Trabilisy,2007-05-09 Language is a means of human communication expressing human feelings and ideas Poetry is an ultimate form of expression and communication and perhaps the closest to perfection Poetry is music comprising words rhymed and metred and rendered by recitation not by musical instruments Hence the music of Gilgamesh Imru il Kais and Homer precedes by centuries if not millennia the music of Beethoven and Mozart that requires sophisticated instruments to render Each tune in this repertoire conveys deeply felt content relating to Truth Beauty and the Good I hope that readers will love both the tune and the content whatever the language Testimonials Alliance Francaise in Paris France Goethe Institut in Munich Germany and Nelson Mandela Foundation in South Africa have decided to place this magnificent book as they described it in their libraries and make it available to the Public Harvard President Elect expressed her appreciation His Royal Highness Prince of Qatar conveyed his acknowledgement His Holiness the Pope invoked God s abundant blessings upon the author If you want to know how ultimate these poems are you must read them in one language or another Yesterday's Pages A.H. Carim,2013-11-22 Prelude Though I was tagged a failure everyone saw my little reactions as hysterical The few times I responded to the callousness of people I was being melodramatic and when I didnt I was being myself the fool I would have expected to be the apple of my dads eye considering he claimed he loved my mum so much till he found out she was a cheat but what was my crime in my mums unfaithfulness I barely knew her The only crime I committed for being abused trampled on humiliated

almost abandoned and so on in Oxford Dictionary's strongest negative terms was being my mother's child I am a failure today because Mrs Funmi Jaxon brought me to life While a lot of ladies wore designer lipsticks compact powders mascaras amongst so many others as daily make up I was forced to permanently be teary eyed while wearing my snotty nose Well I guess I got my own make up for free Even my sense of humour could not stop the emotions from flowing excessively while others laughed and I cried for hours wondering how I missed the jokes I guess when the joke is on you it's not so funny anyway I couldn't help but wonder what made a lot of people smile and look content when they looked into the mirror For me I saw absolutely nothing The strongest people in life are those we stand tall despite the hurdles in their lives Truth is success doesn't only come with a price it has determination glued to it they are intertwined Failure isn't failing at what you do it's accepting the title failure wallowing in it and making it a comfort zone Turns out that disbelieving in the power of our dreams and failing to pursue them with a passion is the worst form of failure Failures are often stepping stones to success Then it becomes our choice to either learn from them and develop ourselves or make choices that will break us further Imagine life as an adventure we have to stumble fearlessly into with more than a flicker of hope Most successful people today didn't make it easily They fell dusted themselves up and tried again more than a couple of times The trick is fixing your gaze on the prize and not the present circumstances If you know where you are heading failure won't set you back Life never promised anyone perfection It only promised to give us a chance which will eventually allow us to make decisions that will reshape who we are negatively or positively Miss Carim 2013 Let yesterday be a tool to help shape your today when preparing for tomorrow Miss Carim 2013 *The Pages of Pain* An'Yae Martin, 2023-09-10 The Pages of Pain is a collaborative work between the poignant poetry of An Yae Martin and the evocative illustrations of Kay Love Together they create a powerful and immersive experience guiding readers through the complexities of pain with sensitivity and beauty

Emanuel Troskot, 2021-07-07 Making mistakes is part of human nature and I know personally how many I have made Blaming the kid you once was is not a way to go forward for anyone you weren't guided properly or you chose wrong people in your life to guide you through those years but blaming anyone is nothing that you should be doing now Recognise the mistakes that you made and learn from them A lot of people say that we should learn from mistakes of others but in reality you don't get burned by watching someone else put their hand in the fire it only happens when you try it and feel the pain only then you realise that you made a mistake You have always two possibilities of how you are going to act how you are going to live your life It is hard but you need to look deep into yourself find yourself who you really are and then form yourself from the ground up **Pages Of Me Chapter 2** Dionne Fields, 2013-04-06 Pages of Me chapter two My life on paper pages of me to help others move forward To the next chapter of their lives during your most difficult times A self help novel of overcoming all the pain and suffering that life sometimes bring If you read pages of me chapter one You also need to read chapter two to see what happens next **Perceptions of the Imagine Nation: Pages of Poems, Puzzles, Riddles and Rhymes, &**

Even a Joke at Times Gerald Anthony PichA(c),2022-11-03 After the accident I became a strict believer in the Almighty believing the accident happened for a reason to change the sights I had for a useful life instead of being an architect that I went to school for and now forgotten I would now have to look into some new direction I had some writing experience to look at I was going to Bible study groups once or twice a week reading and working on what we read about with some writing to sum up what was taught In this writing I started recreational work as to poetry Some of this work was of thought given religious poems that had good themes The time and place I don t know what it means There a thought given is usually written Reasoning for life is usually explained thought for actions is then remained As one to another time is a fence actions portrayed some of defense The mind was one that was given the thought within is retained from living A purpose has reason for a maker to see sometimes your action is reason to be Other times a purpose is that not in sight making the choice not being right Then again age is a factor for how you choose more in sight to win or to lose Reasoning is many times unexplained but a good thought was unrefrained A thought in practice becomes a choice made a mistake made is one to invade Life is like a gamble then you die Don t rock any cradle don t make em cry Live trying to give back to life don t let it show Love the beast don t let it know Have peace for life killing is banned See the other side I hear it s grand Death is the last step we take I hope you make it for both of our sakes All of his instructions were given your part is in the living Amen Earth is our onetime school to learn God s love obey his rule All for our gain to love and learn graduate in death prepared for our turn Exclaimed with the happiness to see and rejoice spirit lives have a voice Heard for eternity his promise fulfilled that with action thought prewilled You lived for a reason instead of gain in pleasing yourself The End of Book 1 Seeing The Real Nation Book 2 is further in depth More of a mind being prepped For the soul to be swept Up for God knows you cared

Pages from the Soul of an Addict Minister J. Michael Cole, 2021-04-27 Pages from the Soul of an Addict is just that pages that were poetically written from the author's soul while being bound by the consuming chemical chains of crack cocaine There are pages of despair doom and darkness However there are also pages of hope deliverance and light The goal and main objective of this book is to minister to anyone who is still suffering and caught up in the deadly web of drug addiction and to give the nonaddicts a poetically painted picture of what it is like being a drug addict and what it takes for deliverance

Our Deceased Loved Ones Communicating with Us Ted Baxter, 2015-05-19 This book summarizes seventy of my honoring the dead books that I was directed to write by the dead The dead would direct me in my dreams usually within a week after they die to write a book for their loved ones They would tell me what to write what photographs to use and to whom to send the book This is the reason why I had decided to publish this book The dead don't forget you after they die Don't forget them People don't change after they die I've had many good experiences and a few very bad experiences with them If I was able to communicate with the dead you can too It's a very interesting story how I had acquired this capability which I discussed in this book I was not born with that capability I also discuss two of my prior lifetimes which have also helped me communicate with the dead These are all things that I suggest that you know about It all helps like it has helped me It's all true and it can be verified in the seventy books that I have written This book summarizes what is in those seventy books This book gives a number of examples that nothing happens by accident You can be whatever you want to be I did it and you can do it too In this lifetime I meet my mother in my 1620 AD lifetime who had given me my current capabilities **Guitar**

Parents, 2003-08-01 A collection of wounded parents whose children have died from a drug overdose or suicide related to substance abuse came together on the website GriefNet.org Each one was damaged by misplaced blame and guilt because they couldn't rescue their children So deeply filled with sorrow they were unable to find a life after death They have become a family in grief crying together and comforting one another The public must be educated to the reality of the War on Drugs There are people who still believe in the junkie stereotype Many presume that these children were weak-willed and deserved

what was coming to them Some people are judgmental uneducated mean spirited or have blinders on Drugs created a helplessness in these children that is hard for outsiders to understand Kicking the drug habit is incalculably difficult Also powerless are the secondary victims those who are left behind to cope with the losses this dreadful disease has caused Each child that died left behind a parent whose life is now changed forever They cannot erase the horror of that moment when they first heard that their child had died The nightmares and the visions of their children dying continue to haunt them

Tasted Words Titilayo Falade,2015-07-08 If words are nothing but just words why do they have so much power Words spoken spitefully create deep wounds while gracious words encourage build up and heal hurts Spoken words are unseen but powerful By revealing that words are like pedestrians Titilayo demonstrates how words walk in our lives Why do words have so much impact How are our lives shaped by the words we speak and receive In Tasted Words Titilayo reflects on the power of words which may be spoken written or captured in pictures that speak more than a thousand words Tasted Words is a collection of short stories and poetry with reminders messages of love and encouragement In Tasted Words Titilayo uses cues that are helpful reminders to challenge you to stop and think about your words thoughts and actions This inspiring collection will challenge you to live purposefully consider wisely and interact graciously Tasted Words also comprises poems that have arisen as a result of Bible study life musings and social crises Titilayo intends to use part of the proceeds from Tasted Words in works of charity to the support victims of social crises
