

Loss and Bereavement in Childbearing

Second Edition

Rosemary Mander

Loss And Bereavement In Childbearing

Kathleen Gray, Anne Lassance

Loss And Bereavement In Childbearing:

Loss and Bereavement in Childbearing Rosemary Mander,2007-04-11 This new edition of a groundbreaking work reflects important developments in the general understanding of and research into loss and death Providing a wealth of information for both experienced and inexperienced midwives the book covers topics including perinatal and neonatal loss miscarriage and termination for foetal abnormality death of a mother in third world and first world settings difficulties encountered during future childbearing Combining an authoritative research based orientation with a critical yet human approach to this sensitive topic the book aids midwives in providing effective care and support to those who experience loss The author draws on relevant and largely research based literature from a wide range of related disciplines to inform this area which is only now receiving the attention it has long deserved **Loss and Bereavement in Childbearing** Rosemary Mander,2007-04-11 Written by an experienced midwife and researcher Assumes no professional experience of loss and bereavement Places emphasis on the mother and family Accessible and easy to read Revised edition will have new chapter on the death of the mother **Bereavement Care for Childbearing Women and their Families** Caroline Hollins Martin,Eleanor Forrest,2013-07-24 For many bereaved parents the care provided by health professionals at birth from midwives to antenatal teachers has a crucial effect on their response to a loss or death This interactive workbook is clearly applied to practice and has been designed to help practitioners deliver effective bereavement care Providing care to grieving parents can be demanding difficult and stressful with many feeling ill equipped to provide appropriate help Equipping the reader with fundamental skills to support childbearing women partners and families who have experienced childbirth related bereavement this book outlines What bereavement is and the ways in which it can be experienced in relation to pregnancy and birth Sensitive and supportive ways of delivering bad news to childbearing women partners and families Models of grieving How to identify when a bereaved parent may require additional support from mental health experts Ongoing support available for bereaved women their partners and families The impact on practitioners and the support they may require How to assess and tailor care to accommodate a range of spiritual and religious beliefs about death Written by two highly educated experienced midwifery lecturers this practical and evidence based workbook is a valuable resource for all midwives neonatal nurses and support workers who work with women in the perinatal period This book is suitable as a text for BSc and MSc courses in Midwifery BScs courses in Paediatric Nursing and for neonatal and bereavement counselling courses

Bereavement Care for Childbearing Women and their Families Caroline Hollins Martin,Eleanor Forrest,2013-07-24 For many bereaved parents the care provided by health professionals at birth from midwives to antenatal teachers has a crucial effect on their response to a loss or death This interactive workbook is clearly applied to practice and has been designed to help practitioners deliver effective bereavement care Providing care to grieving parents can be demanding difficult and stressful with many feeling ill equipped to provide appropriate help Equipping the reader with fundamental skills to support

childbearing women partners and families who have experienced childbirth related bereavement this book outlines What bereavement is and the ways in which it can be experienced in relation to pregnancy and birth Sensitive and supportive ways of delivering bad news to childbearing women partners and families Models of grieving How to identify when a bereaved parent may require additional support from mental health experts Ongoing support available for bereaved women their partners and families The impact on practitioners and the support they may require How to assess and tailor care to accommodate a range of spiritual and religious beliefs about death Written by two highly educated experienced midwifery lecturers this practical and evidence based workbook is a valuable resource for all midwives neonatal nurses and support workers who work with women in the perinatal period This book is suitable as a text for BSc and MSc courses in Midwifery BScs courses in Paediatric Nursing and for neonatal and bereavement counselling courses *Loss and Grief in the Childbearing Period* Denise Côté-Arsenault, Margaret Comerford Freda, 2011-01-01 **Loving You from Here** SUSAN. CLARK, 2020-10 Loving You From Here explores the traumatic impact of losing a baby through stillbirth and neonatal death It features the moving stories of multiple families some affected recently some decades ago but still living with the loss The book is a practical guide for grieving parents in the grips of tragedy and those around them who want to be able to offer support This profound and insightful book will help everyone impacted by the loss of a baby Understanding Pregnancy Loss Christine Moulder, 1998-11-11 Stillbirth miscarriage and termination of pregnancy are emotionally laden experiences providing particular challenges for health professionals Based on original research this book provides insight into subjective experience and professional response It grows out of in depth interviews with women and with the full range of health professionals who were significant in their care These experiences are drawn upon to explore the dilemmas in providing good care and to suggest ways in which practice might be improved Mourning Unlived Lives Judith A. Savage, 1989 Of course this book will be used as a survival manual for grieving parents but it is a remarkable kit for the biggest psychological project of our time ordinary people teaching themselves to work through even the saddest occasions in order to live with strong feeling Until our century the gifts of spirit and psychology such as finding meaning in grief were regarded as something for the few Now we all want whatever psychological insight we can lay hand to we all want the conviction that no matter how fierce our grief we are part of life not in rebellion against it Here is this book marvelous not just for its therapeutic wisdom and compassionate discussion but for its research on and reference to the great griefs of the past Judith Savage takes us along the great wise route connecting our private griefs to the general condition of us all **Grieving Reproductive Loss** Kathleen Gray, Anne Lassance, 2018-10-26 Grieving Reproductive Loss The Healing Process acknowledges the devastating impact these losses can have Written in plain language the book attempts to bring about a greater understanding of the grief associated with reproductive loss and through the Healing Process Model copyright offers a holistic approach for constructive healthy grieving and healing of body mind and spirit **Models of Care in Maternity Services** Tahir

Mahmood, Philip Owen, Sabaratnam Arulkumaran, Charnjit Dhillon, 2010-11-01 This book helps all those working in maternity services to improve the quality of the care they offer Improvement is driven by clinical effectiveness and increasing patient demands and for each area of practice described this book outlines the service organisation needed to achieve this improvement The goal is to help clinicians take responsibility for developing services that meet the needs of their patients as well as managing their individual medical conditions The book demonstrates that much can be achieved within current resources and without major additional expense Different approaches are demonstrated but the key issue is the patient pathway Trainees clinicians managers and commissioners of services will find this book of practical value There should be a copy on the shelves of every hospital obstetric unit

Remembering Our Angels Hannah Stone, 2007-03 No one knows the devastation and heartache of losing a baby more than a father or mother Grieving parents often do not know where to turn and what to do with their grief in the aftermath of a pregnancy loss In *Remembering Our Angels* Hannah Stone has collected essays and stories from pregnancy loss awareness activists doctors grief counselors and grieving parents in the hope of offering a resource to parents in mourning

Manual of High Risk Pregnancy and Delivery Elizabeth S. Gilbert, 2010-06-01 Updated evidence based content includes the latest AHWONN standards of practice Patient safety and risk management strategies include updated approaches to improving outcomes reducing complications and increasing patient safety during high risk pregnancy and delivery New Venous Thromboembolic Disease chapter provides current information on this increasingly common condition Information on the latest assessment and monitoring devices keeps you current with today's technology Standardized terminology and definitions from the National Institute of Child Health Human Development NICHD lead to accurate and precise communication

Different Baby, Different Story Joann O'Leary, Lynnda Parker, Margaret M. Murphy, Jane Warland, 2020-12-15 Pregnancy after prenatal or infant loss can be a lonely and frightening time but through stories of both pain and healing the authors show how to navigate the exciting but choppy waters of a subsequent pregnancy The loss of a pregnancy or newborn infant changes the meaning of pregnancy birth and parenting forever Increased parental fear and anxiety and continuing grief for the deceased baby can impact subsequent pregnancies in unexpected ways Parents who are unsupported in pregnancy after loss are may be more at risk of experiencing anxiety depression Post Traumatic Stress Disorder and difficulty in attaching to a new baby *Different Baby Different Story* explores the range of emotions thoughts and physical experiences of parents who have gone on to subsequent pregnancies Including stories from mothers fathers other children and extended family members this poignant and moving work will help readers through their own feelings and give voice to those who may have felt unheard or unsupported in the past With practical advice on self advocacy the book helps expectant parents gain insights as to how others learned to work with health care professionals mental health professionals and their own families and friends and coworkers For expectant mothers their partners their families and their friends this work supports the range of experiences and encourages readers on a path to

healing

Loss And Bereavement In Childbearing Introduction

In the digital age, access to information has become easier than ever before. The ability to download Loss And Bereavement In Childbearing has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Loss And Bereavement In Childbearing has opened up a world of possibilities. Downloading Loss And Bereavement In Childbearing provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Loss And Bereavement In Childbearing has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Loss And Bereavement In Childbearing. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Loss And Bereavement In Childbearing. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Loss And Bereavement In Childbearing, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Loss And Bereavement In Childbearing has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Loss And Bereavement In Childbearing Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loss And Bereavement In Childbearing is one of the best book in our library for free trial. We provide copy of Loss And Bereavement In Childbearing in digital format, so the resources that you find are reliable.
