Prosper Your Soul, Beloved Vicki Heymann, Beloved I pray that you may prosper in all things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book s title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out *Zion's Herald* ,1906

Mind Leap: Intimate Changes and Communication Between Worlds David W. Letts,2009-03-24 Fully revised with Reader s Guide Self Exploration Questions chapter reviews and expanded Moita material Reading Mind Leap was one of the most delightful experiences of my summer First I found it an absolutely intriguing story of personal challenge and human

relationships But second and most important I found it highly inspiring There are many times in my own spiritual journey that I wonder whether it is all worth the effort whether there really is a greater reality This book is a powerful incentive to keep going an inspiration and a source of hope Joyce E Ansell literary editor How can we learn to live wholly with deep intuition in this world Where can it lead for each of us in this transformative era We hear follow a path with heart listen to your dreams open to spirit But rare is the book that actually takes us far into that experience Mind Leap does so by telling a challenging liberating true story from the consciousness revolution and inviting readers to participate by reviewing their own life events and perceptions A novelist couldn't create spiritual explorers more opposite than Kelly and David growing up the psychic daughter of an abusive alcoholic and mystic son of an activist minister But as young adults with other partners dreams and intuitions pointed each other out hinting of the natural bridge they would form together As they were then tested in a crucible of intersecting lives Moita began to speak through Kelly initiating an experiment in communication between worlds Her over 200 interactive sessions shared with hundreds of participants have been compared to the Seth material Mind Leap reveals the hidden workings of spirit that connect us to people and situations we need to grow in strength freedom and love The narrative unfolds on many levels giving a unique inside view of the channeling phenomenon even as the prophetic messages turn from individuals to the crisis transformation of our Earth We see you all the time are near you yet very rarely can touch for you do not see us For you we are merely a whisper in the trees We have watched for a great many years and now there is a drawing together of worlds a time when the two worlds may touch and not be destroyed by each other when they may integrate and understand The coming together of our worlds will not change just yours but mine Life will never be the same again Moita
