**Andrew Dalby**

## **Satires Of Rome Threatening Poses From Lucilius To Juvenal:**

**Satires of Rome** Kirk Freudenburg,2001      *The Function of Humour in Roman Verse Satire* Maria Plaza,2006-01-26  
Maria Plaza offers a fresh and comprehensive analysis of humour in the writings of Horace Persius and Juvenal with an excursus to Lucilius      *Concepts and Functions of Philhellenism* Martin Vöhler,Stella Alekou,Miltos Pechlivanos,2021-01-18  
Key aspects of philhellenism political self determination freedom beauty individual greatness originate in antiquity and present a complex reception history The force of European philhellenism derives from ancient Roman idealizations which have been drawn on by European movements since the Enlightenment How is philhellenism able to transcend national cultural and epochal limits The articles collected in this volume deal with 1 the ancient conceptualization of philhellenism 2 the actualization and politicization of the term at the time of the European Restoration 1815 30 and 3 the transformation of philhellenism into a pan European movement During the Greek struggle for independence the different receptions of philhellenism regain a common focus philhellenism becomes an inextricable element in the creation of a pan European identity and a starting point for the regeneration and modernization of Greece It is easy to criticize the tradition of philhellenism as being simplistic na ve and self serving but there is an irreducibly utopian element in later philhellenic idealizations of ancient Greece      *Ancient Narrative Volume 4 ,      Epicurean Ethics in Horace* Sergio Yona,2018-01-19  
Over the centuries leading up to their composition many genres and authors have emerged as influences on Horace s Satires which in turn has led to a wide variety of scholarly interpretations This study aims to expand the existing dialogue by exploring further the intersection of ancient satire and ethics focusing on the moral tradition of Epicureanism through the lens of one source in particular Philodemus of Gadara Philodemus was an Epicurean philosopher who wrote for a Roman audience and was one of Horace s contemporaries and neighbours in Italy His works which were preserved by the eruption of Vesuvius in AD 79 but have nevertheless not been widely read on account of their fragmentary nature feature a range of ethical treatises on subjects including patronage friendship flattery frankness poverty and wealth Epicurean Ethics in Horace The Psychology of Satire offers a serious consideration of the role of Philodemus Epicurean teachings in Horace s Satires and argues that the central concerns of the philosopher s work not only lie at the heart of the poet s criticisms of Roman society and its shortcomings but also lend to the collection a certain coherence and overall unity in its underlying convictions The result is a ground breaking study of the deep and pervasive influence of Epicurean ethical philosophy on Horace s Satires which also reveals something of the poet behind the literary mask or persona by demonstrating the philosophical consistency of his position throughout the two books      [The Oxford Handbook of Roman Philosophy](#) Myrto Garani,David Konstan,Gretchen Reydam-Schils,2023 The Oxford Handbook of Roman Philosophy provides a thorough exploration of Roman philosophy as a valuable study in its own right Topics covered include ethnicity cultural identity literary originality the environment Roman philosophical figures epistemology and ethics      *Generic Interfaces in Latin Literature* Theodore D.

Papangelis, Stephen J. Harrison, Stavros Frangoulidis, 2013-03-22 Neither older empiricist positions that genre is an abstract concept useless for the study of individual works of literature nor the recent post modern reluctance to subject literary production to any kind of classification seem to have stilled the discussion on the various aspects of genre in classical literature Having moved from more or less essentialist and or prescriptive positions towards a more dynamic conception of the generic model research on genre is currently considering pushing beyond the boundaries impurity instability enrichment and genre bending The aim of this volume is to raise questions of such generic mobility in Latin literature The papers explore ways in which works assigned to a particular generic area play host to formal and substantive elements associated with different or even opposing genres assess literary works which seem to challenge perceived generic norms highlight along the literary historical the ideological and political backgrounds to dislocations of the generic map **Food in the Ancient**

**World from A to Z** Andrew Dalby, 2013-04-15 Sensual yet pre eminently functional food is of intrinsic interest to us all This exciting new work by a leading authority explores food and related concepts in the Greek and Roman worlds In entries ranging from a few lines to a couple of pages Andrew Dalby describes individual foodstuffs such as catfish gazelle peaches and parsley utensils ancient writers on food and a vast range of other topics drawn from classical literature history and archaeology as well as looking at the approaches of modern scholars Approachable reliable and fun this A to Z explains and clarifies a subject that crops up in numerous classical sources from plays to histories and beyond It also gives references to useful primary and secondary reading It will be an invaluable companion for students academics and gastronomes alike

*The Book of Amos and its Audiences: Prophecy, Poetry, and Rhetoric* Andrew R. Davis, 2023-06-22 Analyses the poetic audiences of the book of Amos by distinguishing the textual addressee from its actual audiences *Satires and Epistles* Horace, 2011-04-14 Horace exposes the vices and follies of his Roman contemporaries in his Satires and the Epistles include the famous Art of Poetry whose advice on poetic style influenced many later writers and dramatists John Davie s new prose translations perfectly capture the ribald style of the original **A Companion to Greek and Roman Sexualities** Thomas K. Hubbard, 2013-11-21 A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres various social environments of sexual conduct and the technical disciplines of medicine magic physiognomy and dream interpretation Features contributions from more than 40 top international scholars

**Fragmented Memory** Nicoletta Bruno, Martina Filosa, Giulia Marinelli, 2022-02-21 Chance in addition to the unavoidable ambiguity caused by time is one of the main guilty parties in the transmission of ancient texts or lack thereof However the same cannot be said for what concerns the mechanisms of selection and loss of historical and literary memory where the

voluntary awareness of obscuring is often part of a precise aim thus leading the cultural memory of a literate society to become fragmented The present volume explores the devices and criteria of selection and loss in Ancient and Medieval texts and the subsequent fragmentation of such literature but it also addresses the questions of the *damnatio memoriae* of literary strategies such as reticence and omission as well as of known texts deemed lost but re found thanks to state of the art methods in digitization The many and diverse nuances of the concepts of omission selection and loss throughout Ancient and Medieval literature and history are illustrated through a number of case studies in the four sections of this volume each examining a different facet of the topic Mechanisms and criteria of textual loss and selection Lost texts re discovered Voluntary omissions and desire for oblivion and Re working the known

### **The Production of Space in Latin Literature**

William Fitzgerald, Efrossini Spentzou, 2018-03-16 Recent decades have seen a marked shift in approaches to cultural analysis with the critical role of location and spatial experience in the formation of the human subject gaining increasing prominence This volume applies the insights and concerns of the spatial turn to this specifically Roman engagement with space and explores its representation and manipulation in Latin literature The terrain covered by the contributions is broad both temporally from Catullus to St Augustine and in terms of genre with lyric epic elegy satire epistolography and historiography all finding their place in discussions that focus mainly on movement and the mobile subject in the experience and making of space Offering a detailed exploration of Roman engagement with space the ideological stakes of this engagement and its intersections with empire urbanism identity ethics exile and history the volume contains a wealth of insights for readers across and beyond the discipline of classical studies those looking equally for new approaches to ancient texts and authors or to explore the relationship between the materiality of antiquity and its literary aspects will find these discussions illuminating

*Selfhood and the Soul* Richard Seaford, John Wilkins, Matthew Ephraim Wright, Christopher Gill, 2017 *Selfhood and the Soul* is a collection of original essays in honor of Christopher Gill Emeritus Professor of Ancient Thought at the University of Exeter The contributions cover a wide range of approaches and topics but all are committed to examining central issues about the experience of being a person and the question of how best to live

### **State of Ridicule**

Dan Sperrin, 2025-04-29 A history of political satire in English literature from its Roman foundations to the present day Satire is a funny aggressive and largely oppositional literature which is typically created by people who refuse to participate in a given regime's perception of itself Although satire has always been a primary literature of state affairs and although it has always been used to intervene in ongoing discussions about political theory and practice there has been no attempt to examine this fascinating and unusual literature across the full chronological horizon In *State of Ridicule* Dan Sperrin provides the first ever *longue durée* history of political satire in British literature He traces satire's many extended and discontinuous trajectories through time while also chronicling some of the most inflamed and challenging political contexts within which it has been written Sperrin begins by describing the Roman foundations and substructures of British satire paying particularly close attention to the core Roman

canon Horace Persius and Juvenal He then proceeds chronologically populating the branches of satire's family tree with such figures as Chaucer Jonson Dryden Swift Pope and Dickens as well as a whole series of writers who are now largely forgotten Satire Sperrin shows can be a literature of explicit statements and overt provocation but it can also be notoriously indirect oblique suggestive and covert complicated by an author's anonymity or pseudonymity Sperrin meticulously analyses the references to transient political events that may mystify the contemporary reader He also presents vivid and intriguing pen portraits of the satirists themselves along the way Sperrin argues that if satire is to be contended with and reflected upon in all its provocative complexity and if it is to be seen as anything more than a literature of political vandalism then we must explore the full depth and intrigue of its past This book offers a new starting point for our intellectual and imaginative contact with an important and fascinating kind of literature

**Horace: Satires Book II**, Horace: Satires Book II Horace, 2021-02-25 The satires explored in this volume are some of the trickiest poems of ancient Rome's trickiest poet Horace was an ironist sneaky smart and prone to hiding things under the surface His Latin is dense and difficult The challenges posed by these satires are especially acute because their voices messages and stylistic habits are many and their themes range from the poet's anxieties about the limits of satiric free speech in the first poem to the ridiculous excesses of an outrageously overdone dinner party in the last For students working at intermediate and advanced levels of Latin this book makes the satires of Horace's second book of Sermones readable by explaining difficult issues of grammar syntax word choice genre period and style For scholars who already know these poems well it offers fresh insights into what satire is and how these poems communicate as uniquely Horatian expressions of the genre

**The Art of Veiled Speech** Peter J. Davis, 2015-09-18 The Art of Veiled Speech offers new insights into the historical origins of self censorship used to temper controversial views revealing that the human voice cannot easily be silenced

**Roman Literature under Nerva, Trajan and Hadrian** Alice König, Christopher Whitton, 2018-03-15 This volume is the first holistic investigation of Roman literature and literary culture under Nerva Trajan and Hadrian AD 96 138 With case studies from Frontinus Juvenal Martial Pliny the Younger Plutarch Quintilian Suetonius and Tacitus among others the eighteen chapters offer not just innovative readings of literary and some less literary texts but a collaborative enquiry into the networks and culture in which they are embedded The book brings together established and novel methodologies to explore the connections conversations and silences between these texts and their authors both on and off the page The scholarly dialogues that result not only shed fresh light on the dynamics of literary production and consumption in the High Roman Empire but offer new provocations to students of intertextuality and interdiscursivity across classical literature How can and should we read textual interactions in their social literary and cultural contexts

**A Companion to Satire** Ruben Quintero, 2011-05-06 A COMPANION TO SATIRE A COMPANION TO SATIRE This book forms a substantial contribution to literary studies and is likely to be the standard work on the subject for a decade or two The chapters are densely detailed the vocabulary elevated Reference Reviews This sturdy

volume should be of use to a variety of readers from advanced undergraduates to scholars seeking refresher or crash courses on either major Studies in English Literature 1500 1900 Offering a valuable contribution to the critical study of satire Quintero has assembled insightful essays by an impressive roster of scholars This book serves as a cogent instructive overview of satire Choice This book obviously brings to readers a dazzling variety of topics relating to satire There is a rich abundance of material here surely something for everyone Indeed the quality of these essays is uniformly high Notes and Queries This collection of twenty nine original essays surveys satire from its emergence in Western literature to the present The Companion is extraordinary in its historical scope tracking satire from its first appearances in the prophetic books of the Old Testament through the Renaissance and the English tradition in satire to Michael Moore s satirical movie Fahrenheit 9 11 While many essays explore literary developments in satire from an historical view other essays reflect directly on topics such as irony and satire modes of satirical mockery the mock biblical and the character sketch All of the contributors are experts published in their field and all are experienced teachers who can treat complex and rich subjects with insight and clarity Contributors to this volume Joseph F Bartolomeo W Scott Blanchard Frank Boyle Peter Brier Valentine Cunningham Edwin M Duval James Engell Alberta Gatti Russell Goulbourne Dustin Griffin Christopher J Herr Thomas Jemielity Ejner J Jensen Steven E Jones Claudia Thomas Kairoff Catherine Keane Laura Kendrick Jos Lanters Jean I Marsden Linda A Morris Frank Palmeri Blanford Parker Ronald Paulson Zoja Pavlovskis Petit Ruben Quintero Melinda Alliker Rabb Timothy Steele Michael F Suarez David F Ventura
