Lost In The Rain II:

Lost Drag Strips II Scotty Gosson, 2016-04-15 Fresh on the heels of the best selling book *Lost Drag Strips* comes a new look at other long lost and forgotten drag racing facilities from the 1950s 1960s and 1970s In the first volume the author examined the birth of drag racing and its subsequent popularity that invaded every city and community across America Unfortunately after the initial explosion of popularity it waned and various drag strips closed for a myriad of reasons Financial pressure for the real estate they occupied suburban sprawl and waning participation were all reasons for the change in fortunes for the small and even not so small racetracks The first volume was great but readers demanded more *Lost Drag Strips II* picks up where the first volume left off covering even more tracks with archival photos of racing in the tracks heyday the cars that ran there and coverage of the tracks as they exist today This volume also includes some of the tracks that survived those that fought off the economic demons and the urban sprawl and continue to run today Tracks in this volume include Fort Wainwright Racing Lions Motorsports Park Avenue G Drag Strip Fremont Baylands Drag Strip San Fernando Drag Strip Fontana Drag City Inyokern Drag Strip Kahuku Air Strip Las Vegas Speedrome Continental Divide Raceways SRCA Drag Strip Southwest Raceway Willow Run Raceway Minnesota Dragways KCTA Drag Strip Detroit Dragway Niagara Airport Dragstrip New York National Speedway York US 30 Drag O Way South Mountain Raceway La Place Dragway Yellow River Drag Strip Thunderbolt Dragway and more

Paradise Lost (books I. and II.) John Milton, 1895 *Lost at Thaxton* Michael E. Jones, 2022-07-02 A record storm triggers a deadly train wreck As 18 perish in the burning debris survivors fight for life in this true story of the 1889 disaster A storm like no one had ever seen caused tiny Wolf Creek in Thaxton Virginia to rage in the darkness of night An earthen fill that carried the railroad over the creek could not withstand the power of the rising water and Norfolk Western passenger train Number Two plummeted into a hole in the earth There in the valley beneath the shadow of the towering Peaks of Otter passengers and crew scrambled from the wreckage and water in a life or death struggle The best and worst of humanity were on display in the small hours of the night as some worked heroically to rescue those trapped in the debris while others stood by concerned only for themselves A terrible fire ensued and those who remained trapped were consumed by the flames The bloodied and battered survivors suffered through four more hours of isolation and torture in the rain alongside the burning wreckage before help would finally arrive Written and extensively researched by the great great grandson of the railroad section master at Thaxton *Lost at Thaxton* tells the forgotten true story of one of the worst railroad accidents in the history of Virginia and the people who lived and died that night In this all new second edition the author has added new research new photos and a new chapter detailing the successful placement of a historical marker at the site of the wreck after the release of the first edition of *Lost at Thaxton* I have stood on the battlefield and heard shot and shell rattling around me and seen my comrades falling like leaves in autumn but I have never seen anything that curdled my blood with horror or moved me to deeper depths of compassion than the
