Andrew Roberts

Not Just Deserts A Republican Theory Of Criminal Justice:

Not Just Deserts John Braithwaite, Philip Pettit, 1990 Arguing for a radical shift in the research agenda of criminology this monograph offers a comprehensive theory of criminal justice which draws on a philosophical view of the good and the right and which points the way to practical intervention in the real world of incremental reform **From Social Justice to**

Criminal Justice William C. Heffernan, John Kleinig, 2000-04-20 The economically deprived come into contact with the criminal court system in disproportionate number This collection of original interactive essays written from a variety of ideological perspectives explores some of the more troubling questions and ethical dilemmas inherent in this situation The contributors including well known legal and political philosophers Philip Pettit George Fletcher and Jeremy Waldron examine issues such as heightened vulnerability indigent representation and rotten social background defenses **Legal**

Republicanism Samantha Besson, José Luis Martí, 2009-03-26 Interest in republicanism as a political theory has burgeoned in recent years but its implications for the understanding of law have remained largely unexplored Legal Republicanism is the first book to offer a comprehensive critical survey of the potential for creating republican accounts of fundamental issues in law and legal theory Bringing together contributors with backgrounds in political and legal philosophy the essays in the volume assess republicanism's historical traditions conceptual coherence and normative proposals The collection offers a valuable insight into new debates taking place in republican political and legal theory It also analyses potential republican approaches to concrete issues arising in areas of law such as criminal constitutional and international law Finally the book includes comparisons between republican legal traditions and how they react to contemporary challenges The book will be of value to political and democratic theorists to legal philosophers and constitutional theorists and all those interested in the legitimacy of decision making in national and international settings **Philip Pettit: Five Themes from his Work** Simon

Derpmann, David P. Schweikard, 2015-12-11 This volume documents the 16th Münster Lectures in Philosophy and examines five themes that are prominent in the work of philosopher and political theorist Philip Pettit These themes are Epistemology and Semantics Philosophy of Mind Consequentialism Group Agency and Republicanism The book provides insight into Pettit's work and demonstrates the central role his work plays in a number of contemporary philosophical debates Pettit's contributions to the philosophy of mind and action rational choice theory the philosophy of the social sciences as well as metaethics normative ethics and political philosophy are main points of reference and have advanced ongoing and initiated new discussions The book shows that a striking feature of Pettit's work has been the depth of his analyses and arguments regarding individual topics ranging from rule following to free will from group agency to social ontology and the methodology of the social sciences from a defense of consequentialism to the revival of the republican tradition in the theory of democracy and to value theory but also their systematic overall coherence The book contains Pettit's lecture Freedom and Other Robustly Demanding Goods nine critical papers on Pettit's philosophy and a reply article entitled Self Defense on Five Fronts

A Reply to My Commentators **Encyclopedia of Criminological Theory** Francis T. Cullen, Pamela Wilcox, 2010-09-23

Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Tocock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative criminology feminist theory The ^AKilling State Austin Sarat, 2001-05-24 Collecting work by several notable scholars this book explains why the US still clings to capital punishment long after other democratic nations have abandoned it It also exhibits a new way of thinking about state killing that goes beyond abstract moral argument and narrow policy debate to assess its impact on our legal system its powerful symbolic appeal and its place in today s culture wars **Protecting Human Rights** Tom Campbell, Jeffrey Denys Goldsworthy, Adrienne Sarah Ackary Stone, 2003 Conceptual boundaries and functions of human rights **Criminal Punishment and Restorative Justice** David J. Cornwell, 2006-02-01 In Criminal Punishment and Restorative Justice author David J Cornwell draws on bedrock issues in contemporary criminology and penology in order to contrast punitive and restorative responses to crime He then looks at the forces that serve to constrain more emphatic adoption of restorative methods and against a backdrop of increasing worldwide reliance on custody touch solutions and punitive thinking examines the claims of restorative justice to mainstream adoption by governments The book also provides an international perspective on the needs of victims and offenders alike and assesses how the worldwide trend towards punitive methods can be reversed by challenging offenders to take responsibility for their offences and to make practical reparation for the harm that they have caused Such developments the author argues would serve to make corrections more effective civilised humane pragmatic non fanciful and less driven by the often ill considered politics of the moment **The**

Handbook of the History and Philosophy of Criminology Ruth Ann Triplett, 2018-01-04 Featuring contributions by distinguished scholars from ten countries The Wiley Handbook of the History and Philosophy of Criminology provides students scholars and criminologists with a truly a global perspective on the theory and practice of criminology throughout the centuries and around the world In addition to chapters devoted to the key ideas thinkers and moments in the intellectual and philosophical history of criminology it features in depth coverage of the organizational structure of criminology as an academic discipline world wide The first section focuses on key ideas that have shaped the field in the past are shaping it in the present and are likely to influence its evolution in the foreseeable future Beginning with early precursors to criminology s emergence as a unique discipline the authors trace the evolution of the field from the pioneering work of 17th century Italian jurist philosopher Cesare Beccaria up through the latest sociological and biosocial trends In the second section authors address the structure of criminology as an academic discipline in countries around the globe including in North America South America Europe East Asia and Australia With contributions by leading thinkers whose work has been instrumental in the development of criminology and emerging voices on the cutting edge The Wiley Handbook of the History and Philosophy of Criminology provides valuable insights in the latest research trends in the field world wide the ideal reference for criminologists as well as those studying in the field and related social science and humanities disciplines **Sentencing in**

International Criminal Law Silvia D'Ascoli, 2011-04-01 This book deals with sentencing in international criminal law focusing on the approach of the UN ad hoc Tribunals for the former Yugoslavia ICTY and Rwanda ICTR In contrast to sentencing in domestic jurisdictions and in spite of its growing importance sentencing law is a part of international criminal law that is still under construction and is unregulated in many aspects International sentencing law and practice is not yet defined by exact norms and principles and as yet there is no body of international principles concerning the determination of sentence notwithstanding the huge volume of sentencing research and the extensive modern debate about sentencing principles Moreover international judges receive very little guidance in sentencing matters this contributes to inconsistencies and may increase the risk that similar cases will be sentenced in different ways One purpose of this book is to investigate and evaluate the process of international sentencing especially as interpreted by the ICTY and the ICTR and to suggest a more comprehensive and coherent system of guiding principles which will foster the development of a law of sentencing for international criminal justice The book discusses the law and jurisprudence of the ad hoc Tribunals and also presents an empirical analysis of influential factors and other data from ICTY and ICTR sentencing practice thus offering quantitative support for the doctrinal analysis This publication is one of the first to be entirely devoted to the process of sentencing in international criminal justice The book will thus be of great interest to practitioners academics and students of the subject

The Social and Political Philosophy of Mary Wollstonecraft Sandrine Bergès, Alan Coffee, 2016-11-10 Interest in the contribution made by women to the history of philosophy is burgeoning Intense research is underway to recover their works

which have been lost or overlooked At the forefront of this revival is Mary Wollstonecraft While she has long been studied by feminists and later discovered by political scientists philosophers themselves have only recently begun to recognise the value of her work for their discipline This volume brings together new essays from leading scholars which explore Wollstonecraft's range as a moral and political philosopher of note both taking a historical perspective and applying her thinking to current academic debates Subjects include Wollstonecraft's ideas on love and respect friendship and marriage motherhood property in the person and virtue and the emotions as well as the application her thought has for current thinking on relational autonomy and animal and children's rights A major theme within the book places her within the republican tradition of political theory and analyses the contribution she makes to its conceptual resources *Structural Injustice and the Law* Virginia Mantouvalou, Jonathan Wolff, 2024-10-15 In developing her conception of structural injustice Iris Marion Young made a strict distinction between large scale collective injustice that results from the normal functions of a society and the more familiar concepts of individual wrong and deliberate state repression Her ideas have attracted considerable attention in political philosophy but legal theorists have been slower to consider the relation between structural injustice and legal analysis While some forms of vulnerability to structural injustice can be the unintended consequences of legal rules the law also has potential instruments to alleviate some forms of structural injustice *Structural Injustice and the Law* presents theoretical approaches and concrete examples to show how the concept of structural injustice can aid legal analysis and how legal reform can in practice reduce or even eliminate some forms of structural injustice A group of outstanding law and political philosophy scholars discuss a comprehensive range of interdisciplinary topics including the notion of domination equality and human rights law legal status sweatshop labour labour law criminal justice domestic homicide reviews begging homelessness regulatory public bodies and the films of Ken Loach Drawn together they build an invaluable resource for legal theorists exploring how to make use of the concept of structural injustice and for political philosophers looking for a nuanced account of the law's role both in creating and mitigating structural injustice *Rethinking Liberty before Liberalism* Hannah Dawson, Annelien de Dijn, 2022-02-03 Reflects on histories of freedom and republicanism through a major new reappraisal of Quentin Skinner's *Liberty before Liberalism* *Privacy in the Republic* Andrew Roberts, 2022-07-12 This book rethinks the idea of privacy It argues that a satisfactory account of privacy should not limit itself to identifying why privacy might be valuable It also needs to attend to the further question of how it can be secured in those circumstances in which it proves to be valuable Drawing on republican ideas about the relationship between freedom and self government the book asserts that privacy is valuable because it enables us to lead non dominated lives It prevents others from acquiring power to interfere in our choices to remove options that would otherwise be available to us and to manipulate our decision making It further examines the means through which citizens might exercise effective control over decisions and actions that affect their privacy and proposes a democratic theory of privacy With the emergence of the surveillance state this volume will be

indispensable for scholars students and researchers in political theory political philosophy law and human and civil rights It will be of particular interest to policymakers lawyers and human rights activists The Oxford Handbook of the Australian Constitution Cheryl Saunders, Adrienne Stone, 2018 Providing an interdisciplinary overview of Australian constitutional law and practice this Handbook situates the development of the constitutional system in its proper context It also examines recurrent themes and tensions in Australian constitutional law and points the way for future developments

Pharmaceuticals, Corporate Crime and Public Health Graham Dukes, John Braithwaite, J P Moloney, 2014-06-27 The pharmaceutical industry exists to serve the community but over the years it has engaged massively in corporate crime with the public footing the bill This readable study by experts in medicine law criminology and public health documents the pr

Republicanism Fabrizio Ricciardelli, Marcello Fantoni, 2020-04-24 T16:26:00+02:00 We live in a world in which almost all states purport to be republican Very few adhere to the Ciceronian concept of res publica understood as that which belongs to the popolo respublica respopuli and which has the observance of the law and the commonality of interests as its foundation The concept of republicanism is traditionally connected to the principle that true political freedom consists of not being subject to the arbitrary will of any man or group of men and it requires equality of civil and political rights Republicanism has attracted scholars who aim to develop insights from the classical republican tradition into an attractive political doctrine suitable for modern pluralistic societies The volume examines republicanism from an historical and theoretical perspective after many years of scholarly investigation and debate Regulation, Crime and Freedom John Braithwaite, 2020-09-10 This title was first published in 2000 John Braithwaite is a distinguished criminologist with an international reputation in the study of regulation and globalization This collection contains his most important and influential essays in criminal justice and business regulation It has a substantial introduction explaining the thematization of his work around the design of regulatory systems to maximize freedoms as non domination **Questioning Ireland** Fergal O'Connor, 2000 **Social Dynamics of**

Crime and Control Susanne Karstedt, Kai Bussmann, 2000-07-04 This book assembles essays by leading scholars in their fields of criminology and socio legal studies John Braithwaite John Hagan Jack Katz Nicola Lacey Michael Levi Joan McCord Dario Melossi Steven Messner and Richard Rosenfeld explore new directions in contemporary theorising about the impact of social and cultural dynamics on crime and social control These essays have in common that they transcend disciplinary boundaries by combining criminological and socio legal perspectives in so doing they bring fresh perspectives to the analysis of crime in market societies and in the global market place The authors do not share the apocalyptic and dramatic predictions of rising crime rates but are aware of the double movement of social change and the counteracting forces that emerge in its course These essays promote an integrative perspective that bridges the gap between etiological criminology and a constructionist approach as well as between explanatory and normative theory

Not Just Deserts A Republican Theory Of Criminal Justice Introduction

In today's digital age, the availability of Not Just Deserts A Republican Theory Of Criminal Justice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Not Just Deserts A Republican Theory Of Criminal Justice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Not Just Deserts A Republican Theory Of Criminal Justice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Not Just Deserts A Republican Theory Of Criminal Justice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Not Just Deserts A Republican Theory Of Criminal Justice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Not Just Deserts A Republican Theory Of Criminal Justice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Not Just Deserts A Republican Theory Of Criminal Justice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Not Just Deserts A Republican Theory Of Criminal Justice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Not Just Deserts A Republican Theory Of Criminal Justice books and manuals for download and embark on your journey of knowledge?

FAQs About Not Just Deserts A Republican Theory Of Criminal Justice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Not Just Deserts A Republican Theory Of Criminal Justice is one of the best book in our library for free trial. We provide copy of Not Just Deserts A Republican Theory Of Criminal Justice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Not Just Deserts A Republican Theory Of Criminal Justice. Where to download Not Just Deserts A Republican Theory Of Criminal Justice online for free?
