Mirian And The Princess Of Egypt:

Jeroboam's Wife Robin Gallaher Branch, 2018-04-24 Much has been written about prominent women of the Bible such as Sarah Ruth and Esther But little attention has been paid to the obscure or unnamed women of the Old Testament whose words are not recorded Yet even while mute these women often played critical roles in the unfolding of God's plan at times signaling the emergence of great events In *Jeroboam's Wife* Robin Gallaher Branch introduces seven of these obscure yet noteworthy women and girls Through her careful examination of the literary contours of the biblical narratives she highlights their unique challenges and indelible contributions Drawing from contemporary biblical psychological and sociological scholarship Branch brings these women and their stories to life in fresh ways Thoughtful questions for personal reflection or group discussion help contemporary readers ponder how these women's lives are still relevant **SHEROES of the Bible**

Lauren L. Nelson, 2021-08-03 Mom I have a question Does God think boys are more important than girls because all we ever learn about in church are boys This question from Lauren L Nelson's 7 year old daughter led her to write *SHEROES of the Bible* Many have heard of the remarkable men in scripture but lesser known are the dynamic women who trusted God and did astonishingly courageous things when they chose faith over fear *SHEROES of the Bible* awakens girls to the reality that God can use them to radically change the world Within Lauren shares the 20 stories of 26 women from the Bible who became *SHEROES* when they chose to trust God in difficult situations As its name portrays *SHEROES of the Bible* provides strong female role models who are relevant to past present and future generations Lauren presents a well rounded collection of stories with ethnically diverse illustrations that are sure to impact children all over the world *SHEROES of the Bible* is needed in every household church and discipleship program around the globe Girls young and old will be inspired to become the dynamic strong women that God created them to be Included in each story are three to four devotional questions to help children personally apply what they have learned so that their faith becomes their own personal experience **Miriam and the Princess of Egypt**, 1982 *Women in the Bible for Progressive Christians (Hebrew Scriptures)* Donald

Schmidt, 2021-06-15 Women make up over one half of the world's population yet throughout history women have been kept out of power they have been oppressed and disregarded and have often had their stories ignored This is a tragedy not only for women but for all humankind because we all have much to gain by hearing one another's stories and by experiencing one another in all of our rich fullness not from a preconceived notion that one group or sex is superior to another This is important to note at the beginning because history has largely been told by men In particular the stories we have preserved from ancient times tell things from a male perspective and often ignore women Thus we often need to read between the lines and behind the words to really hear the stories of the women who played such a significant role in the events described in the biblical stories and by extension in our tradition Of course there are real differences between women and men just as there are real differences between men and between women We are not all the same as individuals we are all different from each

other Rather than a problem however we can see this as one of the greatest gifts God has given us the wonderful and amazing gift of difference The sessions in this study will invite you to explore the stories of some amazing biblical women to get to know them and to learn from them How might we live our lives in response to that Miriam and the Princess of Egypt ,1980-01 AMIT Magazine ,1995 Living Judaism Leo Jung,1927 **An Educated Man** David Rosenberg,2011-05-10 A magisterial project a dual biography of the preeminent figures of Judeo Christian civilization overturning conventional views of Moses and Jesus as humble men of faith By reanimating the biographies of Moses and Jesus in their historical context Rosenberg reads their narrative as a cultural rather than religious endeavor He charges that Moses and Jesus were educated men steeped in the literature and scholarship of their day There were no old or new testaments for them only a long history of writing and writers When scholars and clergy quote Moses and Jesus they routinely neglect to inform us that Jesus is quoting the Hebrew Bible often in the manner that Moses quoted Egyptian medical texts The remarkable ability of both men to recall and transform a wide range of sources is overlooked Where did they get these profound educations Part biography part critical analysis **An Educated Man** challenges us to envision what defines an educated man or woman today and how understanding religious history is crucial to it Rosenberg offers a sympathetic approach to why we need Judeo Christianity and ultimately convinces us that the life of Jesus is unthinkable without the model of Moses before him **A Kindergarten Manual for Jewish Religious Schools** Eva Landman,1918

Bold Girls Speak Mary Stromer Hanson,2013-10-04 **Bold Girls Speak** inspires girls to go boldly where God calls This collection of Old and New Testament short stories follows smart problem solving girls who persevere and thrive with God s help in difficult circumstances Most are unnamed and overlooked living in a foreign culture but the small ones can make a big difference A few of the main characters are well known and named but most are found in tucked away verses in the shadows of the powerful The girls live in historical and social cultural settings authentic to the Bible and they increase the reader s curiosity about biblical times and places Each story is accompanied by age appropriate commentary and discussion questions appropriate for classes mother daughter groups home schoolers and Christian schools as well as those reading for enjoyment **Miriam's Song** Jill Eileen Smith,2021-03-02 Smith does an excellent job of bringing her characters to life A memorable and noteworthy rendering of the atmosphere and figures of the scriptures Booklist starred review In her eventful lifetime Miriam was many things to many people protective older sister song leader prophetess leper But between the highs and the lows she was a girl who dreamed of freedom a woman who longed for love a leader who made mistakes and a friend who valued connection With her impeccable research and keen eye for detail bestselling author Jill Eileen Smith offers this epic story to fill in the gaps and imagine how Miriam navigated the challenges of holding on to hope building a family in the midst of incredible hardship and serving as a leader of a difficult people all while living in her brother s shadow Follow Miriam s journey from childhood to motherhood obscurity to notoriety and yearning to fulfillment as she learns that what God
