Universal in scope the 47 poems in Ballyhoo are richly idiomatic and evocative They are also frequently grounded in the southern Atlantic coast with its particular ecology characters history and myth The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty an elegy set in a bait shop Twelfth Night s Feste delivering a monologue in a bar a villanelle about a murder on a cruise ship These intelligent insightful poems remind us of the frail but important relationships between comedy memory and identity Ballyhoo offers a sobering examination of the tragicomic nature of the world

The Night Guard at the Wilberforce Hotel Daniel Anderson,2014-04-21 In his third collection of poems Daniel Anderson ponders and celebrates the images sounds and tastes of contemporary life The poems in The Night Guard at the Wilberforce Hotel navigate the evanescent boundaries between the public and the private self Daniel Anderson s settings are often social but never fail to turn inward drowning out the chatter of conversation to quietly observe the truths that we simultaneously share and withhold from one another even as we visit friends celebrate a young couple s union or eavesdrop on the conversations of others These twenty poems include meditations on teaching hungover undergraduates wine tasting among snobs and engaging the war on terror from the comfort of the suburbs They are alternately driven by ornamental language that seeks to clarify and crystallize the beauties of our common world and the poet s faith that fellowship ultimately trumps partisanship Even as they weigh and measure the darkness of the heart and the sometimes rash and stingy movements of the mind the poems refrain from pronouncing judgment on their characters As much as they ponder they also celebrate in exact careful and loving terms the haunting and bracing stimuli from which they originate

In Late Light

Brian Swann,2013-05-15 From a stone to fireflies from childhood to growing old Brian Swann's poems contemplate the moments and individual objects that create a whole life and our relationship to them There is a clearing by a certain stone where images flow and are worth stopping for I have stayed there almost all day in silence until night remembered what belonged to it and its shadows started to take back its own I've found it hard to walk away as starlight infused daisies and the stone itself began to feel like a star so although what I have done with my life may not be much for a while it seemed to be in line The poems of *In Late Light* situate objects and experiences both large and small concrete and abstract within Brian Swann's perspective of the natural world Sixty two poems presented in four sections explore his life from early days to the present evoking friends and family on two continents His sharp bright imagery affirms the unique beauty of our world and explores its invisible mysteries

Revenge and Forgiveness Patrice Vecchione,2004-04 When you seek revenge dig two graves Anonymous A poetry anthology for teens on a perennially important topic Acclaimed anthologist and teacher Patrice Vecchione has put together an immensely powerful group of poems all of which address the timeless and uniquely human desires for revenge and for forgiveness The events of September 11th inspired this book I wanted to create a tangible forum a book to hold in our hands to help frame and think not just about terrorism but about who we are as individuals and who we are as a country It's been gestating in me for all this time Finding these poems was like turning little lights on to illumine the dark How can beauty be made out of ugliness and fear Can it rise from ash Patrice Vecchione
