ARNOLD,1876 Selected Poems: Blake William Blake,2006-03-30 Writer and religious rebel William Blake 1757 1827
sowed the seeds for Romanticism in his innovative poems concerning faith and the visions that inspired him throughout his
life Whether describing his own spirituality the innocence of youth or the corruption caused by mankind his writings depict a
world in which spirits dominate and the mind is the gateway to Heaven This collection of his greatest works spans his entire
poetic life from the early exquisite lyrics of Poetic Sketches to his Songs of Innocence and Experience a compelling

poet of striking originality whose poetic world of myth and mysticism continues to fascinate By turns a haunting lyricist an
apocalyptic visionary and an unorthodox thinker Blake was for years ignored or derided Sustained by his belief in the artistic
imagination he drafted poetry prose visions and epigrams and manufactured beautiful illustrated volumes of his lyrics and
verse narratives Towards the end of his life Blake s unique and irreducible talent was recognized by a group of younger
artists who rescued much of his achievement from oblivion This selection represents the full range of Blake s
accomplishment as a poet ranging from early Poetical Sketches to late lyrics and including such major works as The Book of
Thel Songs of Innocence The Marriage of Heaven and Hell Visions of the Daughters of Albion America Songs of Experience
and Europe The collection is chosen from the Oxford Authors critical edition with Michael Mason s introduction and notes

Selected Poetry of William Wordsworth represents Wordsworth s prolific output from the poems first published in Lyrical
Ballads in 1798 that changed the face of English poetry to the late Yarrow Revisited Wordsworth s poetry is celebrated for its
deep feeling its use of ordinary speech the love of nature it expresses and its representation of commonplace things and
events As Matthew Arnold notes Wordsworth s poetry is great because of the extraordinary power with which he feels the joy
offered to us in nature the joy offered to us in the simple elementary affections and duties **A Selection of Hymns and
