Losing Gravity:

A Time To Die John Vornholt, 2012-10-16 Beginning a sensational year long series of two part stand alone stories set in between the events of Star Trek Insurrection and Star Trek Nemesis Suspected without proof of destroying a fellow Starfleet vessel the Enterprise is stripped of its flagship status and sent on a seemingly pointless mission to a backwater of space Caught up in events outside their control mistrusted even by their Starfleet companions Captain Jean Luc Picard and his crew must struggle to win back their place of honour at the forefront of the Federation fleet And if that were not enough to contend with some of the crew have problems of their own Chief among them is android Commander Data who is forced to give up the chip which allowed him to access human emotions the goal for which he has worked so hard and so long

Moon People 2 Dale M. Courtney, 2009-01-21 Moon People 2 This story is about the space Adventures of 1st Science Officer Captain David Braymer and his transition from the Lunar Base 1 base station to his new home the Powleens traded them called the Aurora a spaceship that looks like a Moon also known as Goddess of The Dawn it is 10 kilometers in diameter and with light speed capability It s the size of a small city It has everything a small city would have like two hospitals and restaurants and shopping malls all over the ship Captain Braymer also has a romantic attachment to a young lady by the name of Lieutenant Heather Courtney who is an Officers Aid They have a few out of the ordinary experiences that they do not forget any time soon And our new friends the Powleens have advanced us centuries ahead of our time They also traded us for five of their newest ships in their space fleet all with light speed capability with all of their weapons in tacked They traded us for all kinds of their gadgetr s and even some of their food That s what they do go all over the Galaxy looking for friends and ultimate knowledge and trade with everyone they can find Commander Braymer also has a mission to do a genesis on Mars that turns out surprisingly good with a few added benefits One of the benefits was discovering a lot of Martian people and animals in a Noah ark kind of setup that has been frozen for over 100 000 years in life support chambers They were all brought back to life again There were many discoveries not to mention all of the futuristic weapons they find with aircraft all superior to anything at present by anyone And nobody expected the Martians to have special mental powers like telekinetic and telekinesis and all sorts of mental telepathy powers like mind transference and the power to levitate in the air Well everything was going pretty smooth until Galactic war breaks out all over the universe and the final Battle happens in our solar system It was Earth with the Powleen people and also the Martians against the snake looking people called the Arcons and their friends the Thracians who resemble dog like people with sharp claws There were crashed ships all over our planets and their moons in our solar system It was the Battle of all Battles It decided the control of our Galaxy If you think all of this sounds good wait till you read the book its action packed from start to finish I know you will enjoy Moon People Trilogy It s some of my best work And don t worry some day you just might see something that resembles Moon
