[The Blooming Woman](#) - Jane Wamucii,2012-02 Most people desire the Power the anointing the effectiveness that Jesus had but they seem really not to walk in it As a result they get frustrated and stop trying and settle where they are which is barely enough A lot has been taught on the love of God His faithfulness mercies forgiveness power and people seem to have grasped this so far The question still remains what is stopping Christians from living an abundant life Why is there still so much hopelessness and sin in the world today This book unravels the missing puzzle that of the believer s cooperation with the Holy Spirit in allowing us to conform to His image through the process of spiritual growth The book ties deep key truths necessary for the believer to become effective in doing the good works He created us for The book will help you set your mind above and walk in supernatural abilities that will will fascinate you Your life is about to change in a way you have never imagined possible

[Seeds of Greatness](#) Lovemore Nyatsine,2013-10-01 There is a seed of greatness in you This seed will not grow until you plant it Greatness is not a destination it is the starting point It is not the sum of what you will accumulate in your life but what you will give to many lives Greatness in this book has nothing to do with pursuit of popularity recognition or power but the pursuit of your unique gift in the service of human kind Greatness is the manifestation of the divine purpose in your life As that seed grows it will blossom into a fruit producing tree from which mankind partake It is measured by how much of yourself you expend in serving others All seeds of greatness flourish in the soil of responsibility
