Games Pimps Play James F. Hodgson, 1998-10-28 *Games Pimps Play* is a rich original and compellingly comprehensive study of various stages of development and transformation of vice violence and victimization Offering new and provocative insights into prostitution and the concomitant enterprises of pimping the author challenges the reductionist facile and obfuscating conceptions of street prostitution so characteristic of conventional approaches by reiterating the more dynamic elusive and complex interactions of contexts activities and actors within specified socio political sites The Adolescent Criminal Ronald B. Flowers, 1990-01-01 Discusses the extent and characteristics of adolescent crime looks at theories concerning adolescent criminality and assesses the juvenile court system *The Prostitution of Women and Girls* Ronald B. Flowers, 1998 According to reports of the World Health Organization the prostitution of women and children is increasing dramatically throughout the world The problem is particularly acute in the lower socioeconomic sectors of the population including teen runaways drug addicts and victims of abuse This survey focuses first on defining prostitution and then on the motivations of those who became prostitutes In Part II the overall scope of the problem is examined along with the various subcultures e g street walkers and call girls and the prevalence of drugs crime and victimization Part III covers teenage prostitution and the issues of child sexual abuse Part IV details other dimensions of the sex trade industry such as pornography male prostitutes customers laws and the effects of decriminalization and legalization Female prostitution outside the United States is discussed in Part V **Children on the Streets of the Americas** Roslyn Arlin

Mickelson, 2002-06-01 The number of street children in developed and developing nations is rising often in the midst of prosperity These original contributions study and compare the living conditions and educational experiences of homeless children in the United States Brazil and Cuba Because social policy and economic factors are central to these children s plight Mickelson and her contributors employ a political economy perspective to examine the lives of the children and the educational and social programs successful and unsuccessful that are designed to serve them The book examines formal and informal programs compares and contrasts children s situations in each country and offers policy recommendations Throughout the book case studies are combined with recent statistical and demographic facts about each country Also includes maps Contributors Fernanda Gon alves Almeida Jean Anyon Lynn G Beck Inaia Maria Moreira de Carvalho Anthony
