## **More Than A Building The First Century Of Boston Avenue United Methodist Church:**

**More Than a Building** Jo Beth Harris,1993      *Temples for a Modern God* Jay M. Price,2013-01-10 After World War II Americans constructed an unprecedented number of synagogues churches cathedrals chapels and other structures The book is one of the first major studies of American religious architecture in the postwar period and it reveals the diverse and complicated set of issues that emerged just as one of the nation s biggest building booms unfolded Price argues that the resulting structures as often mocked as loved were physical embodiments of an important time in American religious history

*American Art Deco* Carla Breeze,2003 Art Deco architecture flourished in large cities and small towns throughout America in the 1920s and 1930s The style is now captured in over 500 color photos of 75 lavish and innovatively designed buildings across the country that have been preserved both outside and in giving the full scope of this beloved exciting style
