Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when

preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming *The Pastor in Profile* Adolph Bedsole,2020 This is a stimulating and provocative work The writer has dipped his pen in an acid which smarts when applied but its application is always in love and with goodwill Abundant humor and laughter enable the reader to see himself in a mirror The preacher under this treatment will benefit and be enriched morally and spiritually Because the preacher is prone to tell others how to live this book should bring a searchlight upon his own soul Here is a plumbline of judgment and a method of self scrutiny The message is for the still hour and the chambers of imagery wherein the pastor dwells The author s style is lively and colorful It moves swiftly and keeps one interested and intrigued The stab and thrust of truth comes to the conscience Occasionally there are lapses into slang but possibly the author intends this in satirical vein Throughout the provocative element is well expressed and in his own way he reveals much of what he has felt and experienced In self reference he is free from egotism This is good No one will accuse him of being pharisaical or holier than thou Periodically ministers need to read a book of this kind to see himself as others see him Let it be read then with open mind and obedient heart in the sight of the Lord *The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation* Leslie C. Pastor Needs a Boo Michele Andrea Bowen, 2014-07-08 Michele Andrea Bowen made a name for herself years ago during the African American inspirational fiction craze Now in Pastor Needs a Boo she's back with an amazing journey of faith drama and love It was a regular New Jerusalem Gospel United Church work day for Reverend Denzelle Flowers when Veronica Washington Keisha Jackson and Marsha Metcalf showed up after losing their jobs on the same day same morning and almost at the same time Denzelle struggled to solve that first problem The other problem

the lovely Marsha would be much harder to solve Denzelle didn't even know how to fight wanting to turn in the playah's card and getting booed up with the poster girl for church girls Marsha Metcalf and her fellow unemployed church members aren't Denzelle's biggest problem though He is running for bishop and his enemies a more ruthless consortium of corrupted clergy want power badly enough to go to rather extreme lengths for it because the stakes are just that high Now his ex wife was back and sleeping with the enemy digging for dirt Reverend Denzelle can't fight this battle alone This pastor needs a boo who will stand by his side Before the dust settles both Marsha and Denzelle's faith and love will be put to the ultimate test

T. Kendall, 2011-10-01 One of the most influential teachings in Christian history is Matthew 5:7 Jesus's Sermon on the Mount Many pastors have delved into this passage but none has offered such a comprehensive up to date and accessible exposition Until now Known for his keen insight and biblical understanding Dr R T Kendall offers an in depth verse by verse and lay friendly exposition of this matchless sermon In fact he gives the most thorough and comprehensive interpretation of this passage to date His compelling devotional style writing brings the words of Jesus to life and he shows readers how to put these teachings to work in their own lives An unforgettable book for the lay reader and pastor alike **Hearing Allah's Call** Julian Millie, 2017-09-15 Hearing Allah's Call changes the way we think about Islamic communication In the city of Bandung in Indonesia sermons are not reserved for mosques and sites for Friday prayers Muslim speakers are in demand for all kinds of events from rites of passage to motivational speeches for companies and other organizations Julian Millie spent fourteen months sitting among listeners at such events and he provides detailed contextual description of the everyday realities of Muslim listening as well as preaching In describing the venues the audience and preachers many of whom are women he reveals tensions between entertainment and traditional expressions of faith and moral rectitude The sermonizers use in jokes double entendres and mimicry in their expositions playing on their audiences emotions triggering reactions from critics who accuse them of neglecting listeners

intellects Millie focused specifically on the listening routines that enliven everyday life for Muslims in all social spaces imagine the hardworking preachers who make Sunday worship enjoyable for rural as well as urban Americans and who captivate audiences with skills that attract criticism from more formal interpreters of Islam The ethnography is rich and full of insightful observations and details Hearing Allah's Call will appeal to students of the practice of anthropology as well as all those intrigued by contemporary Islam Something to Say? Say It Well! H. Mark Abbott, 2014-03-14 If you ever share God's word in public this book is a must have How would you like your own public speaking coach helping you prepare your biblical teachings That's what this handbook is like Preachers church staff members youth pastors Bible study leaders evangelists and more will return again and again to Something to Say Say It Well for hands on advice Moving one step at a time from nugget idea to delivery author Mark Abbott not only supplies a treasury of practical tools he also helps build speakers confidence to share God's word with Christ honoring biblical excellence With a conversational easy to read style the author shows how to _Connect to the listener's world by holding the Bible in one hand and a newspaper in the other _Crystallize a sermon's big idea _into a single sentence _Draw on biblical materials quotes stories and other tools to support the main theme _Shape muddled notes into a logical smooth flowing sermon _Create openings and closings that start with an earthquake and end in a climax _Use passion voice gestures eye contact and emotion for an impacting delivery The ^AMonologic Imagination Matt Tomlinson, Julian Millie, 2017-05-11 The pioneering work of Bakhtin has led scholars to see all discourse as dialogical Contributors to this volume argue that something is overlooked with this focus Many speakers especially in political and religious contexts craft monologues single voiced statements to which the only expected response is agreement or faithful replication *The Preacher's Fire: Igniting Souls with God's Word (2 Timothy 4:2)* Pastor Yves Gerard, *The Preacher's Fire Igniting Souls with God's Word 2 Timothy 4:2* Preach the word be instant in season out of season reprove rebuke exhort with all longsuffering and doctrine 2 Timothy 4:2 What happens when a preacher catches fire from heaven Not a literal flame but a spiritual blaze that consumes apathy melts resistance and lights up the hearts of the weary The Preacher's Fire is a clarion call to every minister teacher and believer who dares to speak for God in a world growing cold It's not just about delivering a sermon it's about delivering souls This message explores what it means to carry the unquenchable flame of truth to speak with holy urgency and to awaken hearts that have grown dull with routine religion Like a prophet crying in the wilderness the preacher must burn before he can ignite others Imagine a discouraged pastor stands before a dwindling congregation He feels like giving up But one night while praying over 2 Timothy 4:2 he receives a fresh anointing That Sunday he preaches as though fire is shut up in his bones His words pierce through bitterness heal old wounds and draw sinners to repentance That day revival begins not in the crowd but in the preacher himself This sermon invites you to rekindle your calling renew your voice and restore your spiritual fire You will be challenged convicted and commissioned to preach the Word in season out of season when it's easy and when it costs you everything If you've ever felt

your flame flickering low this message is your matchstick **No Compromise (eBook)** Errol Naidoo,2012-10-26 It often happens that people compromise their faith to suit their lifestyle Their black and white sense of right and wrong gets trapped in a gray area In NO COMPROMISE founder and president of Family Policy Institute FPI Errol Naidoo maintains that the major reason for the moral decline in the world today is the lack of conviction and commitment of Christians to be salt and light in society Even though prayer is the foundation of everything a Christian does NO COMPROMISE states that Christians shouldn't just pray and not engage in politics and social issues Naidoo spurs readers on not only to be people of prayer but also people of action They should adjust their lifestyle according to their faith no compromise **Bible Personalities** Warren W. Wiersbe,2005-02-01 By incorporating biblical characters that have struggled with the same obstacles of faith pastors speakers and teachers make it easier for their listeners to personally apply sermons and lessons More than just a dictionary of biblical characters Bible Personalities gives speakers historical context for their messages and simplifies research Warren W Wiersbe presents people from Aaron to Zedekiah offering selected quotes from respected Bible scholars on each character By putting the thoughts and experiences of these great contributors to work Wiersbe cracks open complex Bible characters and gives overworked pastors and teachers a simple starting point for effective communication **How to Lead When You Don't Know Where You're Going** Susan Beaumont,2019-09-17 How do you lead an organization stuck between an ending and a new beginning when the old way of doing things no longer works but a way forward is not yet clear Beaumont calls such in between times liminal seasons threshold times when the continuity of tradition disintegrates and uncertainty about the future fuels doubt and chaos In a liminal season it simply is not helpful to pretend we understand what needs to happen next But leaders can still lead How to Lead When You Don't Know Where You're Going is a practical book of hope for tired and weary leaders who risk defining this era of ministry in terms of failure or loss It helps leaders stand firm in a disoriented state learning from their mistakes and leading despite the confusion Packed with rich stories and real world examples Beaumont guides the reader through practices that connect the soul of the leader with the soul of the institution
