy Communion Kenneth M. Loyer, 2014-12-16 Experience God in the here and now through Communion This book explores how celebrating the presence of God With Us through Holy Communion nourishes our souls refreshes our sense of community and equips us for mission in

Christ's name Yet many Christians do not understand Communion or see it only as an empty ritual Because of that low worship attendance or enthusiasm commonly accompanies Communion Sundays leaving churches feeling spiritually depleted This book provides insights and practical suggestions for giving this sacrament a more prominent role not just in church life but in the Christian formation of individuals For small groups Sunday school classes and as a preaching resource Holy Communion Celebrating God with Us by Kenneth M Loyer and general editor William H Willimon is suitable for a four week study and includes discussion questions at the end of each chapter The Belief Matters series assists pastors and clergy in explaining fundamental elements of the church and its worship to congregations Holy Communion is the second in the series and follows Incarnation by William H Willimon *Like a Mighty Army* David W Taylor, 2015-02-26 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be visibly realized At that time The Salvation Army didn't aspire to become formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination Accepting Barth's challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army's developing understanding of its identity and to the visible unity of God's church *Systematic Theology* Louis Berkhof, 1949-01-01 Now that my Systematic Theology is again being reprinted the Preface can be very brief It is not necessary to say much about the nature of the work since it has been before the public for more than fifteen years and has been used extensively I have every reason to be grateful for its kind reception for the favorable testimony of many reviewers and for the fact that the book is now used as a textbook in many Theological Seminaries and Bible Schools in our country and that requests were even received from abroad for permission to translate it into other languages These are blessings which I had not anticipated and for which I am deeply grateful to God To Him be all the honor And if the work may continue to be a blessing in many sections of the Church of Jesus Christ it will but increase my recognition of the abundant grace of God **Renewal Theology** John Rodman Williams, 1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God
