Lost Hunger Part I Of The Hunger Trilogy:

China's Intellectuals and the State Merle Goldman, Timothy Cheek, Carol Lee Hamrin, 2020-10-26 Today's intellectuals in China inherit a mixed tradition in terms of their relationship to the state. Some follow the Confucian literati watchdog role of criticizing abuses of political power. Marxist intellectuals judge the state's practices on the basis of Communist ideals. Others prefer the May Fourth spirit dedicated to the principles of free scholarly and artistic expression. The Chinese government for its part has undulated in its treatment of intellectuals, applying restraints when free expression threatened to get out of control, relaxing controls when state policies required the cooperation, good will, and expertise of intellectuals. In this stimulating work, twelve China scholars examine that troubled and changing relationship. They focus primarily on the post-Mao years when bitter memories of the Cultural Revolution and China's renewed quest for modernization have at times allowed intellectuals increased leeway in expression and more influence in policy making. Specialists examine the situation with respect to economists, lawyers, scientists, and technocrats, writers, and humanist scholars in the climate of Deng Xiaoping's policies and speculate about future developments. This book will be a valuable source of information for anyone interested in the changing scene in contemporary China and in its relations with the outside world. Promotional Screen Industries

Paul Grainge, Catherine Johnson, 2015-03-27 From the trailers and promos that surround film and television to the ads and brand videos that are sought out and shared, promotional media have become a central part of contemporary screen life. Promotional Screen Industries is the first book to explore the sector responsible for this thriving area of media production. In a wide-ranging analysis, Paul Grainge and Catherine Johnson explore the intermediaries, advertising agencies, television promotion specialists, movie trailer houses, digital design companies that compete and collaborate in the fluid, fast-moving world of promotional screen work. Through interview-based fieldwork with companies and practitioners based in the UK, US, and China, Promotional Screen Industries encourages us to see promotion as a professional and creative discipline with its own opportunities and challenges. Outlining how shifts in the digital media environment have unsettled the boundaries of promotion and content, the authors provide new insight into the sector's work strategies and imaginaries of contemporary screen promotion. With case studies on mobile communication, television, film, and live events, this timely book offers a compelling examination of the industrial configurations and media forms such as ads, apps, promos, trailers, digital shorts, branded entertainment, and experiential media that define promotional screen culture at the beginning of the twenty-first century.

The missing part Antonia Romero, 2019-12-08 Eva, a nurse and physiotherapist, who because of the crisis she does find a job in the health field. Eventually, she accepts a job as Carmen Grimaldos' helper, a multimillionaire lady, a bit eccentric, co-owner of a hotel chain along with Ander Izarra, her stepson. Carmen, once she discovered Eva's worth, to carry out any activity decided to designate her as a manager with the only target of making her partner's life miserable. The two of them keep cyclic in time relationship of hatred and revenge. However, what she does not imagine is that decision will change

Female Rebellion in Young Adult Dystopian Fiction Sara K. Day, Miranda A. Green-Barteet, Amy L. Montz, 2016-04-15 Responding to the increasingly powerful presence of dystopian literature for young adults this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood The contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature literature for and about young women and cultural expectations of adolescent womanhood Divided into three sections the collection investigates cultural assumptions and expectations of adolescent women considers the various means of resistance and rebellion made available to and explored by female protagonists and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her In a series of thought provoking essays on a wide range of writers that includes Libba Bray Scott Westerfeld Tahereh Mafi Veronica Roth Marissa Meyer Ally Condie and Suzanne Collins the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late twentieth and early twenty first century culture

The Politics of Panem Sean P. Connors, 2014-09-24 The Hunger Games trilogy is a popular culture success Embraced by adults as well as adolescents Suzanne Collins's bestselling books have inspired an equally popular film franchise But what if anything can reading the Hunger Games tell us about what it means to be human in the world today What complex social and political issues does the trilogy invite readers to explore Does it merely entertain or does it also instruct Bringing together scholars in literacy education and the humanities The Politics of Panem Challenging Genres examines how the Hunger Games books and films when approached from the standpoint of theory can challenge readers and viewers intellectually At the same time by subjecting Collins's trilogy to literary criticism this collection of essays challenges its complexity as an example of dystopian literature for adolescents How can applying philosophic frameworks such as those attributable to Socrates and Foucault to the Hunger Games trilogy deepen our appreciation for the issues it raises What if anything can we learn from considering fan responses to the Hunger Games How might adapting the trilogy for film complicate its ability to engage in sharp edged social criticism By exploring these and other questions The Politics of Panem Challenging Genres invites teachers students and fans of the Hunger Games to consider how Collins's trilogy as a representative of young adult dystopian fiction functions as a complex narrative In doing so it highlights questions and issues that lend themselves to critical exploration in secondary and college classrooms

The Future of the Nineteenth-Century Dream-Child Amy Billone,2016-06-10 This book investigates the reappearance of the 19th century dream child from the Golden Age of Children s Literature both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today Discussing Harry Potter as a reincarnation of Lewis Carroll s Alice and J M Barrie s Peter Pan Billone goes on to examine the recent resurrection of Alice in Tim Burton s Alice and of Peter Pan in Michael Jackson and in James Bond Visiting trends that have emerged since the Harry Potter series ended the book studies revisions of the dream child in texts and films that have inspired mass fandom in the twenty first century Stephenie Meyer s Twilight E L James s 50 Shades of Grey and Suzanne Collins s The Hunger Games The volume argues that the 21st century desire to achieve dream states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time This current identification with the dream child stems from the threat of political unrest and economic and environmental collapse as well

as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age. This book not only explores how the dream child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream child opens up possibilities for new narratives where happy endings remain viable against all odds. It will appeal to scholars in a wide variety of fields including Childhood Studies, Children's YA Literature, Cinema Studies, Cultural Studies, Cyberculture, Gender Studies, Queer Studies, Gothic Studies, New Media and Popular Culture.
