

Lorenzo Demedici

Miles J. Unger

Lorenzo Demedici:

Lorenzo de' Medici and the Art of Magnificence F. W. Kent, 2007-02-01 In the past half century scholars have downplayed the significance of Lorenzo de Medici 1449 1492 called the Magnificent as a patron of the arts Less wealthy than his grandfather Cosimo the argument goes Lorenzo was far more interested in collecting ancient objects of art than in commissioning contemporary art or architecture His earlier reputation as a patron was said to be largely a construct of humanist exaggeration and partisan deference Although some recent studies have taken issue with this view no synthesis of Lorenzo as art patron and art lover has yet emerged In Lorenzo de Medici and the Art of Magnificence historian F W Kent offers a new look at Lorenzo s relationship to the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican Florence and a leading player in Renaissance Italian diplomacy As a result of this approach which pays careful attention to the events of his short but dramatic life a radically new chronology of Lorenzo s activities as an art patron emerges revealing them to have been more extensive and creative than previously thought Kent s Lorenzo was broadly interested in the arts and supported efforts to beautify Florence and the many Medici lands and palaces His expertise was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage Lorenzo himself was educated in the arts by such men and Kent explores his aesthetic education and taste taking into account what is known of Lorenzo s patronage of music and manuscripts and of his own creative work as a major Quattrocento poet Richly illustrated with photographs of Medici landmarks by Ralph Lieberman Lorenzo de Medici and the Art of Magnificence offers a masterful portrait of Lorenzo as a man whose achievements might have rivaled his grandfather s had he not died so young

Lorenzo De' Medici at Home Richard Stapleford, 2013 An inventory of the private possessions of Lorenzo il Magnifico de Medici head of the ruling Medici family during the apogee of the Florentine Renaissance Provided by publisher

Magnifico Miles J. Unger, 2008-05-06 A vividly colorful portrait of one of the greatest and most fascinating figures of the Renaissance Lorenzo de Medici focusing on his role as a brilliant sometimes ruthless statesman who was responsible for the artistic flowering of Florence the city where the Renaissance first blossomed Lorenzo de Medici a leading statesman the uncrowned ruler of Florence during its golden age a true Renaissance man known to history as Il Magnifico the Magnificent Lorenzo was not only the foremost patron of his day but also a renowned poet equally adept at composing philosophical verses and obscene rhymes to be sung at Carnival He befriended the greatest artists and writers of the time Leonardo Botticelli Poliziano and especially Michelangelo whom he discovered as a young boy and invited to live at his palace and in the process turned Florence into the cultural capital of Europe Though Lorenzo s grandfather Cosimo had converted the vast wealth of the family bank into political power Lorenzo s position was precarious Bitter rivalries among the leading Florentine families and competition among the squabbling Italian states meant that Lorenzo s life was under constant threat Those who plotted his death included a pope a king and a duke but Lorenzo used his legendary charm and diplomatic skill as

well as occasional acts of violence to navigate the murderous labyrinth of Italian politics Florence in the age of Lorenzo was a city of contrasts of unparalleled artistic brilliance and unimaginable squalor in the city's crowded tenements of both pagan excess and the fire and brimstone sermons of the Dominican preacher Savonarola Florence gave birth to both the otherworldly perfection of Botticelli's Primavera and the gritty realism of Machiavelli's The Prince Nowhere was this world of contrasts more perfectly embodied than in the life and character of the man who ruled this most fascinating city
