The Oxford Handbook of Anglican Studies Mark David Chapman, Sathianathan Clarke, Martyn Percy, 2016 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world

deeply personal and both theologically and philosophically astute Vinoth Ramachandra draws on his distinctive positioning as
a Sri Lankan Christian theologian one who has lived and ministered in contexts shaped by the destruction of natural disasters
and the violence of human evil to confront the intellectual moral and political challenges posed to faith in the increasingly
broken world of the twenty first century Yet far from being an abstract discussion of theodicy this book is intimate and
vulnerable embracing the biblical practice of lament and inviting an authentic response to grief one that makes space for
serious doubt and profound questioning Sharing his own ongoing journey with suffering and a questing faith Ramachandra
reminds us that lament and joy faith and protest clarity and ambiguity belong together in faithful Christian discipleship It is
not in bypassing the darkness of the world but in embracing it in imitation of the incarnate God that we may glimpse the new
