Lost Hunters:

The Lost Hunters Joseph Alexander Altsheler, 1920 The Lost Hunters is the second volume of the Great West Series of which The Great Sioux Trail was the first In this story young Will Clarke who has long been a captive among the Sioux and who has risen to high favor has become Sioux himself not only in manners and customs but in thought The world is clothed for him in a new atmosphere and he believes with the Indians that good and evil spirits fill air earth and water in truth all things Hence his eye and mind in this story are the eye and mind of the Sioux It is well known that bear deer and wolf grow much larger in the great valleys of far Northwestern Americans than anywhere else in the world and it may be possible that still more gigantic specimens will yet be found in remote regions The struggle of primeval man with wild beasts carried on for ages is here reproduced in the advent of the Sioux warriors among them armed only with bow and arrow The names applied to animals and inanimate objects in this book are note the coinage of the author but are those used by the Sioux

Foreword Lost Hunters: a Story of Wild Man and Great Beasts Joseph A.
