MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war s causes and preliminary events including President Buchanan s decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young s defensive aggressive reactions the onset of armed hostilities and Thomas L Kane s departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women s voices from both sides enrich this colorful story At Sword s Point presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it eclipses previous studies of this remarkably bloody turning point in western military and Mormon history

Kindler,Swami Aseshananda,Michelle Levey,Joel Levey,Lex Hixon,Rabbi Rami Shapiro,2006-08-06 The profound and revered religious and spiritual pathways of Judaism Buddhism Tantra and Vedanta all grace the pages of this issue of Nectar of Nondual Truth with their simultaneously sententious yet congenial teachings revealing anew and for our highest benefit the time honored principle of Universalism As my own guru has stated via powerful discourse also contained within these pages The harmony of religions cannot be preached by any teacher who is exclusive who is dualistic in frame of mind and in philosophy of life Therefore with the advent of Advaita Vedanta in the West mainly due to the work and presence of beings like Swami Vivekananda it is time for the message of Universalism to be proposed accepted practiced and realized on a wider

scale so that true Peace will descend and enter the hearts and minds of living beings Solace and Samadhi will be the welcome outcomes Nectar of Nondual Truth leans decidedly towards a religious pluralism free of both the hypocritical sense of superiority and the problem of a complacent religious discernment That is equality based upon nonduality combined with a tenacious scrutiny and inspection of all wisdom teachings will ensure the vision and purity of the allimportant spiritual realm Thus the peoples of the world will forthwith be able to steer clear of the mistakes of the past springing from a lack of distortion of or misunderstanding of essential and eternal spiritual principles
