## Losing God:

**Losing God** Matt Rogers, 2008-09-30 Recounting his own history Matt Rogers explores the question of how in a world of suffering we can call God good This challenging question can manifest itself as a conspiracy of doubt and depression so that our emotions and our intellect come under attack Will God deliver us through this distressing journey *In Pursuit of God's Presence* Mary Simpson, 2008-04 In this work an effort is made to help individuals charter a course to and then remain in God's presence by understanding how He abides with His people Christian *A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers* Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It's often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don't have to deal with the problems it might entail This might be an easier approach but it's not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline After all He is the one who spoke about it in the first place *Twelve (Thirteen) sermons from the Quaresimale*, tr. by J. Ford Paolo Segneri, 1860 **God's Word, for Doubters and Believers being the Last Testament**, 2010-02 *Three Stages of Salvation: Heavenly-Oriented or Hell-Bound?* Amoakoh Gyasi-Agyei, 2015-01-20 The world has reached a stage in which value systems are trampled underfoot or supplanted by moral relativism At best we are guided by the law rather than our consciences Therefore evil practices which escape the law are condoned Almost everything is subtly covered in deception and those skillful in deception win the race The only way by which humanity can escape deception and stop killing each other and preserve the universe is to accept salvation in Jesus Christ and live by biblical disposition Elder Ing Prof Amoakoh Gyasi Agyei digs deep into how the three parts of humanity's spirit soul and body can be redispersed to the original masterpiece of God to bring the world back to decorum He uses the Holy Bible to answer many human dilemmas caused by rebellion against God including how to reach the supreme God the origin of deception and its antidote predestination sexuality humans as instruments of praiseworthy acts versus the instrument of evil heaven and hell the origin and eternal destination of the human spirit soul and body blessings associated with lifestyle of biblical disposition versus curses with worldliness and the origin and the fate of the current universe This book is a must read by everybody *Life-Study of Luke* Witness Lee, 1985-12

**The Metaphysics of Inspired Communication** Glen Carl Cutlip, 2005-06-01 The Metaphysics of Inspired Communication takes us beyond what communication appears to be. Although one of the dual mind has ears that hear, not this doesn't mean that such a one doesn't hear at all. One of the dual mind has ears that hear, not because such hearing is hearing in part for deafness is a part of such hearing. Inspired communication is a means of reconciling so-called hearing and deafness so that one may have ears that hear. It is also a means of reconciling sight and blindness so that one may have eyes that see. It is also a means of reconciling life and death so that one may experience the resurrection from the death one is living in. As we reconcile the opposites of being, we come to realize that deafness is a part of hearing. To deny deafness is to deny the hearing hidden within it. Accordingly, to deny blindness is to deny the sight hidden within it. To deny death is to deny the life hidden within it. In order to have ears that hear, we must allow deafness to be a part of hearing for they are revealed to be two parts of the same thing. To have eyes that see, we must allow blindness to be a part of sight for they are two parts of the same thing. To have life that is beyond what life and death appear to be, we must allow death to be a part of life. The Metaphysics of Inspired Communication brings unconscious awareness unto conscious awareness so that we may understand how it is that the deaf hear, the blind see, and how the dead are raised. We come to understand that the resurrection of the dead takes place in present time, not after the body passes away for the resurrection is of the living dead in the first place. Communicating beyond what communication appears to be to the dual mind is not an easy thing. It is not a difficult thing either, even though it seems to have taken a long time in arriving at this point in consciousness.
