Lost Sketch:

Bonnybell Emma C. Vogelgesang, 1886 **Manxland ... With an Introductory Sketch of Manx Home Missions.**
[With Plates.] B. Stowell, 1863 **Manxland: a tale. With an introductory sketch of Manx Home Missions** B.
STOWELL, 1863 NASA Technical Note, 1968 *In Living Color* Bernadette Giacomazzo, 2023-02-15 An entertaining yet candid examination of the popular sketch show *In Living Color* When the pilot for *In Living Color* aired for the first time on April 15 1990 America had never seen anything like it And they loved it Over five seasons the show broke racial cultural and comedy boundaries creating unforgettable sketches that dealt almost exclusively with Black subject matter *In Living Color* A Cultural History celebrates the iconic show and its creators while also providing a conscientious examination of the sketches themselves Bernadette Giacomazzo reveals how the show successfully tackled topics that are still salient today from diversity in Hollywood and workplace racism to mass incarceration and blackfishing while other sketches have not aged quite so well Giacomazzo also looks at how the show helped break the careers of Jamie Foxx Jim Carrey and David Alan Grier amongst others and how its most infamous sketches such as Fire Marshall Bill Homey the Clown East Hollywood Squares and Men on Film helped shape comedy in the twenty first century *In Living Color* was one of the few sketch shows of the 1990s that effectively tackled racial and social issues with humor It did so more successfully than *Saturday Night Live* ever did because unlike the long standing late night show *In Living Color* had a largely Black writer s room This cultural history finally gives the influential show and its creators the recognition they deserve for their role in changing the face of television

Gallop Toward the Sun Peter Stark, 2023-08-29 A vivid account of the rivalry between future president William Henry Harrison and the Shawnee chief Tecumseh and of the Native American alliance that fought westward expansion from the New York Times bestselling author of Astoria Taut multi-layered a much needed reevaluation of this crucial period of our nation's history Laurence Bergreen author of Over the Edge

of the World The conquest of Indigenous land in the eastern United States through corrupt treaties and genocidal violence laid the groundwork for the conquest of the American West In Gallop Toward the Sun acclaimed author Peter Stark exposes the fundamental conflicts at play through the little known but consequential struggle between two extraordinary leaders William Henry Harrison was born to a prominent Virginia family the son of a signer of the Declaration of Independence He journeyed west became governor of the vast Indiana Territory and sought statehood by attracting settlers and imposing one sided treaties Tecumseh by all accounts one of the nineteenth century s greatest leaders belonged to an honored line of Shawnee warriors and chiefs His father killed while fighting the Virginians flooding into Kentucky extracted a promise from his sons to never give in to the land hungry Americans An eloquent speaker Tecumseh traveled from Minnesota to Florida and west to the Great Plains convincing far flung tribes to join a great confederacy and face down their common enemy Eager to stop U S expansion the British backed Tecumseh s confederacy in a series of battles during the forgotten western front of the War of 1812 that would determine control over the North American continent Tecumseh s brave stand was likely the last chance to protect Indigenous people from U S expansion and prevent the upstart United States from becoming a world power In this fast paced narrative with its sharply drawn characters high stakes diplomacy and bloody battles Peter Stark brings this pivotal moment to life *A taxonomic revision of the continental African Bulbophyllinae* J.J.
