Boyer, 2022-01-28 This is a book about spirituality more specifically the spiritual journey Before beginning any journey or trip spiritual or otherwise we experience a state of order Then comes the call to journey to travel to take a trip to walk to pilgrimage to hit the road etc The call to begin a journey may come from an urge within us it may be an invitation from a spouse or a friend to fly somewhere it may be as simple as taking the dog for a walk in the neighborhood even taking different streets The call disrupts our ordered lives We prepare for our excursion We enter into the stage of chaos when we take the journey also we enter into the process of transformation By the time we get home we will be transformed These are the steps of the spiritual journey into God order hearing the call to journey answering the call with preparation entering the chaos of the journey and being and coming home transformed Ninety seven reflections are presented in this book in seven chapters devoted to journey road path route highway gateway walk way and more The Gift of Tears Annette

Ford, 2023-06-15 Whether your life is stormy with painful circumstances drizzly with stresses and anxieties or sunny with a sense that God is in control The Gift of Tears invites you to experience God s peace and presence in deeper ways Tears are a gift Though we long for the constant sunshine of happiness and the comfort of a stress free life we need the nourishing refreshing teardrops of life lessons Without tears the garden of our heart becomes parched and barren Thus God offers us the gift of tears In this ten week devotional you will journey through life stories of learning to trust God in difficult circumstances parables from times of listening prayer insights from contemplating God s word and prayer activities that inspire personal prayer and reflection The Gift of Tears encourages you to experience tears as a blessing not a burden and even in life s storms to thank God for the tears *Hellfire and Destruction* Paul Marston, 2023-12-13 To those of us who

believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that they will cease to exist as conscious individuals The arguments are not complex because most of the New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians
