Lords Supper Confessional Lutheran Dogmatics:

The Lord's Supper Gordon T. Smith, 2010-02-04 Lord's Supper Eucharist Communion Sacrament Ordinance While it's the meal that should unite us as followers of Christ it sometimes appears we can't even agree on what to call it let alone how we might share a common theological view of its significance Even if we cannot reach full agreement how can we better understand one another and this central observance of the Christian faith Gordon Smith has invited five representatives of differing views within Christian tradition Each holds his or her views with conviction and makes the case for that tradition Each responds to the other views with charity highlighting significant areas of agreement and disagreement The views and contributors include The Roman Catholic View Brother Jeffrey Gros F S C Professor of Church History Memphis Theological Seminary Memphis Tennessee The Lutheran View John R Stephenson Professor of Historical Theology Concordia Lutheran Theological Seminary St Catherines Ontario The Reformed View Leanne Van Dyk Academic Dean and Professor of Reformed Theology Western Theological Seminary Holland Michigan The Baptist View Roger E Olson Professor of Theology George W Truett Theological Seminary Waco Texas The Pentecostal View Veli Matti K rkk inen Professor of Systematic Theology Fuller Theological Seminary Pasadena California Here's a book that offers more light than heat on an important topic **The**

Lord's Supper John Raymond Stephenson, 2003-01-01 The doctrine of the Lord's Supper in Lutheran theology in its confessional and ecumenical context focusing on the teaching of Luther the Orthodox Dogmaticians and modern Lutheran and other Christian theologians *The Lord's Supper* John Raymond Stephenson, 2003 **Called to Believe, Teach, and Confess** Steven P. Mueller, 2005-07-01 Called to Believe Teach and Confess offers an overview of the major doctrines of Christianity in a comprehensive but accessible way Written from a Lutheran perspective this book is a helpful resource to those within that tradition and to others who seek a deeper theological understanding Firmly rooted in Scripture this book emphasizes the interrelatedness of all Christian teaching with its central teaching being the doctrine of justification by grace through faith in Jesus Christ This book is ideal as a text for university students and other educated Christian adults who seek to expand their knowledge of God's revelation and its application in human lives It introduces and uses classical theological vocabulary and terminology while offering clear definitions and application Key terms study questions glossary and sidebars help make this a valuable resource Suggested readings from Scripture the Lutheran Confessions and other secondary sources guide the reader into deeper study *Reformed Dogmatics* Herman Bavinck, John Bolt, John Vriend, 2003-10 In English for the first time Bavinck's magnum opus covers the history literature and foundations of dogmatic theology

Transubstantiation Brett Salkeld, 2019-11-19 This thoroughgoing study examines the doctrine of transubstantiation from historical theological and ecumenical vantage points Brett Salkeld explores eucharistic presence in the theologies of Aquinas Luther and Calvin showing that Christians might have more in common on this topic than they have typically been led to believe As Salkeld corrects false understandings of the theology of transubstantiation he shows that Luther and Calvin

were much closer to the medieval Catholic tradition than is often acknowledged The book includes a foreword by Michael Root *Lord's Supper* Arnold J Koelpin,2007-07-01 What is the Lord's Supper How do Christians observe it today There are certainly a variety of practices when it comes to the Lord's Supper and this insightful book traces it back to its ancient roots for an accurate picture of this important sacrament to what the Bible says about Holy Communion Lord's Supper includes helpful background information on the historical Passover and discusses what the Lord's Supper is the blessings it offers Christians and proper spiritual preparation for receiving Holy Communion In this book author and pastor Arnold J Koelpin emphasizes from Scripture that the Lord's Supper is a life giving meal that Jesus prepared for his followers before he died then and now By celebrating this meal Christians receive God's forgiveness and blessings After reading this book you'll see what Holy Communion means for you as a Christian and how you can respond to the gift of the Lord's Supper by serving and loving God and others just as Jesus did *The Grace of Christ, Third Edition* Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul's gospel of God in its depth from what I have learned over five decades of studying Paul's letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul's gospel can only be known by the Spirit of God through comparing Paul's Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther's grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God's saving righteousness is revealed from Christ's faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him Understanding Four Views on the Lord's Supper Russell Moore,2007 Four different ways Christians understand the Lord's Supper Baptist view memorialism Reformed spiritual presence Lutheran consubstantiation and Roman Catholic transubstantiation are fairly represented and debated to provide readers with an opportunity to draw their own conclusion on this important Christian institution Calvin's Tormentors Gary W. Jenkins,2018-04-17 This book offers a unique approach to Calvin by introducing the individuals and groups who through their opposition to Calvin's theology and politics helped shape the Reformer his theology and his historical and religious legacy Respected church historian Gary Jenkins shows how Calvin had to defend or rethink his theology in light of his tormentors challenges giving readers a more nuanced view of Calvin's life and thought The book highlights the central theological ideas of the Swiss Reformation and introduces figures and movements often excluded from standard texts Understanding Four Views on the Lord's Supper Zondervan,2009-05-26 The Lord's Supper has been the central and characteristic action of the church at worship But there are still many ways of understanding it and many questions surrounding this meal Who should participate in the Lord's Supper How frequently should we observe it What does this meal mean What happens when we eat

the bread and drink from the cup What do Christians disagree about and what do they hold in common These and other questions are explored in this volume of the fair minded informative Counterpoints series Contributors make a case for one of the following views Baptist view memorialism Reformed view spiritual presence Lutheran view consubstantiation Roman Catholic view transubstantiation All contributors use Scripture to present their views and each responds to the others essays Included are resources for understanding the topic further such as A listing of statements on the Lord s Supper from creeds and confessions Quotations from noted Christians A resource listing of books on the Lord s Supper Discussion questions for each chapter to facilitate small group and classroom use The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Lord's Supper. (Holman Lecture on Augsburg Confession ... June 2nd, 1897) Frank P. Manhart,1897 **The Theosis of the Body of Christ** Jonathan Black,2020-04-06 In The Theosis of the Body of Christ From the early British Apostolics to a Pentecostal Trinitarian Ecclesiology Jonathan Black builds on the ecclesiology of one of the UK s original Pentecostal movements the Apostolic Church demonstrating the connection between ecclesiology and the Pentecostal distinctive of the baptism in the Holy Spirit These early British Pentecostals were not na ve fundamentalists with the addition of a few Pentecostal distinctives but rather engaged in significant theological reflexion rooted in Trinitarian theology resulting in a theology of theosis which resonates in many ways with the Great Tradition yet is held together with a forensic

Reformation approach to justification This approach then opens new possibilities in understanding the theological nature of the Pentecostal baptism in the Spirit The Wittenberg Concord Gordon A. Jensen,2018-08-01 Rethinking the Wittenberg Concord for Today One of the mostly forgotten gems of the sixteenth century Reformations is the Wittenberg Concord Signed in 1536 by representatives of evangelical southern German imperial cities and territories and the Lutherans the dialogue that led to the concord provided space for the participants to have a meaningful dialogue that led to the recognition of each other's understanding of the sacraments as orthodox This was remarkable given the very public failures at Marburg in 1529 and Augsburg in 1530 The lack of agreement threatened the unity of the evangelical estates and made them along with the Reformation teachings vulnerable to attack by the Holy Roman Empire and the Roman Catholic Church The dialogue participants created enough space in their own understandings of the sacraments of baptism absolution and the Lord's Supper to allow the agreement to occur and function reasonably well at least until the beginning of the Thirty Years War in 1618 The final two chapters explore how this concord has impacted the church since its acceptance and how the lessons learned from this dialogue can assist churches today in providing healthy spaces for ecumenical dialogue to discuss controversial issues *Ecumenical and Confessional Writings* Edmund Schlink,2016-12-05 Although many of Edmund Schlink's writings have been available in English for several decades the publication of the new German edition offered a significant impetus for providing a fresh and more accurate translation of them Matthew L Becker translated key terms that occur in all five volumes consistently Also he corrected infelicitous and misleading renderings of Schlink's language into English which more or less happened in all of the earlier editions In this first volume Becker presents a completely reworked translation of Schlink's popular work *Der kommende Christus und die kirchlichen Traditionen* *The Church* Mark Dever,2012 A primer by respected Washington DC pastor and 9Marks ministry president Mark Dever on the doctrine of the church that explores the important issues of church life other doctrines worship and polity
