Saint Chrysostom His Life And Times:

St. John Chrysostom, His Life and Times W. R. W. Stephens, 2014-04-17 Saint John Chrysostom His Life and Times is an expansive biography of one of the church's best known and most influential saints. St John Chrysostom is considered one of the Early Church's fathers and he was an archbishop in Constantinople during the 4th century A.D. shortly after Constantine converted the Roman Empire to Christianity. [Saint John Chrysostom, His Life and Times](#) W. R. W. Stephens, 2022-05-28 In *Saint John Chrysostom His Life and Times* W. R. W. Stephens meticulously chronicles the life of one of early Christianity's most influential figures. This work deftly navigates the historical and ecclesiastical environments of the 4th and 5th centuries, blending biography and theological discourse to provide a comprehensive portrait of Chrysostom. Stephens employs a scholarly yet accessible literary style, elucidating Chrysostom's eloquence in preaching and his controversial positions that often put him at odds with the ecclesiastical authorities of his time. The narrative is enriched by references to contemporary historical events reflecting both the political and religious tensions that characterized the late Roman Empire. W. R. W. Stephens was a renowned scholar with a profound interest in early Christian history. His extensive background in theology and history offers readers critical insights into the socio-political landscape that shaped Chrysostom's thought and actions. Stephens's commitment to exploring the intersections of faith, politics, and society can be traced back to his own journey in the ecclesiastical landscape, which informs his empathetic yet rigorous examination of this pivotal figure. For readers interested in the interplay of faith and power in early Christianity, *Saint John Chrysostom His Life and Times* is an indispensable resource. It not only sheds light on Chrysostom's life but also contextualizes his enduring influence on Christian thought and practice. This book serves as an essential reference for scholars and lay readers alike, inviting reflection on the legacy of one of Christianity's greatest preachers. ***Saint John Chrysostom, His Life and Times*** W. R. W. Stephens, 2015-07-16 Excerpt from *Saint John Chrysostom His Life and Times: A Sketch of the Church and the Empire in the Fourth Century*. From an early date in the Sixteenth century down to the present time, the works of Chrysostom have occupied the attention of learned editors. The first attempts after the invention of printing were mainly confined to Latin translations of different portions.
