Tolkien in the Twenty-First Century Nick Groom, 2023-09-05 An original and thought provoking reassessment of J.R.R. Tolkien's world revealing how his visionary creation of Middle Earth is more relevant now than ever before. What is it about Middle Earth and its inhabitants that has captured the imagination of millions of people around the world? And why does Tolkien's visionary creation continue to fascinate and inspire us eighty-five years after its first publication? Beginning with Tolkien's earliest influence and drawing on key moments from his life, *Tolkien in the Twenty First Century* is an engaging and vibrant reinterpretation of the beloved author's work. Not only does it trace the genesis and inspiration for the original books but the narrative also explores the later film and literary adaptations that have cemented his reputation as a cultural phenomenon. Delving deep into topics such as friendship, failure, the environment, diversity and Tolkien's place in a post-Covid age, Nick Groom takes us on an unexpected journey through Tolkien's world, revealing how it is more relevant now than perhaps Tolkien himself ever envisioned.

Revenge of the Creature Features Movie Guide John Stanley, 1988 *Focus On: 100 Most Popular Films Based on British Novels* Wikipedia contributors, **The Making of Middle-earth** Christopher A. Snyder, 2024-10-08 This volume is perhaps the most in-depth exploration ever undertaken of Tolkien's world. Accessible but authoritative and fully illustrated, it is now being reissued with a stunning new cover treatment and updated commentary on new books, films, games and shows. This book, originally published in 2013 and richly illustrated with photographs and artwork, was the first to connect all the threads of influence on Tolkien that infused his creation of Middle-earth from the languages, poetry and mythology of medieval Europe and ancient Greece and Rome to the halls of Oxford and the battlefields of World War I. Snyder examines the impact of these works on our modern culture from 1960s counterculture to fantasy publishing, gaming, music and beyond. The reissue has a gorgeous updated cover design with a custom illustration on foil-stamped faux cloth and additional pages of material covering new developments.
