after righteousness so they can see how good You really are May it draw them closer to you and move them into a personal relationship with you Show them who You really are as a Father and a God It is a must for me to close out with our favorite line I love you Father I love you daughter you will always be mine In Jesus Name Amen Beauty from Ashes Misty Durst,2024-08-09 We serve a God who takes our brokenness and redeems and restores us if we allow Him Healing through our past scars is vitally important to our health spiritually and physically To be able to understand where these hurts are rooted is essential for our freedom Forgiving the abuser and recognizing they have foundational cracks that have never been repaired help in the forgiving process Many of us have foundational repairs that need made but often do not want to go through the process of rebuilding the structure My prayer is that you see where the cracks are seek healing forgive and live in the beauty God designed for you which comes from the ashes of our despair *Challenging Essays in Modern Thought* Joseph Morris Bachelor,Ralph Ledyard Henry,1928 Beauty & Chaos Christopher Rizzo,2023-01-30 When I started writing this book I wasn't sure if I would live long enough to finish it My drug addiction was so unmanageably bad I truly believed that I was doomed to fail I had so many secrets hidden thoughts and feelings that I felt it was very important for me to document my life in such a way that it would help explain some things to my family that I have kept in the dark to shed some light as to who I was as a person Because I truly felt like I was running out of time and I didn't know what else to do but to write somewhat of a love letter goodbye letter to my friends and family Then as my sobriety became stronger I decided to leave everything as it was but add lessons that I have learned along the way Now much of this book has become mostly what I've learned before and during my sobriety with the intention of sharing my experiences for the reader to relate to on an emotional level to inspire everyone and anyone searching for a deeper understanding of life and spiritual wisdom I believe I am only scratching the surface of what is possible But I know I'm on to something good This is the type of good that should be shared with anyone who is seeking it I wouldn't be doing the universe any favors by keeping this information all to myself This is a spiritual book about life my life your life and all life From the smallest life forms to the largest This is a book about the past the present and the possible future I believe all people have unique qualities that make them individuals I also believe on a fundamental level that all people are the same If I can understand my life I can understand all life Everything we say and do is a reflection of how we see ourselves and how we see the world We are living in a modern society where all the information of the world is at our fingertips good and bad As our intelligence increases the likelihood of depression increases with it Unless you know how to counter it How much is a quiet peaceful mind worth to you This book combines mind body spirit psychology religion and science all in one Mainly because they are all connected and we can't fully comprehend the full complex simplicity of life if we leave one of them out BEAUTY...IN SPITE OF IT ALL...
